

Apathetic Arbiter says:

So like, yeah

<https://sites.google.com/site/hannabartpekopon/home/game-1/player-characters>

those are your character sheets

anyway

~°Δ°[Levi-tah]-- "I'm ever so clever!" says:

I have pictures

yaaaay

Apathetic Arbiter says:

Oh, yeah

Bizz has pictures of Levity

they are on the site

Anyway, I guess we'll start?

~°Δ°[Levi-tah]-- "I'm ever so clever!" says:

/

Apathetic Arbiter says:

One second...

Okay.

Ahem.

When we last left our characters, they had been approached by Prince Peasley and agreed to travel to the Beanbean Kingdom in order to save Queen Bean.

In return, they would have the opportunity to have some sort of wishes granted for themselves.

In order to reach the Beanbean Kingdom, they must first scale Shooting Star Summit.

~°Δ°[Levi-tah]-- "I'm ever so clever!" says:

Apathetic Arbiter says:

However, Levity wanted to go and see the chef Tayce T. before they depart.

~°Δ°[Levi-tah]-- "I'm ever so clever!" says:

Yay

Apathetic Arbiter says:

So, you guys are standing outside of Harry's Shop

Tayce T.'s house is southeast of your location.

Do you all agree to go there first?

~°Δ°[Levi-tah]-- "I'm ever so clever!" says:

I agree

Apathetic Arbiter says:

Daria Morgendorfer says:

as do i

Apathetic Arbiter says:

Alright, I want to not skimp on the flowery stuff this time

Mister Dragon says:

Can I carry Levity and Nicole on my back?

Apathetic Arbiter says:

Yeah.

~°Δ°[Levi-tah]-- "I'm ever so clever!" says:

Yaaaay

"Wheeeeee"

Levity is like

Mister Dragon says:

I snort while attempting a dragon smile.

~°Δ°[Levi-tah]-- "I'm ever so clever!" says:

supposed to be really really light
and defenseless
and strengthless lololol

Apathetic Arbiter says:

You can also remember recipes for Tayce T. with your Knowledge stat, Hegel.
So like, you start going east
Mister Dragon carrying the girls on his back
Mister Dragon has atavistic wings
anyway, you pass a purple building
well, it's the Dojo
you hear fighting sounds coming from inside, but this is normal for a dojo

~°Δ°[Levi-tah]-- "I'm ever so clever!" says:

Heheheheh

Apathetic Arbiter says:

you pass the building where the party was held

~°Δ°[Levi-tah]-- "I'm ever so clever!" says:

I'm imagining them
imagining*

Apathetic Arbiter says:

you pass the spot where the Doogan tried to sell you Slowpoke Tails, and Merlon's house
you turn south

you pass some residential homes, heading further into town

there's a signboard

"<- Tayce T.'s house

Free cooking--just bring ingredients!"

It's pointing to a yellow house a short way off.

You approach the house

suddenly, a pterodactyl swoops out of the sky!

It looks like Blablanadon <http://www.mariowiki.com/Blablanadon>

but it's wearing both a blue baseball cap and a pink bow, as well as red lipstick and a kilt
and it has anchor tattoos on its wings.

It looks very bored.

It grabs Nicole!

It tries to fly away with her.

Does anyone do anything?

~°Δ°[Levi-tah]-- "I'm ever so clever!" says:

"HEY BITCH"

What should I do

Apathetic Arbiter says:

You can try to pull Nicole out of its claws.

Mister Dragon says:

I try PSI Starstorm on it.

Apathetic Arbiter says:

Oh, okay

Mister Dragon says:

There is no such thing as overkill.

Apathetic Arbiter says:

so, like, I'll have to explain First Strikes

a first strike means you initiate battle mode by doing the chosen attack, but it doesn't
use up your first turn

however, the target needs to be sufficiently surprised in the field, otherwise it will dodge. So, the pterodactyl dodges, and battle is initiated normally.

~°Δ°[Levi-tah]-- "I'm ever so clever!" has left the conversation.

Apathetic Arbiter says:

Hmm...

A lot of that going on today

Mister Dragon says:

My computer completely froze.

Apathetic Arbiter says:

Oh, hmm.

Mister Dragon says:

wait, he can dodge Starstorm?

Apathetic Arbiter says:

Only as a first strike.

Once battle mode is initiated, everything hits.

There she is.

~°Δ°[Levi-tah]-- "I'm ever so clever!" is already in this conversation.

Apathetic Arbiter says:

Hmm...

Moving to another window will not work well for the records.

Well, I'll just save this one right now.
