

[8:24:46 PM] Lewot: Okay.

[8:24:53 PM] Lewot: Here are your character sheets

[8:24:54 PM] Lewot: <https://sites.google.com/site/hannabartpekopon/home/game-2/player-characters>

[8:25:01 PM] Lewot: let me set the scene

[8:25:08 PM] Lewot: grr-hem

[8:25:45 PM] Lewot: The four of you are in the Golden Crown Tavern, a bar in a town called Trelvet. Apart from the bartender, you're the only ones inside.

[8:25:54 PM] Lewot: The building is basically just wood

[8:26:44 PM] Lewot: there's an Inn upstairs; you know this because you slept there last night. Yesterday, the town of Trelvet held a convention, calling anyone who is willing to fight monsters and/or find out why they keep attacking the town.

[8:27:12 PM] Lewot: Trelvet has been plagued by monster attacks in the past, but for 100 years or so they stopped. Now they've started up again, and no one knows why.

[8:27:18 PM] Lewot: The barman is wiping the counter.

[8:27:27 PM] Lewot: None of you really know each other yet, so you're kinda spaced out.

[8:27:48 PM] Lewot: There were lots more people at the convention, but the rest of them left to fight monsters.

[8:28:00 PM] Lewot: For various reasons, you guys happened to be the last four left.

[8:28:38 PM] Lewot: The townsfolk didn't mind that monsters like Jay and Rammen came. They'll take anyone who's willing to fight the other monsters.

[8:28:50 PM] Cary Concoby: (pretty bro of them)

[8:29:00 PM] Lewot: They're kinda desperate at this point.

[8:29:19 PM] Lewot: Levan is at a table, Miles is at another table, and Jay and Rammen are on opposite ends of the long bar counter thing.

[8:29:32 PM] Andrew Cornell: (figured :P

[8:29:34 PM] Lewot: Okay, mingle.

[8:29:47 PM] Andrew Cornell: I mingle in my mead

[8:29:59 PM] Andrew Cornell: I hope it's good mead :P

[8:30:16 PM] Cary Concoby: I get up from my table and approach Jay at the bar

[8:30:40 PM] Lewot: By the way, the barman looks like this guy <http://www.feplanet.net/media/sprites/9/character/body/npc/muston.png> only with gray hair.

[8:31:16 PM] Andrew Cornell: looks like a nice fellow, me thinks :)

[8:31:40 PM] Lewot: You can talk, by the way.

[8:31:43 PM] Jared: I look at the man approaching me inquisitively, "Hello, sir. My name is Jay. I take it you're here to fight monsters as well?"

[8:32:00 PM] Cary Concoby: (lol, I'm just a kid)

[8:32:11 PM] Cary Concoby: "Hi there. I'm Miles."

[8:32:17 PM] Levity: "Nyh."

[8:32:31 PM] Cary Concoby: "I'm just learning magic, and I thought fighting against the monsters that have been coming in might be good practice."

[8:32:39 PM] Andrew Cornell: I look over at the strange person who "nyeh"d :P

[8:33:06 PM] Andrew Cornell: then shrug my shoulders, finish off my mead and mind my own business

[8:33:30 PM] Jared: "Ah. Perhaps you'd like to join me? It'd be safer if you had someone to help

if you're just a novice. I've just learnt the art of swordplay myself."

[8:33:32 PM] Levity: Levan stands up, seeming disoriented. She doesn't say much.

[8:33:50 PM] Cary Concoby: "Sure! I need to get more practice with my bow anyways."

[8:34:42 PM] Cary Concoby: I reach out a heavily-gloved hand to shake Jay's

[8:34:48 PM] Lewot: Barman "Aye, it's safer to travel in groups these days."

[8:35:01 PM] Andrew Cornell: hmmm, the barman has a point, methinks

[8:35:14 PM] Andrew Cornell: and that nyeh-er doesn't seem too stable

[8:35:33 PM] Andrew Cornell: it'd be rude of me not to assist her, so I say, "Hold up!" and head over to her

[8:35:47 PM] Jared: I shake Miles' hand with a smile, "All right then, it's settled! Good to have you along!"

[8:36:00 PM] Cary Concoby: I beam back at Jay, happy to have a partner

[8:36:13 PM] Lewot: The Barman glances at Levan, but just starts wiping a glass.

[8:36:24 PM] Levity: "Q--qhat?" she stammers this. "Hold up for what?"

[8:36:28 PM] Levity: "

[8:36:43 PM] Andrew Cornell: stammering, a sheer sign of a good time

[8:36:46 PM] Andrew Cornell: or drunkenness~

[8:36:54 PM] Cary Concoby: I turn to watch the scene unfold between the strange, bandaged man and the 'nyeh-er'

[8:37:21 PM] Jared: My attention in turn is diverted to the two others talking.

[8:37:24 PM] Andrew Cornell: I reach out and pat her shoulder, saying, "You need not go dashing off in your disheveled state. Perhaps you would like a partner to assist you."

[8:37:45 PM] Lewot: (A more eloquent mummy than most)

[8:38:04 PM] Levity: "Yeah, I'm still not the best with English or anything. All the chatter was making me dizz--oh, uh, yeah, sure, I guess?"

[8:38:55 PM] Levity: "I mean, it's your choice."

[8:39:30 PM] Cary Concoby: Miles turns to whisper to Jay. "Looks like there's another pair forming up. Think we should ask them to team up? Four is better than two..."

[8:40:07 PM] Andrew Cornell: "Certainly, you seem like you'd be a fair companion!"

[8:40:25 PM] Levity: "FOUR IS DEATH I mean--" She turns away, having overheard the talking behind her.

[8:40:39 PM] Cary Concoby: (Okay there, Orion)

[8:40:42 PM] Levity: "Yeah, cccçcertainly."

[8:40:56 PM] Andrew Cornell: I'm a little startled by the outburst but laugh it off readily

[8:41:07 PM] Jared: Jay nodded and whispered back, "Aye, it'd be a good idea. I'll ask, I suppose." Jay would raise his voice for the other two to hear, "Hello, you two! May I ask you to join us?"

[8:41:11 PM] Andrew Cornell: "You're going to be a lot of fun, aren't you?"

[8:41:24 PM] Levity: "Depends, do you like fun?"

[8:41:24 PM] Levity: "

[8:42:39 PM] Andrew Cornell: "I'm certainly no stranger to the likes of it!" I say, turning over to the other two who have just addressed us.

[8:43:04 PM] Andrew Cornell: "Allo, there, you wish to join us?" I answer back.

[8:43:13 PM] Lewot: The barman puts away the glass he was wiping.

[8:43:18 PM] Lewot: Barman "If you four plan to go monster hunting, I have a... contact who

you might want to meet."

[8:43:29 PM] Levity: "And we won't be four anymore?!"

[8:43:40 PM] Levity: "I mean yeah sure, sounds hot."

[8:43:43 PM] Lewot: Barman "No, he's more of a supplier."

[8:43:58 PM] Levity: "But we'll be four-and-a-half?"

[8:44:14 PM] Levity: "I think it sounds plausible."

[8:44:18 PM] Andrew Cornell: I laugh at the remark and say, "Sounds to the mutual benefit of all of us to visit this supplier!"

[8:44:50 PM] Lewot: Barman "If you want 'im, just head up the stairs and out the first door you see. He's up on the roof."

[8:45:19 PM] Lewot: Barman "Tell 'im old Dr. Marcus Theodore Unk sent ya."

[8:45:30 PM] Andrew Cornell: what a strange name

[8:45:35 PM] Cary Concoby: "Dr. Marcus Theodore Unk, gotcha."

[8:45:36 PM] Andrew Cornell: (lol, amazing XD)

[8:45:50 PM] Levity: "...unk."

[8:46:07 PM] Jared: "All right then... Let's see this man, I suppose. Thank you mister, er... Unk."

[8:46:11 PM] Lewot: The stairs are on the left side of the counter.

[8:46:28 PM] Levity: "THERE ARE PECULIAR-LOOKING STAIRS OVER THERE"

[8:46:39 PM] Levity: Levan points with a trembling arm.

[8:46:46 PM] Levity: Her eye twitches.

[8:46:50 PM] Lewot: Barman "They won't hurt ya. Sturdy as an ox."

[8:47:01 PM] Andrew Cornell: I pat the nyeh-er's shoulder again

[8:47:20 PM] Levity: "I like stairs because usually they go up."

[8:47:33 PM] Levity: "Don't you--like stairs?"

[8:47:34 PM] Lewot: (The Inn was in the basement, so that was downstairs. These stairs go up to the attic.)

[8:48:06 PM] Andrew Cornell: "I am certainly a fan of stairs!" I reply. "Let's traverse them to their peak!"

[8:48:18 PM] Cary Concoby: Miles turns to the verbose mummy and the strange woman as he heads toward the staircase. "I don't think we properly introduced ourselves. I'm Miles, and this is Jay."

[8:48:57 PM] Jared: "Quite! We shall scale these stairs with finesse!" Jay exclaimed, following near Miles, "And aye, 'tis a pleasure to meet you two."

[8:49:01 PM] Levity: Levan treats this oddly and does not respond.

[8:49:16 PM] Andrew Cornell: "Fantastic! I go by Rammen myself," I answer them.

[8:49:43 PM] Andrew Cornell: I nudge the nyeh-er and ask her, "Don't be shy, what name do you go by?"

[8:50:14 PM] Levity: "if--fff I told my name to just anyone, what do you /think/ could happen to me?"

[8:50:40 PM] Cary Concoby: Miles was slightly puzzled. "Then... they'd be able to get your attention more readily?"

[8:50:44 PM] Cary Concoby: "I don't understand the question."

[8:51:09 PM] Lewot: The attic is pretty much empty. There's a door in front of where the stairs end, and another one further down the wall.

[8:51:18 PM] Levity: "It's dangerous if I do it."

[8:51:21 PM] Lewot: A couple wooden crates.

[8:51:50 PM] Andrew Cornell: "I fail to see the danger as of now," I reply. "If you can't trust us, who can you trust?"

[8:52:28 PM] Cary Concoby: Miles checks the crates for any useful items.

[8:52:38 PM] Lewot: The crates are locked

[8:52:44 PM] Lewot: you'll have to try to break them.

[8:52:50 PM] Cary Concoby: (I keep switching from first to third person narration. I'll settle on one eventually)

[8:53:05 PM] Levity: "I guess..." Levan steps over to the side a bit, investigating the attic thoroughly.

[8:53:11 PM] Cary Concoby: (I'll do you one better, Lewot)

[8:53:32 PM] Levity: When nothing particular catches her eye, she doesn't say much about it and kicks the floor a bit.

[8:53:42 PM] Cary Concoby: Miles pulls one of his mother's hairpins from his shirt pocket and starts fiddling with the lock on one of the crates.

[8:53:55 PM] Andrew Cornell: hmmm, maybe I'll suggest the idea later, she doesn't seem too open and I'd rather not use my psychic powers just yet

[8:54:02 PM] Lewot: With a Hand-Eye of 7, Miles picks the lock.

[8:54:08 PM] Jared: Jay observes the twitchy kind of person that was with them, wondering exactly why they couldn't tell their name. Jay decided to leave the others and cracked open the door near the stairs and peer inside.

[8:54:09 PM] Lewot: The crate contains...

[8:54:12 PM] Andrew Cornell: I observe the others as Miles opens a crate

[8:54:20 PM] Levity: Levan turns her head.

[8:54:34 PM] Lewot: Three Super Shrooms.

[8:54:46 PM] Cary Concoby: Miles passes the Shrooms to his newfound partners.

[8:54:56 PM] Levity: "Man, I knew four was bad luck..."

[8:55:05 PM] Levity: "Ugh, who am I kidding."

[8:55:06 PM] Andrew Cornell: I take one, thanking Miles for the Shroom

[8:55:22 PM] Cary Concoby: "Sure thing... Rammen, right?"

[8:55:23 PM] Lewot: (Incidentally, I was thinking that this is essentially the medieval Mushroom Kingdom, before Toads and Koopas displaced humans as the dominant species. That explains the Mario items.)

[8:55:29 PM] Levity: She stares at the floor for a minute.

[8:55:32 PM] Cary Concoby: (Whatever works)

[8:55:39 PM] Andrew Cornell: "That's my name!"

[8:55:57 PM] Levity: "Llllll--ll--Levan, it's short for my actual name."

[8:56:00 PM] Lewot: So everyone but Miles now has a Super Shroom.

[8:56:19 PM] Andrew Cornell: I walk over to the crate, saying, "Glad to hear it, Levan!"

[8:56:23 PM] Andrew Cornell: ^other

[8:56:28 PM] Levity: "You can do what you will with me, I guess--oh..."

[8:56:45 PM] Levity: "Sorry, I can't really pick locks. I guess you have that covered already, though."

[8:56:55 PM] Cary Concoby: Miles gives Levan a smile, happy to hear her open up. "Nice to meet you."

[8:57:03 PM] Cary Concoby: "Don't worry, we're all on the same side here, remember?"

[8:57:09 PM] Levity: She slides over to the others, more eager this time.

[8:57:36 PM] Cary Concoby: Miles turns his attention over to the lock on the second crate, and reaches for the hairpin...

[8:57:47 PM] Cary Concoby: only to find that it's not in his pocket.

[8:57:55 PM | Edited 8:58:02 PM] Cary Concoby: "Dang, I must've dropped it somewhere..."

[8:58:05 PM] Andrew Cornell: I look at Miles and say, "I might be able to handle this."

[8:58:54 PM | Edited 8:58:58 PM] Jared: "Hm.." Jay ponders the room he was looking in, but shuts the door, turning his attention back to the others and approaching them as they were attempting to break into the crates.

[8:59:22 PM] Lewot: Oh, sorry, I missed you looking in the door.

[8:59:26 PM] Andrew Cornell: I examine the lock for a moment, working to figure out how best to approach this

[8:59:40 PM] Lewot: The other room contained a bunch of kegs.

[8:59:49 PM] Cary Concoby: Miles starts searching the floor around the first crate for the missing hairpin.

[9:00:50 PM] Cary Concoby: having no luck, he strips off his heavy gloves and searches his back pockets for a spare.

[9:00:59 PM] Jared: "So guys, the room there's chock full of kegs of booze. Just thought I'd let you know." The hyena watched as they searched for a hairpin.

[9:01:05 PM] Levity: "Oh, I have a hairpin."

[9:01:16 PM] Lewot: Teamwork!

[9:01:18 PM] Andrew Cornell: I decide to try and break the inner locking mechanism with my psychic powers

[9:01:24 PM] Cary Concoby: Miles perked up. "No kidding! Could I borrow it for just a minute?"

[9:01:33 PM] Andrew Cornell: but then I overhear the hairpin comment and decide to back off

[9:01:56 PM] Cary Concoby: (lol, everyone's waiting to see what everyone else says)

[9:02:24 PM] Levity: She hands off the hairpin to Miles with a graceful motion.

[9:02:39 PM] Andrew Cornell: I move out of the way for Miles

[9:02:52 PM] Cary Concoby: Miles plucks the hairpin from Levan's fingers and examines it.

[9:02:52 PM] Levity: "Yeah, sorry, I have quite a few! I never use them much though, you can tell by how amazing my hair is."

[9:03:11 PM] Cary Concoby: "Hmm... Yeah, this should work. It's a bit different from the kind my mom uses, but I think I can manage."

[9:03:26 PM] Lewot: The sunlight glints off of Levan's hair through the crack in the door by the stairs.

[9:03:53 PM] Andrew Cornell: I laugh at Levan's comment, complimenting, "It's certainly very shiny!"

[9:03:57 PM] Cary Concoby: Miles kneels down in front of the second crate and starts trying to pick the lock.

[9:04:14 PM] Lewot: The lock is identical to the first one. You manage to get it open.

[9:04:18 PM] Lewot: The second crate contains...

[9:04:31 PM] Lewot: Three Dried Shrooms. Looks like this one's been here too long.

[9:04:57 PM] Levity: "I wonder if these kind of things could be used for cooking..."

[9:05:02 PM] Cary Concoby: Miles checks the expiration date on the side of the crate. The date printed was approximately five months ago.

[9:05:09 PM] Levity: "Maybe grind them up for something."

[9:05:21 PM] Levity: "Aged food is nnnice, right?!"

[9:05:26 PM] Andrew Cornell: I look at the contents and remark, "I've already got one of those myself, if you all want to split that amongst yourselves."

[9:05:38 PM] Jared: Jay takes a look in the crate, only to see the disappointing spoils that were contained within the crate. But they were better than nothing. "So then, who'll be having these?"

[9:05:49 PM] Andrew Cornell: I comment, "Oh certainly, Dried Shrooms are plentiful and tasty!"

[9:05:49 PM] Cary Concoby: Taking Levan's comment into consideration, Miles scoops them out of the crate.

[9:06:23 PM] Cary Concoby: "I'll take one, I guess. I don't really need much, I have the Honey Shroom my mom sent me."

[9:06:41 PM] Levity: "I'll carry how many you want me to~"

[9:06:42 PM] Levity: "

[9:07:24 PM] Jared: Jay politely takes one of the Dried Shrooms from Miles, "I'll have one of these, if you don't mind."

[9:07:36 PM] Cary Concoby: "Of course not!"

[9:07:41 PM] Andrew Cornell: I decide to investigate the room of kegs

[9:07:52 PM] Cary Concoby: Miles pockets one of the remaining Dried Shrooms and hands the other off to Levan

[9:07:56 PM] Lewot: Rammen goes into the keg room.

[9:08:30 PM] Lewot: The attic had lights. It's medievalish, but they've invented lights.

[9:08:36 PM] Lewot: The lights in the keg room are off.

[9:08:46 PM] Lewot: There are no windows in either room.

[9:08:49 PM] Jared: Jay smiles, holding the Dried Shroom over his head Zelda-style before placing it into his inventory. He followed his compatriot into the keg room.

[9:09:06 PM] Cary Concoby: Miles peers into the darkened keg room. "Anyone got matches or something?"

[9:09:08 PM] Andrew Cornell: I look for a lightswitch along the walls

[9:09:18 PM] Levity: (My roommate's listening to some amazing music right now)

[9:09:20 PM] Lewot: The switch is just by the door.

[9:09:21 PM] Cary Concoby: "Do the lights even work?"

[9:09:26 PM] Andrew Cornell: I test the switch

[9:09:30 PM] Cary Concoby: (Yeah, like what?)

[9:09:34 PM] Lewot: The lights flicker on.

[9:09:42 PM] Levity: (Just something really catchy)

[9:09:43 PM] Lewot: You still only see kegs.

[9:09:49 PM] Andrew Cornell: "Looks like we won't be needing that match then," I say

[9:10:00 PM] Andrew Cornell: I look around the kegs

[9:10:11 PM] Cary Concoby: "Didn't Dr. Unk say that a supplier was up here somewhere?"

[9:10:24 PM] Cary Concoby: "All I see is booze."

[9:10:43 PM] Lewot: There kegs are basically up against the walls. You see another Dried Shroom behind one on the right side.

[9:10:48 PM] Andrew Cornell: "I believe he said the supplier was on the roof," I reply,

scowering through the kegs, "so maybe there's a way up somehow that doesn't involve blasting them."

[9:11:02 PM] Andrew Cornell: "Well, blasting through the roof at least"

[9:11:13 PM] Andrew Cornell: I pick up the Dried Shroom and put it in my inventory

[9:11:26 PM] Andrew Cornell: "Found another Dried Shroom," I say

[9:11:29 PM] Cary Concoby: Miles bounds over into the keg room to catch up with his team.

[9:11:58 PM] Lewot: Behind a keg on the left side, you find a bean. It's not too dried out.

[9:12:07 PM] Levity: Levan slides in behind Miles.

[9:12:17 PM] Levity: "Oooh... it's really cute..."

[9:12:23 PM] Levity: "Is that a beaaan??"

[9:12:40 PM] Levity: "Will it grow into something if I plant it?"

[9:12:56 PM] Andrew Cornell: Levan strikes me as a funny little person :P

[9:12:58 PM] Cary Concoby: "I dunno, probly. What would you plant it in?"

[9:13:15 PM] Jared: "Who knows?" Jay answered, picking up the bean that was found and handing it to Levan. "There, if you want."

[9:14:07 PM] Cary Concoby: Miles feels a breeze blowing through the holes in the stack of kegs on the far wall.

[9:14:28 PM] Levity: "Ooooh, I want to plant it somewhere. But it has to be special! Maybe I'll find a plant pot later or something."

[9:14:56 PM] Jared: Jay chuckled, "I think travelling with you all will be quite a nice experience."

[9:15:04 PM] Lewot: The breeze turns out to be a ghost.

[9:15:14 PM] Lewot: Ghost "Go through the other door."

[9:15:32 PM] Levity: "OH GOD"

[9:15:37 PM] Cary Concoby: Miles, unperturbed by the ghost's appearance, asks "Where's the other door?"

[9:15:44 PM] Levity: "Wait, do we have a god?"

[9:15:57 PM] Lewot: Ghost "It was right across from the stairs, genius."

[9:16:09 PM] Andrew Cornell: "Good gravy!"

[9:16:14 PM] Levity: Hey, ghost, do we have a god?

[9:16:16 PM] Levity: ""

[9:16:29 PM] Cary Concoby: Miles leans his head out the keg room's door, and spots the other doorway the ghost mentioned.

[9:16:34 PM] Cary Concoby: "...huh."

[9:16:40 PM] Lewot: Ghost "You appear to have only a lance, a sword, a bow, and some edible msuhrooms.

[9:16:43 PM] Lewot: "

[9:16:59 PM] Andrew Cornell: "A ghastly ghoulie appears, but it helps us on our merry way!"

[9:17:07 PM] Jared: "Whoa!" Jay unsheaths hsi claws upon Levan's loud reaction to the ghost, only to realise it was giving directions. "Oh yeah, hey. That door. Guess we should get going before it gets too late."

[9:17:18 PM] Lewot: The ghost looks like one of those little ghosts that you make out of napkins.

[9:17:30 PM] Lewot: Only real.

[9:17:31 PM] Cary Concoby: (Napkin Ghost!)

[9:17:37 PM] Levity: (I might have to sleep soon eee)

[9:17:50 PM] Lewot: It floats through the wall, leaving the room.

[9:18:11 PM] Andrew Cornell: "Perhaps there will be more ghosts along the way to help us further! But in the meantime..."

[9:18:18 PM] Cary Concoby: (let's try and get through our first battle at least, Lev)

[9:18:32 PM] Andrew Cornell: Pointing dramatically to the other door, I say, "Let's go for that door!"

[9:18:52 PM] Lewot: You all head toward the other door?

[9:19:05 PM] Andrew Cornell: (I think that's the gist of it)

[9:19:16 PM | Removed 9:19:24 PM] Cary Concoby: This message has been removed.

[9:19:29 PM] Cary Concoby: Whoops

[9:19:46 PM] Cary Concoby: Miles starts to leave the room, but a sparkle on the ground catches his eye

[9:19:49 PM] Jared: Jay heads towards the other door.

[9:20:21 PM] Lewot: I assume Miles investigates the sparkle?

[9:20:31 PM | Edited 9:20:39 PM] Cary Concoby: Miles leans down to investigate the sparkle.

[9:20:31 PM] Andrew Cornell: I, Rammen, also head towards the door

[9:20:52 PM] Lewot: Jay and Rammen reach the door. Open, I assume?

[9:21:00 PM] Jared: Open.

[9:21:07 PM] Andrew Cornell: open it up!

[9:21:08 PM] Lewot: Jay opens the door

[9:21:15 PM] Lewot: sunlight streams in

[9:21:25 PM] Jared: Survey all that is before me.

[9:21:57 PM] Lewot: It leads to the roof

[9:22:09 PM] Lewot: not of the room you were in, obviously, but of the lower tavern.

[9:22:34 PM] Lewot: To your left, you see a wooden ladder going up to the higher roof.

[9:22:46 PM] Lewot: There doesn't seem to be anything on the lower roof.

[9:22:53 PM] Cary Concoby: Miles spots a shiny object lying next to one of the kegs

[9:23:19 PM] Jared: Jay would look to Rammen, then back to the ladder, "Welp, guess there's only one way to go."

[9:23:28 PM] Jared: Jay would begin climbing said ladder.

[9:23:34 PM] Lewot: Indeed.

[9:23:45 PM] Lewot: What are you shining about, Miles?

[9:24:02 PM] Cary Concoby: That sparkle that I saw earlier?

[9:24:04 PM] Levity: "That would be my hair, yeah."

[9:24:24 PM] Lewot: But I don't know what it is you want it to be

[9:24:26 PM] Andrew Cornell: I nod to Jay, but decide to investigate the lower roof

[9:24:34 PM] Cary Concoby: I was hoping you had an idea.

[9:24:48 PM] Levity: "My hair, silly~

[9:24:49 PM] Levity: "

[9:24:53 PM] Andrew Cornell: (I thought it might be your lost hairpin XD)

[9:25:08 PM] Cary Concoby: (I lost it before I went into the keg room, though.)

[9:25:16 PM] Lewot: Well, the ghost moved it.

[9:25:20 PM] Andrew Cornell: (could've kicked it in there, though)

[9:25:24 PM] Andrew Cornell: (or that, that works too)

[9:25:35 PM] Cary Concoby: "Hey, my hairpin!"

[9:25:46 PM] Andrew Cornell: investigating the lower roof

[9:25:54 PM] Lewot: Jay climbs up to the higher roof. There's a robed man sitting up there, his feet hanging off the side.

[9:25:58 PM] Lewot: The lower roof...

[9:26:10 PM] Lewot: has nothing of interest

[9:26:14 PM] Lewot: except

[9:26:24 PM] Lewot: some graffiti.

[9:26:33 PM] Cary Concoby: Miles puts his hairpin back into his shirt pocket, turns off the lights in the keg room, then bounds out the door

[9:26:36 PM] Lewot: It's a strange symbol you don't recognize.

[9:27:06 PM] Lewot: <http://t1.gstatic.com/images?q=tbn:ANd9GcRBLDjblQxTij8ARdU-CrNmskegvPUgJGwb1yZcna9hNnwNnIgmXUSPyXoc-g>

[9:27:07 PM] Cary Concoby: It would seem that whoever was last to climb the ladder up to the roof accidentally broke it

[9:27:20 PM] Cary Concoby: (I lol'd)

[9:27:39 PM] Andrew Cornell: hmm, maybe I'll remember that later

[9:27:41 PM] Cary Concoby: Miles braces himself, his gloved palms facing downward, and counts to three

[9:27:45 PM] Cary Concoby: "One..."

[9:27:48 PM] Cary Concoby: "two..."

[9:28:10 PM] Andrew Cornell: in the meantime, I watch Miles counting

[9:28:25 PM] Cary Concoby: "Three!" Miles creates a small gust that propels him upwards, and lands neatly on his feet next to his companions on the roof.

[9:28:42 PM] Jared: Jay approaches the robed man, but stops halfway along the roof. His memory didn't server him very well, especially in the short term, and he couldn't recall the bartender's name... Other than that Unk part, which he thought was pretty funny.

[9:28:47 PM] Lewot: (Using his Platform stat of 7.)

[9:28:58 PM] Lewot: The robed man turns slowly.

[9:29:11 PM] Levity: Didn't server him.

[9:29:11 PM] Lewot: ??? "Why hello there."

[9:29:12 PM] Levity: Hehehe

[9:29:26 PM] Andrew Cornell: impressed by Miles, I try and figure a way to get to the roof now that the ladder's broke

[9:29:27 PM] Lewot: Levan and Rammen are still stuck on the lower roof.

[9:29:50 PM] Levity: (Yeah, I didn't want to be up after 12 but my laundry still isn't done so there goes that I:)

[9:29:59 PM] Cary Concoby: (damn laundry)

[9:30:09 PM] Levity: Can Levan use her skill?

[9:30:13 PM] Lewot: Try it :3

[9:30:14 PM] Levity: here, I mean

[9:30:21 PM] Levity: Okay.

[9:30:23 PM] Cary Concoby: This seems like the perfect time to introduce it

[9:30:30 PM] Levity: "RAMMEN, I CHOOSE YOU"

[9:30:49 PM] Andrew Cornell: "...for what now?"

[9:30:57 PM] Levity: She grabs onto him and shouts something in Spanish.

[9:31:11 PM] Andrew Cornell: "OH GREAT BALLS OF FIRE"

[9:31:16 PM] Lewot: Levan uses her mysterious abilities to reduce her an Rammen's Weight stats to 1. At that point, the Napkin Ghost returns and blows wind out of his mouth, blowing them both up to the higher roof.

[9:31:40 PM] Levity: "We... lift!"

[9:31:41 PM] Andrew Cornell: "What in the world just happened?" I ask as I fly up to the higher roof"

[9:32:00 PM] Cary Concoby: Miles claps his gloved hands together, impressed by Levan's apparent ability.

[9:32:02 PM] Jared: "Oh, hello sir. The bartender had sent us to the roof here to see you. I believe his name was something like... Theodore Unk? My memory is not that well..." Jay explained to the old man, a little bit nervous.

[9:32:02 PM] Lewot: Napkin Ghost "Haha. That was fun." He flies away into the sunset.

[9:32:29 PM] Andrew Cornell: "I felt so light...and airy!"

[9:32:34 PM] Lewot: Robed Man "Yess... The Barman."

[9:32:40 PM] Levity: ": D"

[9:33:00 PM] Lewot: "Are you strangers... going to fight monsters?"

[9:33:08 PM] Lewot: (He has kind of a creepy voice.)

[9:33:13 PM] Cary Concoby: "That was kinda the plan."

[9:33:15 PM] Andrew Cornell: I look over and see the others and the robed creepy-voiced man

[9:33:38 PM] Jared: Jay was unsettled by the man's voice, but nodded, "Aye, we were going out to slay some monaters."

[9:34:21 PM] Lewot: Robed Man "Yesss... For creature crushing, I have an item that may prove handy..."

[9:34:35 PM] Lewot: He reveals a green book from under his robe.

[9:34:49 PM] Lewot: "This book... will tell you about the dangers you face. Knowledge is power, eh?"

[9:35:14 PM] Andrew Cornell: I nod, "Indeed, knowledge is most certainly a valuable asset in our quest."

[9:36:03 PM] Jared: Jay nodded, "Thank you sir... Unfortunately I cannot read English, only speak it... It'd be better off with one of you guys."

[9:36:14 PM] Jared: He turned to the other three.

[9:36:18 PM] Cary Concoby: Miles reaches for the book.

[9:36:38 PM] Lewot: Robed Man "Yess, partake... I can part with it for a mere, say... 20,000 Gold?"

[9:36:57 PM] Cary Concoby: ...and lets out a low whistle. "That's a lot of gold."

[9:37:09 PM] Andrew Cornell: I stumble over at the sound of the price

[9:37:16 PM] Lewot: (100 Gold is equal to 1 Mushroom Coin =P)

[9:37:32 PM] Cary Concoby: Miles reaches for his coin pouch and counts his money. 1,000 Gold.

[9:37:43 PM] Andrew Cornell: I check my pockets and find 10,000 Gold

[9:37:52 PM] Levity: "Do I have money?"

[9:38:00 PM] Levity: "You guys decide! You know my name!"

[9:38:01 PM] Levity: "

[9:38:06 PM] Lewot: <https://sites.google.com/site/hannabartpekopon/home/game-2/player->

characters/start-levan

[9:38:39 PM] Jared: Jay checked his pockets, finding 19,000 Gold. "Well hey, I've got quite a bit of money here. We can pool it together to buy it."

[9:38:45 PM] Levity: 19,000 gold.

[9:38:49 PM] Cary Concoby: Miles was a bit hesitant.

[9:38:59 PM] Cary Concoby: "I don't really get a lot of money."

[9:39:19 PM] Lewot: Who wants to spend how much?

[9:39:26 PM] Levity: "Oh, well, see, I am what you want me to be! But I don't know if I can read English too well, either. I can try!"

[9:39:26 PM] Andrew Cornell: I look at Miles' loot and compare it with the others. "You sure don't," I note.

[9:39:49 PM] Lewot: You could also jump the guy and see if you can kill him, but I don't recommend it =P

[9:39:58 PM] Levity: "I can part with... 9,000?"

[9:40:09 PM] Cary Concoby: "If we split this four ways, could one of you spot me? I promise I'll pay you back, and I'll handle the book."

[9:40:56 PM | Edited 9:41:05 PM] Jared: "I'll pitch in with 10,000 then. I've got money to spare. We just need a thousand more, now."

[9:41:07 PM] Lewot: (I'm not great with money, so we won't have to do a lot of these.)

[9:41:32 PM] Andrew Cornell: "In that case, let me take care of the rest, and if you want, Miles, you can pay me back 500."

[9:41:36 PM] Andrew Cornell: Isay

[9:41:55 PM] Cary Concoby: (Miles and Rammen have the highest Knowledge stats, it would make sense for one of us to carry it)

[9:42:03 PM] Cary Concoby: "Deal."

[9:42:10 PM] Andrew Cornell: I add my 1000 to the pool

[9:42:26 PM] Cary Concoby: Miles splits up half of his money and hands it off to Rammen.

[9:42:39 PM] Andrew Cornell: I pocket Miles' money with my own

[9:43:02 PM] Lewot: Robed Man "Excellent... Take your prize."

[9:43:09 PM] Lewot: He hands the book to Miles.

[9:43:28 PM] Cary Concoby: Miles takes the book from the strange robed man and starts leafing through it. Some of the drawings and descriptions were quite gruesome.

[9:43:29 PM] Levity: "IT'S A LI-BOOK"

[9:43:36 PM] Levity: "IT'S A BOOK GUYS"

[9:43:51 PM | Edited 9:44:11 PM] Cary Concoby: *Miles got the Monster Index! It was added to his Inventory!*

[9:43:51 PM] Andrew Cornell: I laugh and pat Levan's head, saying, "Yes it is."

[9:44:02 PM] Levity: "Are there dead people in there?"

[9:44:16 PM] Lewot: Robed Man "If you need anything else, I may be able to provide..."

[9:44:40 PM] Cary Concoby: Miles checks the table of contents. "There's a whole section on undead monsters, yeah."

[9:45:14 PM] Jared: Jay looked at the book, a bit disheartened that he couldn't really make out any of the words in the table of contents.

[9:45:47 PM] Andrew Cornell: I note Jay's look and suggest, "Perhaps we could help you learn to read some of this."

[9:46:02 PM] Cary Concoby: "Hey, yeah! Good idea, Rammen!"

[9:46:11 PM] Levity: "Oh..."

[9:46:36 PM] Levity: "I wish I could help too but Spanishhhh..."

[9:46:59 PM] Jared: Jay smiled at Rammen, "Aye... That would be wonderful. Thank you, guys. I made a good choice in companions."

[9:47:07 PM] Andrew Cornell: I laugh again and say, "We're sure to help you out too, Levan!"

[9:47:33 PM] Levity: "B--but I want to help aaah D: !"

[9:47:39 PM] Cary Concoby: "But in return, could you teach us a bit of Spanish? I've always wanted to learn another language." Miles winked at his partner.

[9:48:06 PM] Lewot: Robed Man "If you wish to begin your quest... you can make your way down here." He points down the side of the roof.

[9:48:13 PM] Andrew Cornell: I chuckle, "Sounds like a fair trade!"

[9:48:27 PM] Andrew Cornell: I look over to the side of the roof the robed man points to

[9:48:51 PM] Lewot: There's another ladder down that side, going to ground level.

[9:49:04 PM] Lewot: The lower part of the roof doesn't wrap around to this side.

[9:49:18 PM] Andrew Cornell: the thought occurs to me, and I ask the robed man, "By the way, why are you up here?"

[9:49:57 PM] Lewot: Robed Man "Me? I find this the most convenient place to do business without being bothered by monsters myself. Except the occasional Napking Ghost..."

[9:50:21 PM] Levity: "Is that a robe or just a really long towel?"

[9:51:07 PM] Lewot: Robed Man "It's a special robe... it protects me from harm."

[9:51:16 PM] Andrew Cornell: "The Napking Ghost?"

[9:51:38 PM] Cary Concoby: Miles looks down at ladder the robed man had gestured to.

[9:52:03 PM] Lewot: Robed Man "Ah, I misspoke. Napkin Ghost. That's their name... yesss."

[9:52:07 PM] Jared: Jay chuckles, "Well then thank you sir." Jay peered over the edge of the roof before swinging around to get proper footing on the ladder to slide down the rails of it to ground level.

[9:52:10 PM] Cary Concoby: "No sense wasting time. Let's goooooo!" He tucked the book under his arm and slid down the ladder.

[9:52:27 PM] Cary Concoby: ...inadvertantly bumping into Jay, who had just set foot at the bottom.

[9:52:33 PM] Lewot: Yes.

[9:52:38 PM] Cary Concoby: "Oof, sorry about that..."

[9:53:33 PM] Andrew Cornell: I look skeptically back at the robed man, pointing at him and saying, "I'm keeping an eye out for you," and then leap off the roof without any usage of the ladder

[9:53:54 PM] Levity: "Ooooh, that looks like fun!"

[9:53:59 PM] Andrew Cornell: and land right on a coop of chickens, accidentally crushing one

[9:54:15 PM] Levity: Levan jumps after him, a breeze blowing by at the same moment.

[9:54:20 PM] Cary Concoby: "Aww, not the chickens... Poor guy."

[9:54:36 PM] Andrew Cornell: I look up as Levan floats, remembering that I'd forgotten she could do that

[9:54:43 PM] Lewot: Alright, the chicken breaks your fall, so you don't take any damage. And Levan drifts down, unharmed, thanks to her powers.

[9:55:05 PM] Jared: Jay nearly lost his grip on the ladder as he was bumped into, but managed to

hang on until he reached the ground, moving out of the way of Miles.

[9:55:16 PM] Andrew Cornell: and then I look at the chicken I've crushed, swatting the others away and cursing them off, hold up the dead chicken, and call out, "Looks like we've got dinner whenever!"

[9:55:23 PM] Lewot: Curiously, nobody comes running out yelling about the dead chicken.

[9:55:28 PM] Levity: "CHICKEN D:"

[9:55:40 PM] Cary Concoby: Miles makes a face like he's in pain at Rammen's remark.

[9:55:41 PM] Levity: "Q--qqquat have you done?"

[9:55:47 PM] Andrew Cornell: "Anyone want any?"

[9:56:09 PM] Cary Concoby: "I suppose... I mean, I don't usually eat birds..."

[9:56:31 PM] Andrew Cornell: "Oh? Not a fan of bird meat?" I ask

[9:57:06 PM] Cary Concoby: "I've had too many pet birds, I just can't do it. All birds are friends to me..."

[9:57:34 PM] Lewot: The chicken coop is next to a house... This is before mass-production, so all the houses don't look identical. However, they are all the same style, and basically wooden and boring to look at.

[9:58:04 PM] Lewot: The ladder actually came down on the front side of the bar.

[9:58:06 PM] Levity: "I don't like eating it by itself. Hmm..."

[9:58:13 PM] Andrew Cornell: I narrow my eyes at Miles and ask pointedly, "/All/ of them?"

[9:58:16 PM] Levity: "We have a chicken and some driedmushrooms..."

[9:58:45 PM] Cary Concoby: "Well, pretty much. I mean, some of the larger ones are kinda mean..."

[9:59:15 PM] Lewot: In front of the bar is kind of a town square. There's a stone statue in the middle.

[9:59:18 PM] Andrew Cornell: I raise an eyebrow, but maybe I'll tell him another time

[9:59:33 PM] Andrew Cornell: "Oh fine," I say, "still gonna cook this one...somehow..."

[9:59:46 PM] Lewot: You can attempt to cook it.

[9:59:57 PM] Lewot: You can use PK Fire =P

[10:00:20 PM] Levity: LEvan goes to search around a bit.

[10:00:23 PM] Levity: E

[10:00:27 PM] Levity: ñ

[10:00:50 PM] Andrew Cornell: (lol, I wanna cast a spell XD)

[10:00:58 PM] Jared: Jay chuckled, "I can eat a whole chicken like that in one sitting."

[10:01:18 PM] Andrew Cornell: "Hehehe, maybe I should grab another then," I say with a sly grin.

[10:01:31 PM] Andrew Cornell: In the meantime, I focus on the chicken in my hands and use PK Fire on it

[10:01:54 PM] Cary Concoby: Miles turns away while Rammen roasts the dead chicken, letting out a slight shiver.

[10:02:04 PM] Lewot: Rammen uses PK Fire!

[10:02:08 PM] Jared: Jay smirked, "As nice as that sounds, I'd prefer not to get confused with an actual monster stealing chickens."

[10:02:14 PM] Cary Concoby: He starts to follow Levan as she searches the square.

[10:02:35 PM] Levity: "You want to look with me?"

[10:02:51 PM] Cary Concoby: "Sure! There's gotta be some monsters around here somewhere..."

[10:03:01 PM] Lewot: The cooked chicken doesn't come out so well. It's a Mistake.

[10:03:36 PM] Jared: "Aye," Jay would unsheath his sword, ready in case of a monster attack, he would follow Levan as well.

[10:04:10 PM] Andrew Cornell: I look at the chicken curiously. "Guess I should work on that a little more," I murmur.

[10:04:35 PM] Levity: Levan's lance seems to fall out of thin air into her hand. She jumps in excitement, still floating a little.

[10:05:00 PM] Lewot: As the rest of you circle around the statue, you can make it out more clearly. It's an armored knight--the bulky Fire Emblem kind--and a Pegasus Knight, which also has the word knight but is not armored.

[10:05:27 PM] Lewot: Well, not heavily armored.

[10:05:40 PM] Lewot: But wearing regular knight-in-shining-armor type armor.

[10:05:55 PM] Lewot: Skinnier than the bulky knight.

[10:05:57 PM] Andrew Cornell: I look over and catch up to the rest of my guys!

[10:06:14 PM] Lewot: There are words engraved on the bottom of the statue.

[10:06:38 PM] Lewot: All the buildings around the statue seem to face toward it.

[10:06:45 PM] Lewot: Also, it looks pretty new.

[10:06:53 PM] Levity: Levan looks to see what the words say.

[10:06:58 PM] Levity: ... Even though she can only read a few.

[10:07:09 PM] Levity: If they're in English.

[10:07:13 PM] Cary Concoby: Miles leans forward to read the engraving.

[10:07:20 PM] Lewot: They are in English =P

[10:07:22 PM] Lewot: It says

[10:07:55 PM] Lewot: "Sir Abram, hero of Trelvet, and his loyal aide Pidentski."

[10:08:09 PM] Lewot: It seems kind of brief for all the setup.

[10:08:43 PM] Cary Concoby: Miles looks up at the Pegasus Knight with a look of adoration

[10:09:01 PM] Cary Concoby: "Maybe someday I could ride a Pegasus..."

[10:09:15 PM] Levity: "I was thh--thinking the same thing..."

[10:09:43 PM] Lewot: You're not entirely sure which of the two is Abram and which is Pidentski.

[10:10:22 PM] Lewot: Anyway, the statue is facing away from the bar, toward an arch that leads out of town.

[10:10:29 PM] Lewot: We'll call that south.

[10:10:37 PM] Cary Concoby: Miles peers south towards the arch.

[10:11:02 PM] Lewot: You can explore the town, or leave. You don't know what will happen either way.

[10:11:18 PM] Lewot: North, south, east, west...

[10:11:31 PM] Cary Concoby: "What do you guys think? Should we head out looking for monsters?"

[10:12:20 PM] Jared: "Aye, we should look for some monsters soon." Jay agreed, staring a bit at the statue.

[10:12:47 PM] Cary Concoby: "I say we head south. A lot of monsters have come past that archway."

[10:13:10 PM] Jared: Jay nodded.

[10:13:30 PM] Andrew Cornell: "I concur!" I call out

[10:13:38 PM] Levity: (I really should sleep now)

[10:13:45 PM] Lewot: You want to end here?

[10:13:52 PM] Cary Concoby: (aww, c'mon, we gotta be coming up on our first battle soon)

[10:14:06 PM] Levity: (if I oversleep again and miss my presentation I'm going to kick myself)

[10:14:21 PM] Levity: (I missed a class by oversleeping already and got two hours of sleep last night)

[10:14:22 PM] Lewot: I am the one who always tells her to get more sleep.

[10:14:27 PM] Jared: Jay saves the game.

[10:14:44 PM] Lewot: Right, let's put a Save Block in front of the statue. Jay hits it.

[10:14:50 PM] Jared: Woo.

[10:15:03 PM] Lewot: Also a Heal Block, but none of you are hurt.

[10:15:21 PM] Andrew Cornell: lol, alright then

[10:15:24 PM] Lewot: Well, eh, considering the bar has an Inn... no Heal Block.

[10:15:41 PM] Lewot: But, okay.

[10:15:53 PM] Lewot: What does everybody think?

[10:16:03 PM] Lewot: It did take longer than I thought to get past that.

[10:16:05 PM] Andrew Cornell: so far so good! :)

[10:16:12 PM] Jared: I think it's all good so far.

[10:16:17 PM] Cary Concoby: I wish we could've gotten to some battling, but pretty sound thus far.

[10:16:39 PM] Lewot: I just hope there's a way to save this that'll include who's saying which messages...
