

[9:13:31 PM] Lewot: Well
[9:14:00 PM] Lewot: let's just bust it out
[9:14:04 PM] Lewot: uhhh
[9:14:12 PM] Lewot: you're right under the Save Block
[9:14:22 PM] Lewot: I'll assume you proceed into the clearing.
[9:14:44 PM] Lewot: As we've established, it looks like a wooden replica of the top part of a turnip is growing out of the ground.
[9:14:50 PM] Lewot: It's rather large.
[9:15:03 PM] Lëvîty: tree murderer
[9:15:04 PM] Lewot: The two wooden leaves begin to spin like propellers.
[9:15:19 PM] KV: Miles pulls his goggles down over his eyes. This is gonna be rough.
[9:15:21 PM] Lewot: The machine starts to rise out of the ground.
[9:15:29 PM] Lewot: It bursts out!
[9:15:50 PM] Lëvîty: "Treeee murdereeeerr"
[9:15:57 PM] Lewot: Now, the path behind you doesn't close, but you don't really have any way to get back up the fally pit, anyway, so you can't run from this battle.
[9:16:16 PM] Lewot: Where's my sheet...
[9:16:26 PM] KV: <http://www.youtube.com/watch?v=JDv5xhqq7Iw>
[9:16:46 PM] Lewot: Jay~ FHP 5/5, HP 35/35, VP 35/35, MP 5/5, Attack +1 (1), Magic +1 (1), Brain +1 (1)
Levan~ HP 30/30, VP 40/40, MP 5/5, Attack +1 (1), Magic +1 (1), Brain +1 (1)
Miles~ HP 30/30, VP 15/15, MP 30/30, Attack +1 (1), Magic +1 (1), Brain +1 (1)

vs.

Turnip Mech~ ???

[9:16:54 PM] Lewot: Enemy Phase!
[9:17:22 PM] Lewot: The Turnip Mech looks like a giant wooden Travis, but with thin wooden limbs attached to large feet and hands.
[9:17:30 PM] Lewot: It uses Turnip the Shields!
[9:17:39 PM] Lewot: It generates a forcefield around itself!
[9:17:49 PM] Lewot: This doesn't look like a normal Shield benefit.
[9:17:59 PM] Lewot: Not that you've encountered one =P
[9:18:01 PM] Lewot: Player Phase
[9:18:20 PM] KV: "Ram! See if the Turnip Mech is in your Bestiary!"
[9:18:33 PM] Andrew Cornell: "This is one diabolical mech," I say as I look through the Bestiary for a possible entry.
[9:18:44 PM] KV: (Not that it makes any sense for it to be in there, but hey, Goombella could look up stuff like Magnus von Grapple and the Shadow Queen)
[9:19:46 PM] Andrew Cornell: "Well I'll be, there's an entry in here for that devilish mechanization!"
[9:20:00 PM] Andrew Cornell: "You don't think Travis has used it before, has he?"
[9:20:18 PM] Andrew Cornell: "...then again, Tommy and Terry have been looking for him for a while, so it's certainly possible."

[9:20:48 PM] Jay the Ramrod of Wrong: Whoa what we started
[9:20:53 PM] Andrew Cornell: "14 HP, 150 VP, 0 MP - obviously not magic-oriented."
[9:21:13 PM] Andrew Cornell: "A hefty 5 Atk though! And 1 Mag...and 19 Def!!!"
[9:21:19 PM] KV: "Wha- hang on, did you really say 14 HP?"
[9:21:23 PM] Lëvîty: "... What"
[9:21:25 PM] KV: "Oh, 19 Defense..."
[9:21:36 PM] Lëvîty: "How do you... ????"
[9:21:44 PM] Andrew Cornell: "This thing isn't going to go down easily, ya know. It's also Insane with -1 Bra!"
[9:22:38 PM] Andrew Cornell: "That forcefield ability summons up a 25 HP shield around him, which has 0 Defense on its own and isn't immune to psychic attacks unlike the Turnip Mech itself. Insanity's a pain in the brain."
[9:23:31 PM] Andrew Cornell: "The Mech can launch its fists as Turnipunches, stomp the ground to make roots shoot up at us, and vacuum up turnips in the ground to fire off at us! Oh the turnipanity!!!"
[9:23:58 PM] Andrew Cornell: "It's completely immune to every single element!...well, except for Plant, from it takes a +5."
[9:24:17 PM] Andrew Cornell: "The Mech itself is immune to Status problems as well!"
[9:24:37 PM] Andrew Cornell: "We'll have to worry about damaging that mech once we're done with its shield!"
[9:25:09 PM] Andrew Cornell: "The key strategy lies ahead! We'll have to figure out how to damage it once we're past its shield!"
[9:25:31 PM] Lewot: Jay~ FHP 5/5, HP 35/35, VP 35/35, MP 5/5, Attack +1 (1), Magic +1 (1), Brain +1 (1)
Levan~ HP 30/30, VP 40/40, MP 5/5, Attack +1 (1), Magic +1 (1), Brain +1 (1)
Miles~ HP 30/30, VP 15/15, MP 30/30, Attack +1 (1), Magic +1 (1), Brain +1 (1)
Rammen~ HP 30/30, VP 40/40, MP 5/5, Attack +1 (1), Magic +1 (1), Brain +1 (1)

vs.

Turnip Mech~ Shield 25/25, HP 14/14, VP 125/150, MP 0
[9:26:21 PM] KV: Miles nocks an arrow.
[9:26:29 PM] KV: "Welp, nothing for it but to drain that shield."
[9:26:34 PM] KV: Miles fires an arrow at the Turnip Mech.
[9:26:43 PM] Lewot: The shield takes 6 damage!
[9:26:51 PM] Lëvîty: Levan gets super excited and falls over.
[9:27:00 PM] Lewot: Also, the root attack misses flying characters.
[9:27:10 PM] KV: (Steel Arrows are C-level, right?)
[9:27:12 PM] Lewot: Yeah.
[9:27:35 PM | Edited 9:27:48 PM] Lëvîty: (Is that a casual hint or just something worth noting? Like does it do a lot of damage or something)
[9:27:46 PM] Lewot: Uh, lemme check
[9:28:25 PM] Lewot: well, its Attack is 5, and the root attack does x1 damage but hits everybody
[9:29:54 PM] KV: "Guys! C'mon!"
[9:30:17 PM] Lewot: We kinda jumped in without telling Jared

[9:30:35 PM] Andrew Cornell: (or anyone >_>)

[9:31:20 PM] Andrew Cornell: (still though, props for a cool boss!)

[9:32:24 PM] Andrew Cornell: (also, my thoughts on boss music:
<http://www.youtube.com/watch?v=OBN7R2lqXx4>)

[9:32:36 PM] Andrew Cornell: (I may or may not have been listening to Scott Pilgrim earlier)

[9:32:41 PM] KV: lolololol

[9:34:04 PM] Lëvítý: Uhhhh is it worth it to raise attack or just to attack for now and save VP? I think Levan will just attack

[9:34:36 PM] Lewot: Flame Lance?

[9:34:54 PM] Lëvítý: If that does the most damage, yes.

[9:35:15 PM] Lewot: Levan hucks the Flame Lance at the shield for 3 damage!

[9:39:45 PM] KV: (Jared, being unaware we started, is definitely not here. Also his status is set to Do Not Disturb)

[9:40:10 PM] Lewot: Yeah, he said he's busy

[9:40:25 PM] KV: (we should maybe have checked that before we jumped into it.)

[9:40:44 PM] Lewot: so, uh, Levan's Flame Lance slightly pierces the shield and presses a button on the Turnip Mech that stops time!

[9:40:51 PM] Lewot:

[9:42:26 PM] Andrew Cornell: (that's silly, who puts a time stop button on a giant mech? :P)

[9:42:31 PM] Lewot: Erm, the Flame Lance did 4 damage because of the support bonus.

[9:42:42 PM] KV: (it's probably intended to stop time for us characters)

[9:47:09 PM] Lewot: The universe hums frozenly.

[9:47:28 PM] KV: Miles Battle Saves.

[9:47:37 PM] KV: This isn't gonna go on anytime soon, if Jared's busy

[9:48:04 PM] Lewot: Well, sorry about that guys.

[9:48:24 PM] Lewot: I suppose you could use the time to figure out how to damage the Mech.

[9:48:49 PM] Lewot: It's, you know... rather appropriate, shall we say.

[9:48:59 PM] KV: I've got an idea, but I think I wanna leave it be for now

[9:49:33 PM] Lewot: Alright. I'll probably end up pasting the two sessions together.

[9:51:47 PM] Lewot: Erm, right, this conversation. What I was gonna say is, if we take this and the rest of the battle and count it as session 17, and then we do another one for 18, then that should make session 19 the one where Levity's mysteryman comes in.

[9:51:55 PM] Lewot: So that's rather... appropriate, as well

[9:51:56 PM] Lewot: .

[9:52:06 PM] KV: lol, awesome

[9:52:26 PM] Lewot: At least, it gives us the wiggle room.

[9:52:37 PM] Lewot: So this is a good thing, Jared :3

[9:52:49 PM] Lewot: For, uh, abstract numerical preferences, anyway.

* * *

[9:20:04 PM] Lewot: To review for Jared's sake: you went into the clearing and began fighting the Turnip Mech, which looks like a giant wooden replica of Travis with spindly arms and legs and large feet and hands.

[9:20:40 PM] Lewot: Bosses get to go first, so it generated a special shield around itself. The

shield has 25 HP, so you have to destroy that before you can hurt it.

[9:21:01 PM] Lewot: The Mech itself has various forms of defense, so there's supposed to be one specific way to damage it.

[9:21:12 PM] Lewot: But the shield takes damage from anything.

[9:21:16 PM] Lewot: Jay~ FHP 5/5, HP 35/35, VP 35/35, MP 5/5, Attack +1 (1), Magic +1 (1), Brain +1 (1)

Levan~ HP 30/30, VP 40/40, MP 5/5, Attack +1 (1), Magic +1 (1), Brain +1 (1)

Miles~ HP 30/30, VP 15/15, MP 30/30, Attack +1 (1), Magic +1 (1), Brain +1 (1)

Rammen~ HP 30/30, VP 40/40, MP 5/5, Attack +1 (1), Magic +1 (1), Brain +1 (1)

vs.

Turnip Mech~ Shield 15/25, HP 14/14, VP 125/150, MP 0

[9:21:28 PM] Lewot: Everyone else acted this turn, so just Jay left.

[9:21:36 PM] Lewot: You're still Fire Jay.

[9:21:49 PM] Jay the Ramrod of Wrong: Well in that case, a regular sword attack against the shield.

[9:22:04 PM] Lewot: Fire Jay slashes the shield with his Steel Sword for 4 damage!

[9:22:10 PM] Lewot: Enemy Phase

[9:22:18 PM] Lewot: the Turnip Mech fires off both its fists!

[9:22:28 PM] Lewot: These become Turnipunches, which join the battle.

[9:22:32 PM] Lewot: Player Phase.

[9:22:37 PM] Lewot: Your support bonuses wear off.

[9:22:51 PM] Lëvîty: Levan raises everyone's Attack!

[9:23:17 PM] KV: Miles pulls his goggles down over his eyes and approaches Jay, donning his magic gloves as he does so.

[9:23:22 PM] KV: Miles used Imbue on Jay's sword!

[9:23:34 PM] Lewot: Levan uses Vigorizamos!

[9:23:40 PM] Lewot: And the Imbue...

[9:24:00 PM] Lewot: What's #3?

[9:24:10 PM] KV: Thunder

[9:24:26 PM] Lewot: Jay's Steel Sword is imbued with the Thunder Element!

[9:24:46 PM] Andrew Cornell: Rammen checks the Bestiary on the Turnipunches

[9:24:51 PM] Andrew Cornell: gasp-AHHH!!

[9:27:10 PM] KV: (?)

[9:27:17 PM] Andrew Cornell: (he's checking)

[9:29:56 PM] Andrew Cornell: "Alright, those Turnipunches aren't particular strong in the defensive department. 2HP, no VP or MP."

[9:30:10 PM] Andrew Cornell: "1 Magic and Brain, 0 Defense, but a painful 10 Atk!!"

[9:30:26 PM] Andrew Cornell: "They only have one purpose: run into things and explode."

[9:30:48 PM] KV: "Aha. Maybe I should've waited before using Imbue."

[9:30:50 PM] Andrew Cornell: "They resist Soil and Water, cripple under Wind and Fire, but are immune to Plant."

[9:31:14 PM] Andrew Cornell: "It is considered flying, so those arrows would do well more than enough to beat them."

[9:31:40 PM] Lewot: Jay~ FHP 5/5, HP 35/35, VP 35/35, MP 5/5, Attack +3 (3), Thunder Imbued

Levan~ HP 30/30, VP 31/40, MP 5/5, Attack +3 (3)

Miles~ HP 30/30, VP 15/15, MP 25/30, Attack +3 (3)

Rammen~ HP 30/30, VP 40/40, MP 5/5, Attack +3 (3)

vs.

Turnip Mech~ Shield 11/25, HP 14/14, VP 125/150, MP 0

Turnipunch~ HP 2/2, VP 0, MP 0

Turnipunch~ HP 2/2, VP 0, MP 0

[9:32:15 PM] KV: (Jay should have an extra +1 Attack from the Imbue, provided that attack uses the Steel Sword)

[9:32:33 PM] Jay the Ramrod of Wrong: Jay uses a regular steel sword on one of the Turnipunches.

[9:33:04 PM] Lewot: Steel Sword of 4 + Increase of 3 + Imbue of 1 = 8 damage!

[9:33:09 PM] Lewot: The Turnipunch explodes in midair.

[9:33:30 PM] Lewot: Enemy Phase

[9:33:45 PM] Lewot: The other Turnipunch slams into Jay!

[9:33:57 PM] Lewot: Jay powers down from Fire form.

[9:34:08 PM] Andrew Cornell: "I did forget to mention one other thing - those Turnipunches won't regenerate for a turn, but they won't use up the Mech's turn to do so."

[9:34:56 PM] Lewot: The Turnip Mech lifts one giant foot.

[9:35:01 PM] Lewot: It stomps down hard on the ground!

[9:35:15 PM] Lewot: Sharp roots shoot up underneath the entire team!

[9:35:32 PM] Lewot: Everyone takes 3 damage except Miles, who takes 5.

[9:35:33 PM] Andrew Cornell: "Uofarfgh!!"

[9:35:43 PM] Lëvîty: "Oh."

[9:35:48 PM] KV: "Nngh!"

[9:36:17 PM] Lewot: Player Phase

[9:36:46 PM] Jay the Ramrod of Wrong: (This battle is oddly familiar ;3)

[9:36:59 PM] KV: (just a little.)

[9:37:00 PM] Jay the Ramrod of Wrong: Jay uses Jaggamonsta on the shield.

[9:37:02 PM] Lewot: Jay~ HP 32/35, VP 35/35, MP 5/5, Attack +3 (2), Thunder Imbued

Levan~ HP 27/30, VP 31/40, MP 5/5, Attack +3 (2)

Miles~ HP 25/30, VP 15/15, MP 25/30, Attack +3 (2)

Rammen~ HP 27/30, VP 40/40, MP 5/5, Attack +3 (2)

vs.

Turnip Mech~ Shield 11/25, HP 14/14, VP 113/150, MP 0

[9:37:25 PM] Lewot: Jaggermonsta gives 8 damage +3 from the Increase, and the shield goes down!

[9:37:33 PM] Lewot: The Mech sparks and smokes.

[9:37:41 PM] Lewot: The Mech becomes Electrified for 1 turn!

[9:37:45 PM] KV: "Rammen! What did you say that Mech was weak to?"

[9:37:49 PM] Lewot: Due to systems failure.

[9:38:25 PM] Andrew Cornell: "The Mech is exposed! Remember, it's completely immune to elemental attacks except for Plant, and it can't be damaged by Psychic Attacks or Status Problems!"

[9:38:48 PM] Lewot: The Mech shifts uncomfortably, wondering if you have found its weakness.

[9:38:52 PM] Andrew Cornell: Rammen reaches into his coat and pulls out Tommy and Terry Turnip.

[9:39:03 PM] Andrew Cornell: "Plants," I say.

[9:39:09 PM] Andrew Cornell: Rammen chucks Tommy Turnip at the Mech!!!!"

[9:39:56 PM] Lewot: Tommy Turnip flies valiantly through the air, the smile never fading from his face, and sacrifices his life to bravely deal a heartstopping 7 damage to the Turnip Mech!

[9:40:10 PM] KV: (I gotta hand it to ya, Lewot. You took a shopping gag and made a very clever boss out of it.)

[9:40:14 PM] Lewot: The Mech reels back in robotic agony!

[9:40:28 PM] Lewot: Miles and Levan can still act.

[9:40:34 PM] KV: (and, see, if this were my game, that would be cause for a One More! and you could finish it off now.)

[9:40:46 PM] Andrew Cornell: "May he rest in peace," I say, respectfully to Tommy Turnip.

[9:40:57 PM] KV: (we can't take someone else's items and use them in the same turn, can we?)

[9:41:04 PM] Lewot: No, not in the same turn.

[9:41:10 PM] Lëvîty: (What should Levan do then?)

[9:41:22 PM] Lewot: Hmm...

[9:41:52 PM] Lewot: here's everybody's sheets
<https://sites.google.com/site/hannabartpekopon/home/game-2/player-characters>

[9:42:17 PM] Lëvîty: (Yeah but I mean I don't know what would be best to do in this situation.)

[9:42:21 PM] KV: Miles munches on his Slowpoke Tail.

[9:42:31 PM] Lewot: Maybe you could use the Hoohoo Blend to boost someone's Defense?

[9:42:34 PM] KV: "May as well get a trickle going."

[9:42:45 PM] Lewot: You could use Volamos if you want to avoid another root attack.

[9:42:54 PM] KV: (That is MP Trickle, right? My item sheets are all adapted to fit the TORPG.)

[9:43:02 PM] Lewot: Yeah, Slowpoke Tail is MP Trickle.

[9:43:09 PM] Lëvîty: (That's a lot of VP though)

[9:43:18 PM] Lewot: Yeah, it is

[9:43:32 PM] KV: hoo, shit.

[9:43:36 PM] Lëvîty: (Hmm, whose defense needs boosting?)

[9:43:42 PM] Lewot: Miles acquires an MP Trickle!

[9:43:53 PM] KV: (Mine does, I have magic armor and no defense.)

[9:44:21 PM] KV: (BUT)

[9:44:27 PM] KV: (I also have healing magic myself now)

[9:44:31 PM] KV: (so it's not a desperate situation)

[9:44:37 PM] Lëvîty: (then who wants a defense sbosootot)

[9:45:27 PM] Andrew Cornell: (I guess I should take it, considering I figured out the weakness, and I've got Terry Turnip ready to fly.)

[9:45:59 PM] Lëvîty: Levan offers Rammen the Hoohoo Blend!

[9:46:12 PM] Andrew Cornell: (can I drink it?)
[9:46:21 PM] Lewot: Yes, that's the idea =P
[9:47:31 PM] Lewot: I guess I should consider the root attack Plant-type... did any of you have Plant modifiers?
[9:47:59 PM] KV: (not I)
[9:48:09 PM] Andrew Cornell: (none for me)
[9:48:11 PM] Lewot: Er, also, Jay's attack to the shield had done 1 even more damage from the Imbue, so the Imbue has now worn off.
[9:48:17 PM] Andrew Cornell: Rammen drinks up the Hoo-hoo Blend!
[9:48:29 PM] Lewot: Rammen's Defense increases by 2!
[9:49:06 PM] Lewot: Jay~ HP 32/35, VP 35/35, MP 5/5, Attack +3 (1)
Levan~ HP 27/30, VP 31/40, MP 5/5, Attack +3 (1)
Miles~ HP 25/30, VP 15/15, MP 25/30, Attack +3 (1), 1 MP Trickle (10)
Rammen~ HP 27/30, VP 40/40, MP 5/5, Attack +3 (1), Defense +2 (3)

vs.

Turnip Mech~ HP 7/14, VP 113/150, MP 0
[9:49:08 PM] Andrew Cornell: "Well then," I say, tossing the drink aside and wielding Terry Turnip. "COME AT ME MECH!!"
[9:49:11 PM] Lewot: Enemy Phase
[9:49:19 PM] Lewot: The Turnip Mech strikes a thoughtful pose.
[9:49:37 PM] Lewot: Above the Mech's head, the word "Advance!" appears.
[9:49:51 PM] Andrew Cornell: (say what?)
[9:49:52 PM] Lewot: Turnip Mech uses the Advanced! version of Turnip the Shield!
[9:49:53 PM] KV: Miles sighs. "Not good."
[9:50:04 PM] Lewot: It generates another shield.
[9:50:08 PM] Lewot: This one looks more cyan-ish.
[9:50:18 PM] Lewot: Its Electrification wears off.
[9:50:23 PM] Lewot: Player Phase
[9:50:26 PM] Andrew Cornell: "It must be a stronger shield!" I say aloud. "We'll have to beat this one now!"
[9:51:00 PM] Andrew Cornell: Rammen stores away Terry Turnip and uses PK Psych Up!!
[9:51:05 PM] Andrew Cornell: (on himself)
[9:51:11 PM] Lewot: Miles sucks on the Slowpoke Tail to restore 1 MP.
[9:51:18 PM] Lewot: Rammen increases his own psychic power!
[9:51:36 PM] Andrew Cornell: (and now I have Miles with a Slowpoke Tail sticking out of his mouth in my head)
[9:51:49 PM] Andrew Cornell: "WAHHHHHHH!!!"
[9:52:01 PM] KV: "SHUH UP. IT'SH SHO TASHTY."
[9:53:03 PM] Lewot: Also, I think the Mech's fists had probably regenerated last turn.
[9:53:09 PM] Lewot: Or this next turn.
[9:53:14 PM] Lewot: Whichever.
[9:53:24 PM] Lëvîty: Did everyone's attack boost wear off?
[9:53:31 PM] KV: Miles fires an arrow at the Advanced Shield.

[9:53:36 PM] Lëvîty: Because if so I wanted Levan to do it again
[9:53:51 PM] Lewot: You all still have one turn of Attack +3.
[9:53:59 PM] Lewot: Miles fires a Steel Arrow!
[9:54:06 PM] Lewot: The advanced shield only takes 3 damage!
[9:54:14 PM] KV: "Rrgh. It's definitely tougher."
[9:54:41 PM] Lewot: Jay~ HP 32/35, VP 35/35, MP 5/5, Attack +3 (1)
Levan~ HP 27/30, VP 31/40, MP 5/5, Attack +3 (1)
Miles~ HP 25/30, VP 15/15, MP 26/30, Attack +3 (1), 1 MP Trickle (9)
Rammen~ HP 27/30, VP 40/40, MP 5/5, Attack +3 (1), Defense +2 (2), Brain +2 (3)

vs.

Turnip Mech~ Shield 22/25, HP 7/14, VP 63/150, MP 0
[9:54:44 PM] Jay the Ramrod of Wrong: Jay takes his sword and uses Jaggermonsta once more.
[9:54:55 PM] Lewot: Er, Jay used some VP
[9:55:03 PM] Lewot: Jay uses Jaggermonsta again!
[9:55:16 PM] Lewot: The shield takes $(8 + 3)/2$ damage.
[9:55:19 PM] Lewot: So, 5, I think.
[9:55:58 PM] Andrew Cornell: $(11 / 2 = 5.5)$, soooo whatever way you round it)
[9:56:07 PM] Lewot: It's always rounded down.
[9:56:27 PM] Lëvîty: I don't think Levan's attack is high enough? Will attacking it do anything
[9:56:54 PM] Lewot: Flame Lance would do $3/2$ for 1, and Iron Lance would do $(2 + 3)/2$ for 2.
[9:57:12 PM] Lewot: The rounding makes all the difference.
[9:57:24 PM] Lewot: The Mech brandishes its evil grin at this thought.
[9:57:28 PM] Lëvîty: Iron Lance then n
[9:57:41 PM] Lewot: Levan stabs the shield with the Iron Lance for 2 damage!
[9:58:12 PM] Lewot: Enemy Phase
[9:58:50 PM] Lewot: The Turnip Mech rips up a patch of grass from the ground!
[9:58:59 PM] Lewot: Underneath the patch, a bunch of turnips are growing!
[9:59:19 PM] Lewot: The Mech vacuums a whole mess of turnips into its, well, butt.
[9:59:22 PM] Andrew Cornell: "It's using more turnips for its attack! The innocent lives!"
[9:59:30 PM] Lewot: A cursor appears on the screen.
[9:59:35 PM] Lewot: It ambles around.
[9:59:38 PM] Lewot: It points at Rammen.
[9:59:43 PM] KV: "Welp, this could've been designed better."
[10:00:01 PM] Lëvîty: "Butt turnips..."
[10:00:11 PM] Lëvîty: "Maybe the turnip mech is gay."
[10:00:14 PM | Edited 10:00:23 PM] Lewot: The Turnip Mech fires 10 Turnips at Rammen in succession!
[10:00:33 PM] KV: "...Not that there's anything WRONG with that."
[10:00:37 PM] Andrew Cornell: (I'm now imagining Rammen getting pelted with Turnips which explode, all the while in slowmotion"
[10:00:55 PM] Lëvîty: "But I didn't say there was anything wrong with it!"
[10:01:10 PM] Lëvîty: "Maybe we're all gay."
[10:01:12 PM] Lewot: The first 7 Turnips destroy Rammens armor and deal 1 damage to him

each! The remaining 3 deal their full 2 damage!

[10:01:16 PM] KV: (Seinfeld joke, Lev. lol)

[10:01:29 PM] Lëvîty: (I don't watch TV)

[10:01:43 PM] KV: (I don't much either, but I couldn't resist)

[10:01:52 PM] Lëvîty: (<__<)

[10:01:59 PM] Andrew Cornell: "I'm *bam* get *bam* in pelt*bam*ed w*bam* with *bam* FRIE*BAM* FRIENDS*bam* of *bam* my *bam* FRIENDS*BAM*"

[10:02:00 PM] Lewot: (I like Seinfeld)

[10:02:28 PM] Andrew Cornell: (btw, you accounted for that +2 Def I have from the Blend, right?)

[10:03:11 PM] Lewot: But Turnips ignore Defense Power, including boosts >:3

[10:03:21 PM] Lewot: It would have worked against its other attacks.

[10:03:24 PM] KV: (aha, suck on that)

[10:03:25 PM] Andrew Cornell: (okey dokey!)

[10:03:26 PM] Lewot: Jay~ HP 32/35, VP 27/35, MP 5/5

Levan~ HP 27/30, VP 31/40, MP 5/5

Miles~ HP 25/30, VP 15/15, MP 27/30, 1 MP Trickle (music)

Rammen~ HP 27/30, VP 24/40, MP 5/5, Defense +2 (1), Brain +2 (2)

vs.

Turnip Mech~ Shield 15/25, HP 7/14, VP 53/150, MP 0

[10:03:37 PM] Lewot: Player Phase, Miles sucks on the Slowpoke Tail

[10:03:38 PM] KV: (Music Power Trickle)

[10:03:51 PM] Lewot: Er, wait

[10:03:55 PM | Edited 10:04:03 PM] KV: (also, you totally didn't even change Rammen's HP from that)

[10:04:00 PM] Lewot: Rammen's HP should be lower than that

[10:04:11 PM] Lewot: Oh, I think I damaged his VP =P

[10:04:15 PM] Andrew Cornell: (lolzy~)

[10:04:23 PM] KV: (smoooooth)

[10:04:37 PM] Lewot: Rammen~ HP 14/30, VP 37/40, MP 5/5, Defense +2 (1), Brain +2 (2)

[10:05:20 PM] KV: Miles pulls out the Heal Staff he picked up so many battles ago.

[10:05:27 PM] KV: "Time to give this thing a try."

[10:05:43 PM] KV: Miles closes his eyes, focusing on a spell he's never tried before.

[10:05:47 PM] Lëvîty: Levan does the thing! (Attack boost)

[10:05:58 PM] KV: A white light emanates from the staff.

[10:06:05 PM] KV: Miles casts Dia on Rammen!

[10:06:17 PM] Lewot: Rammen is healed by 7 HP!

[10:06:24 PM] Lewot: Levan uses Vigorizamos again!

[10:06:35 PM] Lewot: The Attack boost returns.

[10:07:03 PM] Andrew Cornell: "Let's go then!!!"

[10:07:14 PM] Andrew Cornell: Rammen uses PK Thunder Alpha on the SHIELLLLLD

[10:07:35 PM] Lewot: Rammen generates a lightning bolt with his mind!

[10:08:08 PM] Lewot: Base 2 damage plus the Brain boost of 2, then divide all by 2 again and

the total is 2.

[10:08:25 PM] Lewot: The shield's at 13 HP.

[10:08:54 PM] Jay the Ramrod of Wrong: Jay uses Jaggermonsta on the shield again.

[10:09:18 PM] Lewot: Jay strikes with a cleaving blow!

[10:09:23 PM] Lewot: 5 damage!

[10:10:01 PM] Lewot: Enemy Phase

[10:10:08 PM] Lewot: The Mech vacuums up more turnips!

[10:10:14 PM] Lewot: The cursor appears once more...

[10:10:19 PM] Lewot: It targets Miles!

[10:10:31 PM] Lewot: Miles takes 2 damage 10 times!

[10:10:46 PM] KV: Miles coughs loudly.

[10:11:17 PM] KV: "D-damn..."

[10:11:41 PM] Andrew Cornell: (tempted to have Rammen say "I WARNED YOU BOUT TURNIPS BRO")

[10:11:50 PM] Lewot: Player Phase

[10:11:54 PM] Lewot: Miles sucks on the Slowpoke Tail

[10:12:17 PM] Lewot: Jay~ HP 32/35, VP 23/35, MP 5/5, Attack +3 (2)

Levan~ HP 27/30, VP 22/40, MP 5/5, Attack +3 (2)

Miles~ HP 5/30, VP 15/15, MP 23/30, Attack +3 (2), 1 MP Trickle (7)

Rammen~ HP 21/30, VP 35/40, MP 5/5, Attack +3 (2), Brain +2 (1)

vs.

Turnip Mech~ Shield 8/25, HP 7/14, VP 43/150, MP 0

[10:12:40 PM] Andrew Cornell: "We can do it!" I say aloud. "Beat the shield!"

[10:12:54 PM] KV: (the only reason that I get that joke is because I JUST saw a comment thread on reddit wherein it was linked)

[10:13:08 PM] Lewot: (Which joke?)

[10:13:20 PM] KV: Miles raises his Heal Staff weakly.

[10:13:26 PM] KV: Miles casts Dia on himself!

[10:13:36 PM] Lewot: Miles heals himself by 7 HP.

[10:13:37 PM] KV: ("I WARNED YOU BOUT TURNIPS BRO")

[10:13:45 PM] Andrew Cornell: (it's lulzy~)

[10:14:03 PM] Lewot: Miles~ HP 12/30, VP 15/15, MP 21/30, Attack +3 (2), 1 MP Trickle (7)

[10:14:12 PM | Edited by KV, 10:14:43 PM] Lëvîty: (I warned thee regarding the steps, brethren)

[10:14:15 PM] Lewot: er, wait

[10:14:18 PM] Lewot: it costs 5 MP

[10:14:28 PM | Edited 10:14:58 PM] Andrew Cornell: (hehehehehe Levies <333)

[10:14:37 PM] Lewot: you're at 18.

[10:14:57 PM] Lëvîty: (WHO EDITED MY MEMSGAe)

[10:15:01 PM] KV: (I DID)

[10:15:09 PM] Lëvîty: (memsgae)

[10:15:14 PM] Lewot: Okay, let's try to preserve historical accuracy here.

[10:15:29 PM] Lewot: Especially the typitos <3

[10:15:41 PM] Lewot: Everyone but Miles remains.

[10:16:09 PM] Andrew Cornell: "If we break through the shield now, we can beat it!" I say. I brandish Terry Turnip as I say, "AVENGE THE TURNIPS!!"

[10:16:20 PM] Lëvîty: "Avenge the trees..."

[10:17:13 PM] KV: (brb, getting food. Good thing I already moved)

[10:17:35 PM] Lewot: How does Levan choose to avenge the trees?

[10:17:47 PM] Lëvîty: Attack, I presume?

[10:17:57 PM] Lëvîty: if that's the best option

[10:18:18 PM] Lewot: I think so, yeah.

[10:18:24 PM] Lewot: Levan stabs with the Iron Lance again!

[10:18:30 PM] Lewot: 2 damage!

[10:18:48 PM] Lewot: Ooh, too bad, Jaggermonsta only does 5, and it's got 6 left.

[10:20:11 PM] Andrew Cornell: (I'm just waiting for Jay >.>)

[10:20:21 PM] Andrew Cornell: (pausing for dramatic effect and the whole "Noooooo" spiel)

[10:21:12 PM] Jay the Ramrod of Wrong: (Sorry! I assume it's my turn?)

[10:21:19 PM] Jay the Ramrod of Wrong: (I was peeing. ;n;)

[10:21:26 PM] KV: (aaaand back.)

[10:21:41 PM] Lewot: Actually, even if we assume that Bite breaks through the halved damage, that would deal 2 +3, so STILL 5

[10:21:43 PM] Lewot: man.

[10:22:00 PM] Jay the Ramrod of Wrong: Bite attack anyways! I wish to have more HP.

[10:22:02 PM] Andrew Cornell: (dang, that's rough)

[10:22:12 PM] Andrew Cornell: (but appropriate for Noooooo)

[10:22:16 PM] Lewot: Jay Bites the shield and sucks out some of its energy!

[10:22:28 PM] Lewot: 5 damage is dealt and Jay is healed by 2 HP.

[10:22:49 PM] Andrew Cornell: Rammen lands on his knees, raises his hands to the sky and shouts, "NOOOOOOOO!!!"

[10:22:59 PM] Andrew Cornell: "We're so close!"

[10:23:07 PM] Andrew Cornell: "This shield must die!"

[10:23:10 PM] KV: Miles coughs.

[10:23:14 PM] Lewot: Rammen can still act

[10:23:19 PM] Andrew Cornell: Rammen charges in with a basic attack to the punching of the shield!

[10:23:20 PM] KV: (...literally.)

[10:23:24 PM] Andrew Cornell: "GO SHIELD BREAKER!!!"

[10:23:41 PM] Lewot: Rammen's unarmed punch deals 1/2 damage, or 0.

[10:23:47 PM] Lewot: Enemy Phase

[10:23:53 PM] KV: "Well that was anticlimactic."

[10:23:58 PM] Andrew Cornell: ".....OH GOD THAT SHIELD HURTS!!!"

[10:24:02 PM] Lewot: Wait

[10:24:06 PM] Lewot: but the +3 =P

[10:24:07 PM] Lëvîty: Levan anime sweatdrops.

[10:24:15 PM] Lewot: So 4/2 is 2.

[10:24:20 PM] Lewot: The shield breaks!

[10:24:20 PM] Andrew Cornell: Rammen holds his bare bandaged hand in pain as the shield shatters.

[10:24:20 PM] KV: "Hm?"
[10:24:26 PM] KV: "...Weird."
[10:24:41 PM] Andrew Cornell: I look up at the shield and cheer, "YEAHHHH!!!"
[10:24:42 PM] Lewot: There are many spacetime rifts in Lewot's universe 8^)
[10:25:01 PM] Lewot: The Turnip Mech becomes Eletrified for 1 turn from systems failure.
[10:25:07 PM] Lewot: NOW enemy phase
[10:25:14 PM] Andrew Cornell: (that was the best dramatic timing regardless)
[10:25:37 PM] KV: "I have a bad feeling about this next move."
[10:25:41 PM] Lewot: the Turnip Mech does not have enough VP for Advanced Shield, so it just uses regular Turnip the Shield! It generates another 25-HP shield!
[10:25:54 PM] KV: "Yyyyyep."
[10:25:55 PM] Lewot: Gotta time it, guys.
[10:26:00 PM] Lewot: Player Phase
[10:26:07 PM] Andrew Cornell: "DANG IT!!!"
[10:26:22 PM] KV: Miles sucks on his Slowpoke Tail.
[10:26:24 PM] KV: "Delicious magic..."
[10:26:41 PM] Lewot: Jay~ HP 34/35, VP 23/35, MP 5/5, Attack +3 (1)
Levan~ HP 27/30, VP 22/40, MP 5/5, Attack +3 (1)
Miles~ HP 12/30, VP 15/15, MP 19/30, Attack +3 (1), 1 MP Trickle (devil)
Rammen~ HP 21/30, VP 35/40, MP 5/5, Attack +3 (1)

vs.

Turnip Mech~ Shield 25/25, HP 7/14, VP 18/150, MP 0

[10:27:06 PM] Lëvîty: Levan attacks because yeah.
[10:27:08 PM] Lewot: You've still got the boost, so smash that shield silly!
[10:27:15 PM] Lewot: Levan is first to stab it!
[10:27:19 PM] Lewot: For 5 damage!
[10:27:27 PM] KV: Miles uses Doubleslap!
[10:27:37 PM] Lewot: Miles deals two instances of 4 damage!
[10:27:47 PM] Lewot: (The Mech's Electrification wore off.)
[10:28:04 PM] Lewot: (The Electrification prevents Jay's Defense-ignoring Bite from working on the Mech itself.)
[10:28:21 PM] Andrew Cornell: (cause it zaps him as he bites)
[10:28:31 PM] Andrew Cornell: Rammen takes out his whip!
[10:28:36 PM] KV: (aha, clever. So we HAVE to use Tommy and Terry.)
[10:28:51 PM] Andrew Cornell: "Alright, we're not going for another punch," I say. "That hurt WAY too much!"
[10:29:03 PM] Andrew Cornell: (glad you figured that out so far into this XD)
[10:29:09 PM] Andrew Cornell: Rammen whips the shield!
[10:29:14 PM] Lewot: 5 damage!
[10:29:18 PM] Lewot: It's at 7 HP.
[10:30:06 PM] KV: "Let's not go overboard, Jay."
[10:30:19 PM] Lewot: Jay's Steel Sword will do 7 damage with a basic attack.
[10:30:26 PM] KV: "I don't trust that this thing doesn't have some VP restoring item up its

sleeve."

[10:30:55 PM] Jay the Ramrod of Wrong: Jay nodded, going in for a regular sword attack.

[10:31:02 PM] Lëvîty: "Kill the shield the next turn...oh."

[10:31:08 PM] Lëvîty: "Never mind."

[10:31:49 PM] Lewot: Well, actually... Jay kills the shield. The Mech is in fact holding a Jelly Candy, but using this will take up its turn.

[10:32:21 PM] Lewot: Recognizing this predicament, it instead chooses to use the Turnip machinegun attack on Levan!

[10:33:08 PM] Lewot: Levan's armor breaks!

[10:33:15 PM] Lewot: She takes a total of 12 damage.

[10:33:58 PM] Lewot: Jay~ HP 34/35, VP 23/35, MP 5/5

Levan~ HP 15/30, VP 22/40, MP 5/5

Miles~ HP 12/30, VP 15/15, MP 20/30, 1 MP Trickle (5)

Rammen~ HP 21/30, VP 35/40, MP 5/5

vs.

Turnip Mech~ HP 7/14, VP 8/150, MP 0

[10:34:06 PM] Lëvîty: "Hurry up and kill it aaagh,"

[10:34:24 PM] Andrew Cornell: Rammen pulls out Terry Turnip from his bandages.

[10:34:38 PM] Andrew Cornell: "I'll miss you, dear friend," I say to Terry, hugging him.

[10:34:41 PM] KV: "Godspeed, Terry Turnip."

[10:34:51 PM] Andrew Cornell: Rammen chucks Terry Turnip at the Turnip Mech!!

[10:35:11 PM] Lewot: As Terry Turnip strikes the Mech, it falls to its knees.

[10:35:13 PM] Lewot: It shakes a lot.

[10:35:27 PM] Lewot: It explodes into a shower of wooden splinters, dealing 1 damage to everyone!

[10:35:47 PM] Lewot: After your eyes get clear of splinters, you see that Travis remains sitting there on the ground!

[10:36:17 PM] Andrew Cornell: "Travis Turnip, Assassin!" I call out pointing at Travis!

[10:36:29 PM] Lewot: Jay~ HP 33/35, VP 23/35, MP 5/5

Levan~ HP 14/30, VP 22/40, MP 5/5

Miles~ HP 11/30, VP 15/15, MP 20/30, 1 MP Trickle (5)

Rammen~ HP 20/30, VP 35/40, MP 5/5

vs.

Travis Turnip~ ???

[10:36:47 PM] Lëvîty: "...Oh."

[10:36:50 PM] Lewot: Travis retains his evil grin.

[10:37:18 PM] Andrew Cornell: "It's time for you to pay for what you've done! For all the trees, for all your brothers that fought against you, for all the turnips you've used for your own personal gain!!"

[10:37:29 PM] Andrew Cornell: Rammen looks up Travis Turnip in the Bestiary!!

[10:37:36 PM] Lewot: You already acted =P

[10:37:46 PM] KV: (not a new battle.)

[10:37:47 PM] Andrew Cornell: ...next turn!

[10:37:48 PM] KV: Miles pulls his goggles down over his eyes and concentrates hard.

[10:37:58 PM] KV: Miles uses PK Dark Step on himself!

[10:38:03 PM] Jay the Ramrod of Wrong: Jay uses Uber Klaw on Travis Turnip

[10:38:05 PM] Lewot: Miles becomes Dodgy.

[10:38:12 PM] Lewot: Jay uses Uber Klaw!

[10:38:16 PM] Lëvîty: Should Levan raise everyone's attack again?

[10:38:19 PM] Lewot: Travis Turnip is defeated!

[10:38:23 PM] Lëvîty: oh.

[10:38:27 PM] KV: "...What."

[10:38:28 PM] Andrew Cornell: "...oh."

[10:38:38 PM] Lewot: You all gain 19 XP from Travis, and 0 from the Mech.

[10:38:44 PM] Andrew Cornell: ".....oh."

[10:38:45 PM] Lewot: You all level up.

[10:38:57 PM] KV: Miles clears his throat.

[10:39:00 PM] Andrew Cornell: ".....he couldn't have been...just a turnip...right?"

[10:39:17 PM] Andrew Cornell: "I mean, how did he operate the Mech?"

[10:39:18 PM] KV: "Sort of a diabolical turnip. I see why he needed the mech, now."

[10:39:34 PM] KV: >MP

[10:39:36 PM] Lëvîty: "Maybe he acted as the mech's brain..."

[10:39:51 PM] Lëvîty: >VP

[10:39:57 PM] Jay the Ramrod of Wrong: "Huh..."

[10:39:59 PM] Jay the Ramrod of Wrong: >HP

[10:40:10 PM] KV: <http://www.youtube.com/watch?v=70v3UeVsT3Q>

[10:40:16 PM] Andrew Cornell: "Maybe. The Mech was insane, and it would take only an insane megalomaniacal turnip with a heart of evil to operate it in such a manner..."

[10:40:19 PM] Andrew Cornell: >HP

[10:41:29 PM] KV: Miles turns around and punches the Heal Block again, satisfied at having taken down the Turnip Mech and its demented master tuber, Travis.

[10:41:32 PM] Lewot: He drops an item called a Tree Key!

[10:41:50 PM] Andrew Cornell: I walk over to where Travis Turnip and the Turnip Mech lay and pick up the Tree Key.

[10:42:06 PM] Lewot: I'll assume everyone goes and punches the Heal Block.

[10:42:35 PM] Andrew Cornell: I also make a small makeshift memorial for the turnips that lost their lives today.

[10:42:42 PM] KV: (Also, relevant topic title: "When you see your bro in hell, tell him he's **STILL** a DOUCHE!")

[10:42:52 PM] Andrew Cornell: (lol~)

[10:43:01 PM] KV: (Travis Touchdown gets all the best one-liners.)

[10:43:12 PM] Lewot: So, shall we stop here for now?

[10:43:27 PM] KV: (That's up to everyone else.)

[10:43:37 PM] Andrew Cornell: (I'm okay with either/or)

[10:43:41 PM] KV: (I know Lev still has her essay due in ~11 hours)

[10:44:19 PM] Lëvîty: (oranges)

[10:44:38 PM] Lewot: Oh, I forgot that Jay had an HP Trickle during the battle. He didn't take much damage, anyway, though.

[10:45:15 PM] Lewot: Now, the ONE other thing you could have done to the Mech is used Levan's Mystery and see if it got like a Shooting Star or something, but that would've only done 6...

[10:45:41 PM] Lewot: If it had gotten a Starman, Levan would have gotten Attack +10, which, added to her +3, is STILL not enough to get through its Defense!

[10:46:06 PM] KV: (Neat little Puzzle Boss, I must admit.)

[10:46:19 PM] KV: (and a beautiful homage to Magnus von Grapple.)

[10:46:34 PM] Andrew Cornell: (here here, that was a clever boss!)

[10:46:40 PM] Lëvîty: Levan cries because she isn't used to getting hit so hard in battle. Levan falls to the ground. She probably falls asleep.

[10:47:23 PM] Lewot: Let's say someone hits the Save Block again...

[10:47:45 PM] KV: Miles hops on top of the Save Block, sits down on top of it, and kicks it with his foot.

[10:48:46 PM] Lewot: Saving... don't turn off the universe.

[10:49:11 PM] Lëvîty: (If the universe gets turned off will Mr. Resetti come)

[10:49:19 PM] KV: (Oh God, let's not find out.)

[10:49:54 PM] Lewot: Heheh

[10:50:57 PM] Lewot: Erm, Save Complete, I'll say.

[10:51:02 PM] Lewot: Again, not really yet =P
