

[7:53:35 PM] Lewot: OKAY

[7:53:46 PM] Lewot: Welcome back to another episode of Everybody Loves Rammen!

[7:54:04 PM] Lewot: Your character sheets are probably wildly inaccurate: <https://sites.google.com/site/hannabartpekopon/home/game-2/player-characters>

[7:54:25 PM] Lewot: You're on top of the... northwest tower of In Halen's castle.

[7:54:35 PM] Lewot: You're all in Raccoon form, and thus able to fly.

[7:54:51 PM] Lewot: You killed three Golbats that flew out of a wooden trapdoor on the floor of the tower.

[7:55:01 PM] KV: hm?

[7:55:06 PM] KV: (Only 1 XP?)

[7:55:09 PM] Via: i leave in 5 minutes oops

[7:55:11 PM] KV: (I have 3?)

[7:55:17 PM] Andrew Cornell: (it was terrible)

[7:55:23 PM] Lewot: 3 what?

[7:55:29 PM] KV: (3 XP.)

[7:55:36 PM] Lewot: Hmm

[7:55:40 PM] KV: (Your sheets have us listed at 1, but we should be at 3 by my count)

[7:55:51 PM] KV: (We had 13 before the Milo battle, which gave us 9)

[7:56:01 PM] KV: (and then +1 for participating against the Golbats)

[7:56:16 PM] Lewot: Oh, I thought $3 + 9 = 10$.

[7:56:22 PM] Lewot: I should totally be running this thing.

[7:56:32 PM] KV: (LEWOT WE ARE NOT USING A BASE 12 SYSTEM HERE)

[7:56:37 PM] Lewot: Should we wait for you to transer, Via, or keep going?

[7:56:41 PM] Andrew Cornell: (OH GOD WHAT IF $50 < 50$ AND NOT = 50?!?!?)

[7:56:59 PM] Lewot: I'll fix the XP I guess...

[7:57:03 PM | Edited 7:57:12 PM] KV: (one two three four five six seven eight nine deck ell doe)

[7:57:26 PM] Via: (umm you guys can do basic setup while I think of a new attack on my way home)

[7:57:38 PM] Lewot: Okay

[7:57:47 PM] Lewot: well, you're atop the tower

[7:58:03 PM] Lewot: you had inserted the Green Key in the keyhole down at ground level

[7:58:11 PM] Lewot: according to the Grate Oracle, you need two more keys

[7:58:26 PM] Lewot: and according to the colors of the keyholes, the remaining keys are orange and purple.

[7:58:43 PM] Andrew Cornell: (just like my soup)

[7:58:52 PM] Andrew Cornell: (...I'm not eating soup...)

[7:59:01 PM] Lewot: From your position on top of the castle, and able to fly no less, you should be able to look all around the Hacidian Plains, although spotting a key from that distance might be tough.

[7:59:25 PM] KV: Miles turns to Rammen. "Find anything interesting on the other watchtowers?"

[7:59:50 PM] Lewot: The Golbats hadn't dropped any items.

[8:01:00 PM] Andrew Cornell: I pull out the Sticky Barb and the Winged Sandals. "Just these items," I say.

[8:01:21 PM] KV: Miles lets out a low whistle at the sight of the Winged Sandals.

[8:01:25 PM] KV: "Ooh, man.."
[8:01:31 PM] Lewot: You're all probably floating slightly like Levan normally does.
[8:01:51 PM] KV: "Lucky find, that."
[8:02:01 PM] Lewot: You can also check further inside the trapdoor, since the Golbats popped out before you could really see if anything else was in there.
[8:02:27 PM] Lewot: The normal breeze goes by, but now you're far above the rustling grass.
[8:02:31 PM] Lewot: The sun beats down as usual.
[8:02:38 PM] X-Cop Jay IV V: Jay looked down from the trap door.
[8:02:52 PM] Lewot: There's a stone staircase leading down.
[8:03:05 PM] Lewot: It looks like it goes into a hallway.
[8:03:09 PM] Lewot: Maybe it's a secret entrance?
[8:03:15 PM] Lewot: You don't know
[8:03:16 PM] Lewot: .
[8:03:40 PM] KV: "You know, uh..."
[8:03:49 PM] KV: "I AM training to be a Wind Mage..."
[8:03:54 PM] X-Cop Jay IV V: "Guys, I think this may be our ticket to being lazy."
[8:04:03 PM] Andrew Cornell: (yayyyyyy, lazy~)
[8:04:15 PM] KV: "Those sandals would be perfect for someone with my particular skillset.."
[8:04:36 PM] Lewot: Miles clearly has his eyes on the sandals.
[8:05:16 PM] Andrew Cornell: (hmmm...on the one hand, flying Wind Mage...on the other, punching birds out of the sky...)
[8:05:38 PM] Andrew Cornell: I note Miles' keenness to getting the sandals.
[8:06:11 PM] Lewot: You kinda hear the distant sound of the grass rustling all over the plains below you.
[8:06:43 PM] Lewot: You could also eat more food items if you like, but the Golbats didn't do much damage.
[8:06:57 PM] Andrew Cornell: I shrug and hand over the sandals to Miles. "I think you might put these to better use than I would," I say, and then I hunch over and look at the trapdoor opening with Jay.
[8:07:13 PM] KV: "Woohoo!"
[8:07:17 PM] KV: "Thanks!"
[8:08:01 PM] X-Cop Jay IV V: Jay sets forth down this stairway.
[8:08:06 PM] Lewot: Rammen can't see any further in than Jay, but his psychic powers sense something inside the castle somewhere. Whatever it is, it's asleep, but it's very powerful.
[8:08:18 PM] Lewot: Miles acquires the Winged Sandals from Rammen
[8:08:25 PM] Lewot: Jay sets forth down the stairway
[8:08:26 PM] Via: hello
[8:08:43 PM] KV: (Do I have to drop something? It takes up an Inventory slot, no?)
[8:08:52 PM] KV: (err, an Equipment slot, rather)
[8:08:57 PM] Lewot: as he descends, he realizes that, blended with the sound of the rustling grass, a roaring sound is coming from down the hallways
[8:09:03 PM] Lewot: (They go in the normal inventory)
[8:09:15 PM] KV: (woooo)
[8:09:23 PM] Lewot: not like a roaring monster, but like a roaring wind sound.
[8:09:41 PM] Lewot: The sound is fairly loud as Jay reaches the bottom of the stairs.

[8:09:53 PM] Lewot: The hallway appears to lead down a ways and then make a left turn.

[8:10:03 PM] X-Cop Jay IV V: "This is a great sound guys! Come down here so I don't die please!" he calls up.

[8:10:26 PM] KV: Miles slips on his new Sandals and follows Jay down the trapdoor

[8:10:46 PM] Andrew Cornell: I shudder at the psychic empathy I felt nearby. "I think whatever's in there may be too powerful if we aim to attack it," I call back. "Let's try and avoid that, shall we?"

[8:11:01 PM] Andrew Cornell: I then follow Jay and Miles tentatively down the stairs, taking Levan with me

[8:11:14 PM] Andrew Cornell: (...somehowwwwwww)

[8:11:22 PM] KV: (she's floaty)

[8:11:24 PM] Lewot: Maybe we should see if Via's caught up...

[8:11:25 PM] KV: (just pull)

[8:11:36 PM] X-Cop Jay IV V: Jay nodded, leading the way down the hall, but stopping to peer around the corner.

[8:11:36 PM] Lewot: And you're all still Raccoons, so you can all float

[8:11:59 PM] Lewot: the party comes together and goes down the hallway. Walk, walk... Jay peers around the corner.

[8:13:15 PM] Lewot: Around the corner is another path too short to be called a hallway, connected to another hallway. But this last hallway is different: a tremendous wind is blowing down it, toward the... well, not toward you guys right now, but toward you if you were to try to go down that way.

[8:13:43 PM] Lewot: So it makes kind of a U shape, and down the other pike is the wind tunnel.

[8:13:57 PM] Lewot: But more sharp corners.

[8:14:27 PM] KV: (waiting to see if Via is caught up on the very little that happened since she left)

[8:14:36 PM] X-Cop Jay IV V: (So then like a |_| shape?)

[8:14:42 PM] Lewot: Yes.

[8:14:58 PM] X-Cop Jay IV V: (Ah, okay, just making sure.)

[8:15:27 PM] Lewot: Or maybe one of these II

[8:16:10 PM] Lewot: the roaring sound is pretty loud this close to the wind.

[8:17:10 PM] Via: (ugh)

[8:17:21 PM] Via: (okay I'm downstairs on the other intenet)

[8:17:26 PM] Via: (are you getting this)

[8:17:28 PM] Lewot: Yes

[8:17:31 PM] KV: (crystal clear)

[8:17:32 PM] Andrew Cornell: (we see ya)

[8:17:38 PM] Via: (YES)

[8:17:42 PM] Lewot: yay <3

[8:17:47 PM] KV: (I seem to recall Noshi commenting on that expression..)

[8:17:56 PM] Lewot: Oh yeah...

[8:18:02 PM] KV: (reminds me, I need to update the PMRP)

[8:18:06 PM] KV: (but anyway, pressing on)

[8:18:09 PM] Via: OKAY I AM HERE NOW

[8:18:16 PM] Lewot: That was more Günther showing through than Noshi

[8:18:21 PM] Lewot: so, wind tunnel.

[8:18:27 PM] Lewot: Anyone try to enter it?

[8:18:32 PM] Via: oh never mind i'm lagging now.

[8:18:45 PM] Lewot: It will blow you against the back wall rather than sucking you down the hallway, is the point

[8:18:54 PM] Lewot: but you could attempt to get through the wind in various ways if you like.

[8:19:11 PM] Lewot: Or you could go back outside.

[8:19:34 PM] Lewot: Oh, lag.

[8:19:53 PM] KV: Miles attempts to walk down the hallway against the wind.

[8:20:06 PM] Lewot: The wind immediately blows Miles back.

[8:20:11 PM] Lewot: He's kinda pinned against the wall.

[8:20:29 PM] Andrew Cornell: I drag Miles off the wall and out of the way of the wind.

[8:20:42 PM] Andrew Cornell: "I get the feeling we won't be going down that way any time soon," I note.

[8:20:43 PM] KV: "Well, figured I'd try it."

[8:21:00 PM] Lewot: Rammen isn't very strong, but you're able to slide back out.

[8:21:21 PM] Via: Levan literally lags behind <3

[8:21:28 PM] Andrew Cornell: (literally lagging~)

[8:21:31 PM] Lewot: Well, I got that message clearly

[8:21:32 PM] Via: She seems rather tired.

[8:21:34 PM] Lewot: so some of it works

[8:22:08 PM] Lewot: the stone castle is, of course, lit by medieval electric lights.

[8:22:39 PM] X-Cop Jay IV V: "Well, I'm the heaviest. Though I don't know it that would be affected by the Raccoon deal here."

[8:23:13 PM] X-Cop Jay IV V: Jay twitched his not-hyena ears, not that you could particularly tell the difference between them and his regular ears.

[8:23:23 PM] Lewot: As a raccoon, if you choose to remain grounded, you can utilize your weight.

[8:23:41 PM] X-Cop Jay IV V: Jay attempts to go down the hall, then.

[8:24:27 PM] Lewot: Jay strides into the wind. His weight does allow him to kinda stand still and not be pushed back against the wall, but when he tries to lift his leg to walk into the wind, he gets blown back.

[8:24:45 PM] KV: "Hm."

[8:25:00 PM] KV: "Maybe this way was only meant to be used as an exit?"

[8:25:10 PM] Via: Levan thinks for a moment. "Oops, looks like I won't be much of a help with this!"

[8:25:44 PM] Lewot: Down at the far end of the hall, you can see that the wind is being generated by a large fan behind some grating.

[8:25:56 PM] Lewot: There doesn't appear to be any switch or button back here to turn it off, though.

[8:26:24 PM] KV: Miles peeks his head out to get a better look at the fan.

[8:27:16 PM] Lewot: It's large and powerful, and powered by medieval electricity. You can't really see any wires leading off anywhere or anything like that.

[8:27:50 PM] Lewot: It does look like there's another hallway branching off down at that end, too.

[8:28:12 PM] X-Cop Jay IV V: "It's our biggest fan, guys."
[8:28:43 PM] Andrew Cornell: "Come on, let's get out of here," I say, heading back up to the trapdoor.
[8:28:51 PM] Lewot: We should vacation in beautiful Pun-tarenas
[8:29:05 PM] Lewot: Rammen starts heading back outside.
[8:29:15 PM] KV: "Jay, have I mentioned lately that I hate you sometimes?"
[8:29:17 PM] KV: "Cuz I do."
[8:29:30 PM] KV: Miles follows Rammen back up the stairs.
[8:29:33 PM] Lewot: (Nobody even commented on my "Everybody Loves Rammen")
[8:29:47 PM] Lewot: The party returns to the top of the tower.
[8:30:00 PM] Lewot: You can see all around the plains from here.
[8:30:17 PM] X-Cop Jay IV V: "I love you too, Miles." Jay followed them up.
[8:30:17 PM] Via: (I laughed at it)
[8:30:21 PM] Via: (I'm lagging again)
[8:30:32 PM] Lewot: (<3)
[8:30:56 PM] Lewot: I'll say that the Save Block is actually around the backside of the castle, which explains why you didn't hit it when you were in front by the door.
[8:31:19 PM] Lewot: You can see the Save Block floating down below you, off to the left.
[8:31:24 PM] Lewot: You're looking west.
[8:31:35 PM] Lewot: In that direction the plains seem to stretch endlessly
[8:31:52 PM] Lewot: you can't see much there, but you do notice a strange shadowy figure
[8:31:58 PM] Lewot: it seems oddly blurry
[8:32:15 PM] Lewot: to the... er... southwest, you see, again, the suggestion of bushes
[8:32:31 PM] Via: Levan points to where the Save Block is and floats around a little.
[8:32:40 PM] Lewot: between the castle and the bushes is a strange red object
[8:33:13 PM] Lewot: you can see a kind of trail of flattened grass and dug-into dirt behind the red object, but it just looks like an odd hunk of something
[8:33:25 PM] Lewot: to the northwest...
[8:33:39 PM] Lewot: (the Save Block kinda gleams as Levan points at it)
[8:34:00 PM] Lewot: to the northwest there's a strange hole in the grass
[8:34:13 PM] Lewot: and even more north than that, the grass gives way entirely to dirt
[8:34:23 PM] Lewot: you can see what look like some large skeletons in that area
[8:34:32 PM] KV: Miles flies down to the Save Block and hits it with his Raccoon tail.
[8:34:34 PM] Lewot: they're not moving or anything, but they are skeletons
[8:34:50 PM] Lewot: Miles hits the Save Block and saves the game.
[8:35:06 PM] KV: He flies back up to rejoin the group.
[8:35:44 PM] Lewot: Northwest but closer to the castle, there appear to be some fairly normal-looking figures wandering around...
[8:36:08 PM] Lewot: directly to the north, which is your right, there's kind of a scar on the landscape
[8:36:15 PM] Lewot: you came from the left
[8:36:17 PM] Via: Levan squints her eyes towards the west.
[8:36:26 PM] Lewot: Levan looks directly west again.
[8:36:36 PM] Lewot: The strange shadowy figure seems to have disappeared?
[8:36:46 PM] Lewot: Then she catches it in the periphery of her vision again.

[8:37:00 PM] Lewot: It's far away, so it's hard to tell why, but it just looks... odd.

[8:37:10 PM] Via: She keeps staring at it.

[8:37:24 PM] Lewot: It looks like it ducks down in the grass or something.

[8:37:25 PM] KV: "Hm? What do you see, Lev?"

[8:37:40 PM] Via: She tilts her head.

[8:37:46 PM] Lewot: It seems to be gone again.

[8:38:32 PM] Via: "There's something west, uhh... oh, I don't see it anymore..."

[8:38:38 PM] Via: "... Uhh..."

[8:38:53 PM] Via: "Uhhhh..."

[8:39:15 PM] X-Cop Jay IV V: (Cue shadow mario)

[8:39:18 PM] Andrew Cornell: "What's out there?" I ask, looking in the direction Levan was looking.

[8:39:29 PM] Lewot: It pops back up again, some distance away from where it was.

[8:39:58 PM] Lewot: You can't really tell what it's shaped like very well from here, but it just looks like a black shadow

[8:40:00 PM] Lewot: .

[8:40:44 PM] Via: "Uh..."

[8:40:49 PM] Via: "I want to go see it closer!"

[8:40:51 PM] Via: She scrambles a little.

[8:41:08 PM] Lewot: Raccoon Levan flies westward.

[8:41:10 PM] KV: Miles shrugs. "Alright. Let's go check it out."

[8:41:13 PM] Lewot: Scramblily.

[8:41:18 PM] Lewot: The party follows.

[8:41:28 PM] KV: Raccoon Miles flies next to Raccoon Levan.

[8:41:29 PM] X-Cop Jay IV V: Jay looked out at it, deciding to join Levan's westward flight.

[8:41:34 PM] Lewot: Do you keep flying way above the grass or dip back farther down?

[8:41:49 PM] Via: I don't know, which is better?

[8:41:54 PM] X-Cop Jay IV V: Yes.

[8:42:12 PM] Andrew Cornell: (just fly above the grass cause why not)

[8:42:24 PM] KV: Miles dips down closer to the grass, then back up to the rest of the party.

[8:42:29 PM] KV: Clearly he enjoys the sensation of flight.

[8:42:41 PM] Lewot: The party flies up and down as they head west.

[8:42:59 PM] Lewot: The raccoon powers allow them to move rather more quickly than their normal walking speed.

[8:43:19 PM] Lewot: They skim over the plains with a rather carefree air...

[8:43:48 PM] KV: "Wheeeeeeeehahahahaha!"

[8:43:58 PM] Via: Levan is a little used to the sensation of flight, perhaps not more controlled flight though.

[8:44:20 PM] Via: It's an interesting experience.

[8:44:35 PM] Lewot: As you all fly, you've lost track of exactly where the shadow was.

[8:44:45 PM] Lewot: You reach the general vicinity and pause in midair.

[8:44:53 PM] Via: Levan looks around.

[8:45:08 PM] Lewot: Levan spins in the air to scan the grass...

[8:45:31 PM] Lewot: She looks south, then east, then north...

[8:45:36 PM] Lewot: She spots it over to the north.

[8:45:45 PM] Lewot: It seemed to cover a lot of ground.
[8:45:48 PM] Lewot: Maybe it can fly too?
[8:45:56 PM] Lewot: But it seems to be down amongst the grass.
[8:45:58 PM] Via: Levon tilts her head again.
[8:46:23 PM] Lewot: You're closer to it than you were, and you think it looks like the outline of a human, but just totally in shadow.
[8:46:40 PM] Lewot: It seems oddly... jittery.
[8:47:15 PM] Lewot: Without apparently crossing the distance in between, the shadow is suddenly standing right below the party.
[8:47:25 PM] Via: "!!"
[8:47:29 PM] Lewot: It seems to stare up at you with its blank shadow face.
[8:47:41 PM] Via: "It's like a... wraith? But it doesn't seem like one..."
[8:47:55 PM] KV: "It's the Slenderman!"
[8:47:58 PM] Lewot: Then it skips to a slightly farther distance.
[8:48:20 PM] Via: "Uhh..."
[8:48:26 PM] Via: (hehe)
[8:48:29 PM] Andrew Cornell: "What in the world is that thing?"
[8:48:34 PM] Lewot: As you examine it, you see that its arms, legs, and head are, separately, randomly teleporting short distances around the torso, which can apparently teleport the whole mass around great distances.
[8:48:56 PM] Andrew Cornell: (brb)
[8:49:01 PM] Lewot: When it teleports, it looks like film skipping.
[8:49:23 PM] Via: "I feel weird..."
[8:49:31 PM] Lewot: It skips back under the party again.
[8:49:51 PM] Lewot: It engages battle!
[8:49:52 PM] Andrew Cornell: (back with pudding)
[8:49:56 PM] Lewot: Pudding
[8:50:01 PM] Andrew Cornell: (...battle pudding)
[8:50:03 PM] Lewot: Your pudding bonuses activate

[8:50:29 PM] KV: Miles flies down to the ground to engage the pudding in battle.
[8:50:39 PM] Via: (OKOSAN)
[8:51:15 PM] Lewot: The shadow does several consecutive film skips around its side of the battlefield, and you occasionally see a purple key visible inside its torso.
[8:51:19 PM] Lewot: Player Phase
[8:51:27 PM] Lewot: Rammen takes 1 damage from the Sticky Barb

[8:51:41 PM] Andrew Cornell: Rammen looks up the creature in the Bestiary!
[8:52:02 PM] Via: "Why does this seem familiar..."
[8:52:50 PM] Andrew Cornell: "Doesn't look like this thing's in the Bestiary!"
[8:53:09 PM] Andrew Cornell: "Hang on, lemme see if I can guesstimate what this thing's stats are..."
[8:53:59 PM] Andrew Cornell: "HmMMM, I'd say it has about 33 HP.....probably about the same amount of VP and MP..."
[8:54:28 PM] Andrew Cornell: "...probably does 5 damage on a basic attack....can't even imagine its special attacks..."
[8:54:44 PM] Andrew Cornell: "I'm pretty sure it has a Brain Power of -5."
[8:54:58 PM] Andrew Cornell: "Can't really say what its Magic or Defense are..."
[8:55:24 PM] Andrew Cornell: ".....I can't even tell what it would be weak or resistant to elementally...."
[8:55:36 PM] Andrew Cornell: "I'm fairly sure we're bound to miss it at times..."
[8:56:02 PM] Andrew Cornell: "...based on its erratic teleportation and skippidy-dee-dah-ness..."
[8:56:21 PM] KV: "Well. Two can play at that game."
[8:56:29 PM] KV: Miles uses PK Dark Step on himself.
[8:56:40 PM] Lewot: Via says her internet completely died =(
[8:56:54 PM] KV: (hate when that happens.)
[8:58:16 PM] Lewot: Miles becomes Dodgy...
[9:00:06 PM] Lewot: She says it's completely not connecting...
[9:00:21 PM] Lewot: What can we do, hmm...
[9:00:46 PM] Andrew Cornell: (SAVE THE DAMSEL IN DISTRESS)
[9:01:54 PM] Andrew Cornell: (SAVE THE ORPHANS)
[9:01:56 PM] Andrew Cornell: (SAVE THE GAME)
[9:02:12 PM] KV: (I'm reading Dangan Ronpa)
[9:02:20 PM] KV: (and my favorite characters are dropping like flies)
[9:02:23 PM] X-Cop Jay IV V: (We could hope.)

[9:03:19 PM] Lewot: Man, this part was for her, too
[9:03:42 PM] KV: (if this part's for her, we should definitely wait for her.)
[9:04:05 PM] Lewot: She just got the blue screen of death D^=
[9:04:18 PM] KV: (aww fuck.)
[9:04:39 PM] Andrew Cornell: (NOOOOOO NOT THE BSOD)
[9:05:09 PM] KV: (brbathroom)
[9:06:12 PM] Lewot: Well, I guess all the stops are being pulled out to stop us.

[9:06:18 PM] Lewot: I did want to start earlier.
[9:08:30 PM] Lewot: With Griselda, it took a half hour each time
[9:08:36 PM] Lewot: so I guess let's at least wait that long
[9:08:43 PM] Lewot: but I should be sleeping soon for work
[9:08:59 PM] Lewot: I'm just me though whatever, I can stay up if it starts working again
[9:09:55 PM] Lewot: as you can see, though, this is a bizarre glitchy enemy, so in a way it's all quite appropriate.
[9:10:02 PM] Lewot: Hmm, there she is on Steam...
[9:11:52 PM] KV: (back)
[9:12:02 PM] Via: h
[9:12:23 PM] Lewot: Well, Jay and Levan remain for the turn.
[9:12:48 PM] Lewot: Now you see where this shadow could pose a real problem, disrupting your connections.
[9:13:10 PM] X-Cop Jay IV V: Attack the creature with a sword!
[9:13:44 PM] KV: (now we're getting laggy messages, Via)
[9:13:56 PM] Lewot: Jay slashes at the shadow with his Steel Sword...
[9:14:14 PM] Lewot: this is 6 with the boost for 8, and the final damage is...
[9:14:24 PM] Lewot: 6!
[9:14:30 PM] Lewot: Does this mean it has a Defense of 2?
[9:14:35 PM] Lewot: You're not sure.
[9:14:36 PM] Lewot: Also...
[9:14:49 PM] Lewot: Nope, nothing else happens.
[9:14:52 PM] Via: "I feel weird."
[9:15:01 PM] KV: "Stay with us, Levan."
[9:15:28 PM] Via: "It looks familiar."
[9:16:35 PM] Via: "Umm... what should I do."
[9:16:40 PM] Lewot: It's hard to tell whether the thing acknowledges Levan's familiarity, with its skipping around.
[9:16:48 PM] Via: Levan attacks it with a thing whatever does the most damage I guess.
[9:17:08 PM] Lewot: Jay~ RHP 5/5, HP 18/55, VP 21/40, MP 5/5, Attack +2 (1), Magic +2 (2), Brain +2 (1)
Levan~ RHP 4/5, HP 27/40, VP 5/55, MP 5/5, Attack +2 (1), Magic +2 (2), Brain +2 (1)
Miles~ RHP 1/5, HP 33/45, VP 6/15, MP 15/40, Attack +2 (1), Magic +2 (2), Brain +2 (1), Dodgy (3)
Rammen~ RHP 2/5, HP 12/45, VP 20/40, MP 15/15, Attack +2 (1), Magic +2 (2), Brain +2 (1)

vs.

???~ HP 27/33?

[9:18:26 PM] Lewot: The Iron Lance and the Javelin would do the same amount. Do you strike it up close or chuck the Javelin?
[9:19:27 PM] KV: (<http://www.youtube.com/watch?v=1zkugyGWBiw>)
[9:20:27 PM] Lewot: That'll be the battle music, I guess, since it does sound kinda glitchy.
[9:20:44 PM] KV: (lololol)
[9:21:41 PM] Lewot: Well, Levan last had the Javelin equipped, so unless a lagging message

says otherwise, I'll go with that one...

[9:22:03 PM] Lewot: The Javelin would do 4 and +2 = 6, and the final damage comes out as...

[9:22:16 PM] Lewot: 1!

[9:22:22 PM] Lewot: Has its Defense increased?

[9:22:31 PM] Lewot: Enemy Phase

[9:22:47 PM] Lewot: the shadow thing randomly takes 1 damage?!

[9:22:57 PM] KV: "What."

[9:23:15 PM] Andrew Cornell: "What a strange creature..."

[9:23:28 PM] Lewot: (Also, you did both hit it despite its skipping around.)

[9:23:41 PM] Lewot: The shadow thing begins to skip around more violently...

[9:24:33 PM] Lewot: It skips all over the battlefield

[9:24:48 PM] Lewot: it briefly teleports inside Rammen for 3 damage!

[9:24:55 PM] Lewot: Then it settles back down somewhat.

[9:25:06 PM] KV: "Wh-"

[9:25:10 PM] Lewot: Player Phase

[9:25:11 PM] KV: "How did-"

[9:25:22 PM] Lewot: er, wait, one more thing...

[9:25:41 PM] Lewot: Rammen's Sticky Barb sticks to the shadow creature!

[9:25:52 PM] Andrew Cornell: *blurck* "I don't feel that great....."

[9:25:52 PM] Lewot: Now Player Phase.

[9:26:09 PM] Lewot: Oh, that attack de-Raccooned Rammen.

[9:26:12 PM] Via: "... Oh."

[9:26:14 PM] Andrew Cornell: (briefly teleports in my freaking insides geez)

[9:26:20 PM] KV: (freaky.)

[9:26:38 PM] Andrew Cornell: (sure hope I can still spit up my trachea later)

[9:27:18 PM] Lewot: Jay~ RHP 5/5, HP 18/55, VP 21/40, MP 5/5, Magic +2 (1)

Levan~ RHP 4/5, HP 27/40, VP 5/55, MP 5/5, Magic +2 (1)

Miles~ RHP 1/5, HP 33/45, VP 6/15, MP 15/40 Magic +2 (1), Dodgy (2)

HP 12/45, VP 20/40, MP 15/15, Magic +2 (1)

vs.

???~ HP 25/33?

[9:28:14 PM] X-Cop Jay IV V: Jay goes ahead and attacks this creature.

[9:28:22 PM] X-Cop Jay IV V: With a sword, of course.

[9:28:24 PM] Lewot: Jay attempts another sword attack

[9:28:42 PM] Lewot: this time the shadow skips just at the right time, and Jay misses.

[9:28:52 PM] X-Cop Jay IV V: "Blast. This thing."

[9:29:33 PM] KV: Miles starts flying, circling the shadow several times at high speed.

[9:29:36 PM] KV: Miles used Whirlwind!

[9:30:10 PM] Lewot: Somehow the shadow skips enough to avoid any damage from Whirlwind, either!

[9:30:24 PM] Lewot: Miles doesn't become Dizzy, though.

[9:30:41 PM] Andrew Cornell: Rammen lashes out at the shadow with his whip!

[9:31:02 PM] Lewot: Rammen's whip misses as well!

[9:31:16 PM] Andrew Cornell: "Blast, this shadow's moving too fast!"
[9:31:32 PM] Lewot: You're unsure how your chances work.
[9:32:57 PM] Lewot: And Levan? (Who might already have a message coming up...)
[9:34:22 PM] Via: she attacks with a thing
[9:34:35 PM] Lewot: Javelin or Iron Lance?
[9:34:48 PM] Lewot: Or you could try Flame Lance, since you don't know its elemental modifiers
[9:35:35 PM] Via: lame alnde
[9:35:44 PM] Lewot: Levan chucks the Flame Lance!
[9:36:00 PM] KV: (no, she chucks the lame alnde.)
[9:36:57 PM] Lewot: The Flame Lance deals 0 damage. However, you can tell that this was from this thing's apparently fluctuating Defense Power rather than an elemental immunity. It looked like its Fire modifier is just neutral.
[9:37:25 PM] Andrew Cornell: (come on, KV, you know lame alnde translates from its Greek and Spanish roots into the Latinized Anglican words Fiery Point Object referred to more commonly by the peasant folk of Eastern Czechoslovakia as a Flame Lance)
[9:37:32 PM] Lewot: Enemy Phase
[9:37:46 PM] Lewot: the shadow is randomly healed by 1 HP?!
[9:37:58 PM] Lewot: But then it gets hurt by 1 from the Sticky Barb.
[9:37:58 PM] KV: "Okay what's going on."
[9:38:36 PM] Lewot: The shadow skips around crazily again...
[9:38:39 PM] Andrew Cornell: "I would assume this creature's ever-shifting form is allowing it random effects and stats," I reply.
[9:39:03 PM] Lewot: The shadow briefly appears in front of Miles and punches him for 5 damage...
[9:39:23 PM] Lewot: (getting past Dodgy)
[9:39:39 PM] KV: Miles coughs.
[9:39:47 PM] KV: "That hurt.."
[9:39:48 PM] Lewot: it briefly appears behind Levan and trips her for 1 damage
[9:40:45 PM] Lewot: and it briefly appears in front of Rammen and headbutts him for...
[9:40:51 PM] Lewot: 0 damage.
[9:40:58 PM] Lewot: Player Phase
[9:41:58 PM] Lewot: Jay~ RHP 5/5, HP 18/55, VP 21/40, MP 5/5
Levan~ RHP 3/5, HP 27/40, VP 5/55, MP 5/5
Miles~ HP 33/45, VP 6/15, MP 12/40, Dodgy (1)
Rammen~ HP 12/45, VP 20/40, MP 15/15

vs.

???~ HP 25/33?

[9:42:07 PM] Lewot: Wait, Miles, what's your MP at?
[9:42:20 PM] KV: (12. You've got it.)
[9:42:23 PM] Lewot: Okay.
[9:42:40 PM] Lewot: Well, nobody managed to do anything to it last turn. What do you do now?
[9:43:18 PM] Andrew Cornell: Rammen lashes out again with his whip!

[9:43:52 PM] Lewot: Rammen's whip strikes, but deals 0 damage.
[9:44:14 PM] Lewot: Also, Rammen becomes Slow for 2 turns!
[9:44:39 PM] KV: (bet you're having all sorts of fun with the RNG)
[9:44:43 PM] X-Cop Jay IV V: Jay goes for an Uber Klaw attack.
[9:45:20 PM] KV: Miles nocks an arrow, takes aim at the Shadow, and fires.
[9:45:22 PM] Lewot: The shadow skips, causing Jay's claws to miss.
[9:45:37 PM] Lewot: Miles' arrow, however, hits...
[9:45:40 PM] X-Cop Jay IV V: "I am not having much luck at this."
[9:45:45 PM] Lewot: for 1 damage.
[9:45:45 PM] Via: Levan thinks for a minute.
[9:46:31 PM] Via: She's in really deep thought.
[9:46:48 PM] KV: (Could it be we're seeing her new attack?)
[9:52:04 PM] Via: (Oops I don't think I'd have enough VP for it)
[9:52:22 PM] Via: (lol ,)
[9:52:25 PM] Lewot: You might want to eat Miles' Jelly Sandwich at some point.
[9:52:36 PM] Lewot: He already acted, though.
[9:52:54 PM] Lewot: You have some items yourself...
[9:53:03 PM] Via: (I forget whaty they do)
[9:53:30 PM] Lewot: Lemme check
[9:55:18 PM] Via: (I just want to know if any o them restore VP)
[9:57:03 PM] Lewot: Okay, the Pomegranate Tea will do this really hard thing to calculate where it randomly heals either HP, VP, or MP by 1, and repeats that a total of 30 times
[9:57:14 PM] Lewot: the tea also cures Status Problems
[9:57:23 PM] Via: (ehhh I think I'd rather save it)
[9:57:26 PM] Lewot: Molasses Tea gives you a VP Trickle, so it'll heal it, but slowly
[9:57:38 PM] Via: (so even though this attack is nameless can I still use it)
[9:57:43 PM] Lewot: yes
[9:57:50 PM] Via: (hehe nameless)
[9:57:54 PM] Lewot: also, Molasses Tea's Trickle heals 5 VP per turn
[9:57:57 PM] Lewot: for 10 turns
[9:58:06 PM] KV: (oh wow.)
[9:58:08 PM] Lewot: Trickles can heal more than 1 per turn.
[9:58:48 PM] Via: (does that run over into other battles or if a battle end before 10 turns does that mean i watsed it)
[9:58:54 PM] Via: (typos)
[9:58:54 PM] Lewot: It carries over.
[9:59:04 PM] Via: (oh awesome I could use it after trying this then)
[9:59:57 PM] Lewot: (Now's when I should be asleep, but this battle is worth staying up for)
[10:00:01 PM] Via: Levan seems to realize something--or remember something--but wants to experiment somehow.
[10:00:06 PM] Via: (I'm sorry I love you)
[10:00:24 PM] Lewot: (I put a lot of work into this one)
[10:01:00 PM] Via: Levan tries a thing!
[10:01:33 PM] Lewot: Levan attempts her new attack which is currently nameless but which is an improved version of Te Manipulo!

[10:01:38 PM] KV: (please tell me that's the official name)
[10:01:43 PM] KV: ("Try a Thing")
[10:01:45 PM] Lewot: It could be
[10:01:50 PM] Via: (omg)
[10:02:03 PM] X-Cop Jay IV V: ("Untitled")
[10:02:05 PM] Lewot: the attack costs 5 VP and will inflict both Confusion and High
[10:02:18 PM] Lewot: the shadow doesn't manage to skip past it
[10:02:30 PM] Lewot: however, the shadow is still unaffected!
[10:02:38 PM] KV: "Whaa-?"
[10:02:39 PM] Via: "Oh... that..."
[10:02:48 PM] Via: "That means... oh."
[10:03:10 PM] Lewot: Enemy Phase
[10:03:34 PM] Lewot: the shadow is randomly healed by 1 HP, but then takes 1 damage from the Sticky Barb.
[10:03:54 PM] Lewot: The shadow does its skippy attack again...
[10:04:10 PM] Lewot: It hits Levan for 0 damage.
[10:04:29 PM] Lewot: Player Phase
[10:04:38 PM] Lewot: since Rammen is Slow, he can't act this turn!
[10:05:03 PM] Lewot: Jay~ RHP 5/5, HP 12/55, VP 21/40, MP 5/5
Levan~ RHP 3/5, HP 27/40, VP 0/55, MP 5/5
Miles~ HP 33/45, VP 6/15, MP 12/40
Rammen~ HP 12/45, VP 20/40, MP 15/15, Slow (1)

vs.

???~ HP 24/33?

[10:05:03 PM] Via: "I think it knows my name."
[10:05:11 PM] Via: "But it can't really do much with it."
[10:05:38 PM] Via: Levan uses the Molasses Tea !
[10:06:01 PM] Lewot: Levan sips the tea and attains a Trickle.
[10:06:12 PM] KV: Miles drinks his Lime Juice.
[10:06:21 PM] Via: (I want lime juice...)
[10:06:31 PM] KV: (me too. I really do love limes.)
[10:06:39 PM] Via: (I love lime juice so much)
[10:07:00 PM] Lewot: Miles restores 1 HP and 15 MP!
[10:07:33 PM] Via: "So this thing knows my name, which means..."
[10:07:42 PM] Via: "It might be a failed experiment or something..."
[10:07:50 PM] Lewot: Jay remains.
[10:07:53 PM] KV: "A failed experiment?"
[10:07:56 PM] Lewot: Rammen is moving in slow-mo.
[10:08:22 PM] Lewot: Jay~ RHP 5/5, HP 12/55, VP 21/40, MP 5/5
Levan~ RHP 3/5, HP 27/40, VP 0/55, MP 5/5, 5 VP Trickle (10)
Miles~ HP 34/45, VP 6/15, MP 27/40
Rammen~ HP 12/45, VP 20/40, MP 15/15, Slow (1)

vs.

???~ HP 24/33?

[10:08:39 PM] Via: "Either a failed experiment, or worse..."

[10:08:48 PM] Via: "I'm... scared."

[10:08:55 PM] KV: Miles looked confused. "What could be worse?"

[10:09:06 PM] X-Cop Jay IV V: Jay goes ahead for another sword attack.

[10:09:23 PM] Lewot: Jay misses as the shadow skips again!

[10:09:25 PM] Via: "You know when you take a copy of something, and copy from that copy, and copy that copy..."

[10:09:54 PM] Via: "I don't know what you call it." She still has some difficulties with English.

[10:10:00 PM] Lewot: Enemy Phase, it once more gets healed by 1 and hurt by the Sticky Barb...

[10:10:14 PM] Lewot: It skips around...

[10:10:42 PM] Lewot: It appears above Miles doing a falling kick for 0 damage.

[10:10:49 PM] X-Cop Jay IV V: "I think I may cry."

[10:11:01 PM] KV: "This is starting to get irritating."

[10:11:16 PM] Lewot: (At least be thankful the Sticky Barb hasn't latched onto any of you yet.)

[10:11:24 PM] Via: "I'm starting to freak out a little..."

[10:11:29 PM] Lewot: Player Phase, Levan is healed by 5 VP

[10:11:45 PM] Via: Levan tries to attack the thing with a thing!

[10:11:52 PM] Lewot: Rammen can act again

[10:12:03 PM] Lewot: Iron Lance, Javelin, Flame Lance?

[10:12:26 PM] Via: javelin

[10:12:47 PM] Lewot: Levan throws the Javelin, but misses.

[10:12:53 PM] Lewot: Man, is this thing ever dodgy!

[10:13:13 PM] KV: Miles tries Whirlwind again!

[10:14:00 PM] Lewot: Whirlwind deals 3 damage to the shadow!

[10:14:13 PM] Lewot: Nobody becomes Dizzy.

[10:14:31 PM] Lewot: Jay~ RHP 5/5, HP 12/55, VP 21/40, MP 5/5

Levan~ RHP 3/5, HP 27/40, VP 5/55, MP 5/5, 5 VP Trickle (9)

Rammen~ HP 12/45, VP 20/40, MP 15/15

vs.

???~ HP 21/33?

[10:14:50 PM] KV: (I should mention, Whirlwind has a chance to cause Dizziness in each target as well as in Miles.)

[10:15:07 PM] Lewot: Jay and Rammen remain.

[10:15:21 PM] KV: (Milo's opening attack, Vaudeville Headbutt, has much the same chance.)

[10:15:44 PM] X-Cop Jay IV V: Oh, well then I'll just sword attack again.

[10:15:49 PM] Lewot: Rammen is still technically Slow, but on the mobile turn of it.

[10:15:55 PM] Lewot: Jay attempts another slash...

[10:16:07 PM] Lewot: He misses again!

[10:16:09 PM] Lewot: Man.

[10:16:35 PM] Via: (lol)
[10:16:38 PM] KV: "This thing's really jerkin' you around, isn't it?"
[10:17:01 PM] Lewot: The shadow does not appear to show any smugness.
[10:17:12 PM] Lewot: But it doesn't really have a face.
[10:17:30 PM] Andrew Cornell: Rammen whips at it again!
[10:17:51 PM] Lewot: Rammen's whip hits for 2 damage!
[10:18:00 PM] Via: "This isn't really far from what I really am..."
[10:18:11 PM] Lewot: It's at 19 HP <3
[10:18:20 PM] Lewot: Enemy Phase
[10:18:20 PM] Via: (<3)
[10:18:33 PM] Lewot: once more, it gets healed by 1 and then hurt by the Sticky Barb for 1...
[10:19:01 PM] Lewot: It skips around everywhere...
[10:19:21 PM] Via: "I wonder whose essence this is."
[10:19:25 PM] Lewot: It appears in front of Jay holding a large shadowy hammer and hits him over the head with it for 0 damage...
[10:19:42 PM] KV: "Y'know..."
[10:19:46 PM] KV: "It's almost kinda funny."
[10:19:59 PM] Lewot: It appears next to Levan holding a shadowy sword and slashes her for 0 damage...
[10:20:15 PM] Via: Levan tilts her head.
[10:20:34 PM] Lewot: and it appears in the form of a shadowy bird and dive-bombs Rammen for 4 damage!
[10:20:46 PM] Via: (hehehe pokemon)
[10:21:00 PM] Andrew Cornell: "GRARRRRRRRGH I HATE BIRDS!!"
[10:21:19 PM] Lewot: Also, the Sticky Barb sticks back onto Rammen.
[10:21:33 PM] Lewot: Player Phase, Rammen is hurt by the Sticky Barb and Levan gets 5 VP
[10:22:00 PM] Lewot: Jay~ RHP 5/5, HP 12/55, VP 21/40, MP 5/5
Levan~ RHP 3/5, HP 27/40, VP 10/55, MP 5/5, 5 VP Trickle (music)
Miles~ HP 34/45, VP 6/15, MP 22/40
Rammen~ HP 7/45, VP 20/40, MP 15/15

vs.

???~ HP 19/33?

[10:22:24 PM] Via: "What is?"
[10:22:46 PM] Lewot: The music is 8 turns.
[10:23:05 PM] KV: "This shadow thing here."
[10:23:11 PM] Via: "Why?"
[10:23:29 PM] KV: "Nothing we do seems to affect it much, but it also hardly seems to be affecting us."
[10:23:46 PM] KV: "It's attacking us with things like hammers and swords, but not much is hitting hard."
[10:23:55 PM] KV: "Almost like a cartoon, don't you think?"
[10:24:40 PM] Andrew Cornell: Rammen grumbles at this comment as he drinks his Oolong Tea
[10:25:01 PM] Via: "Yeah..."

[10:25:05 PM] Lewot: In its position on the enemy battlefield, the shadow briefly takes the shape of Spongebob, followed by the shape of Cthulhu.
[10:25:15 PM] Lewot: Rammen heals 10 of each stat!
[10:25:16 PM] KV: (loooooo)
[10:25:54 PM] Via: "It has some kind of conscious thought, but it's incredibly small."
[10:26:12 PM] Via: "Because it's still part of someone."
[10:26:20 PM] Via: "Well, from someone."
[10:27:23 PM] Lewot: Everyone but Rammen remains.
[10:27:51 PM] Via: For some reason I thought it was enemy phase sorry
[10:27:58 PM] Via: Levan attacks with the iron lance Thing
[10:28:09 PM] Lewot: Levan strikes with the Iron Lance...
[10:28:22 PM] Lewot: but misses.
[10:28:36 PM] KV: Miles fires another arrow at the Skipshadow.
[10:28:42 PM] KV: (for lack of a better name.)
[10:28:59 PM] Lewot: Miles' arrow hits for 4 damage.
[10:29:51 PM] Lewot: Does Jay dare try again? =P
[10:32:26 PM] X-Cop Jay IV V: Sure, why not.
[10:32:56 PM] Lewot: IT'S A HIT!
[10:33:04 PM] Lewot: For 4 damage.
[10:33:08 PM] KV: Miles pumps his fist.
[10:33:15 PM] KV: "Yes! 'Bout time you landed one!"
[10:33:45 PM] Lewot: Enemy Phase
[10:33:59 PM] Lewot: the thing is randomly hurt by 1
[10:34:15 PM] Lewot: it skips around...
[10:34:50 PM] Lewot: It bites Jay for 1 damage and 1 to armor.
[10:35:33 PM] X-Cop Jay IV V: "Woo hoo!" Jay cheers, despite getting attacked anyway.
[10:35:35 PM] Lewot: Player Phase, Rammen is hurt by the Sticky Barb and Levan is healed by 5 VP
[10:36:38 PM] Lewot: Jay~ RHP 4/5, HP 12/55, VP 21/40, MP 5/5
Levan~ RHP 3/5, HP 27/40, VP 15/55, MP 5/5, 5 VP Trickle (7)
Miles~ HP 34/45, VP 6/15, MP 22/40
Rammen~ HP 17/45, VP 30/40, MP 15/15

vs.

???~ HP 10/33?

[10:36:54 PM] Lewot: Er, Rammen's at 16 HP
[10:37:01 PM] Via: Levan tries iron lance again!
[10:37:08 PM] KV: Miles pulls out his Heal Staff and casts Dia on Rammen!
[10:37:31 PM] Lewot: 9 HP is restored to Rammen...
[10:37:36 PM] KV: (my current MP should be 24.)
[10:37:41 PM] KV: (19 after this.)
[10:37:41 PM] Lewot: Levan misses again.
[10:37:49 PM] Andrew Cornell: "Thanks for the boost," I say to Miles.
[10:38:03 PM] Lewot: Oh, right, I took away too much...

[10:38:05 PM] Andrew Cornell: Then Rammen whips the shadowy thing again again!

[10:38:37 PM] Lewot: Rammen misses too.

[10:38:52 PM] Lewot: (This thing is so much harder to hit than I'd expected =P)

[10:39:19 PM] Lewot: Jay succeeded last time, maybe again?

[10:52:53 PM] Andrew Cornell: "What just happened?" I ask the others.

[10:52:59 PM | Edited 10:53:03 PM] Via: Levan falls to the ground.

[10:53:03 PM] KV: Miles turns around to face away from the group

[10:53:08 PM] KV: and promptly throws up in the grass.

[10:53:53 PM] X-Cop Jay IV V: "I feel like this wasn't intended to happen. But we should take the key and go."

[10:54:02 PM] X-Cop Jay IV V: "This place has a corrupt air about it."

[10:54:07 PM] Andrew Cornell: I cringe a little as Miles pukes then proceed to pick up the key.

[10:54:20 PM] Lewot: Rammen reaches for the key.

[10:54:28 PM] Lewot: Rammen got the Purple Castle Key!

[10:54:29 PM] Via: "I feel kinda tingly..."

[10:54:35 PM] KV: "Ugh..."

[10:54:41 PM] Lewot: In the grass next to the key, Rammen notices two more items.

[10:54:58 PM] Lewot: One is a chunk of meat shaped like a volcano.

[10:55:09 PM] KV: (Yeeeessss)

[10:55:09 PM] Via: Levan's English gets scrambled up.

[10:55:27 PM] Via: (omg america from west side story just started playing on my shuffle thank you itunes)

[10:55:35 PM] Lewot: The other is a Shy Guy mask.

[10:55:40 PM] Andrew Cornell: "Huh..."

[10:55:46 PM] Andrew Cornell: I pick up both the meat and the mask.

[10:55:54 PM] Andrew Cornell: "I wonder why these are here."

[10:56:02 PM] Lewot: Rammen got the VOLCANO BAKEMEAT and the Fright Mask!

[10:56:03 PM] Via: She tries to stand up.

[10:57:13 PM] Via: She wobbles around a bit.

[10:57:19 PM] Lewot: Everything seems to be back to normal now.

[10:57:25 PM] X-Cop Jay IV V: Jay checks his sixth inventory slot.

[10:57:59 PM] Via: "I'm scared."

[10:58:08 PM] Lewot: Jay finds some extra VOLCANO BAKEMEAT in his sixth slot.

[10:58:20 PM] KV: Miles turns around, feeling somewhat less queasy.

[10:58:30 PM] KV: "It's gone now, Levan. It can't hurt you."

[10:58:59 PM] Via: "Well... there's something I'm afraid of more than that..."

[10:59:03 PM] Andrew Cornell: "What are you guys talking about again?"

[10:59:12 PM] Andrew Cornell: It appears I can't remember what just happened.

[10:59:15 PM] Via: "Hi."

[10:59:27 PM] Andrew Cornell: "Hi!"

[10:59:33 PM] KV: "...Hi?"

[11:00:05 PM] X-Cop Jay IV V: "Hellow."

[11:00:40 PM] Via: "Rammen, do you remember anything about what just happened?"

[11:00:44 PM] Lewot: (Oh yeah, I should've noted when Whirlwind hit it that it was weak to wind =P)

[11:00:57 PM] Andrew Cornell: "Anything about what just what?"

[11:01:05 PM] Via: "As I expected."

[11:01:15 PM] Andrew Cornell: "Expected what now?"

[11:01:27 PM] KV: (oh, I see.)

[11:01:55 PM] KV: "Hm?"

[11:02:19 PM] Lewot: The sun, the wind, the rustling... etc. Despite some memory loss and some extra BAKEMEAT, everything really does seem to be back to normal.

[11:03:07 PM] Via: "I'm, uh... there's... word I can't think of..."

[11:03:18 PM] Via: "We should get the rest of the things."

[11:03:46 PM] X-Cop Jay IV V: "The keys?"

[11:03:59 PM] Lewot: Jay and Levan are still in Raccoon Form.

[11:04:08 PM] Lewot: Miles has the Winged Sandals, though, so he can fly too.

[11:04:42 PM] X-Cop Jay IV V: Jay wiggled his raccoon tail. "This is oddly more fun to play with than my regular tail."

[11:05:22 PM] Lewot: I really have to go to sleep now, so you should probably fly back and hit the Save Block.

[11:05:24 PM] Via: "Yes, the keys."

[11:05:32 PM] Andrew Cornell: "Er-hem, yes, well, I suppose we should head back and hit that block back at the castle," I say.

[11:05:37 PM] KV: Miles does so.

[11:05:39 PM] Andrew Cornell: "Could someone give me a lift?"

[11:05:53 PM] Andrew Cornell: (gosh darnit Lewot thinking of things I'm thinking

[11:07:46 PM] Lewot: Levan can grab Rammen and use her ability to carry him

[11:07:55 PM] Lewot: actually, she has fairly high Strength anyway

[11:08:12 PM] Lewot: you fly back to behind the Castle and Miles hits the Save Block.

[11:08:25 PM] Lewot: I probably won't update your sheets until tomorrow, though.

[11:08:57 PM] Lewot: Now, you've got the whole rest of the plains to scour for the last key.

[11:09:08 PM] Lewot: We'll probably try to play someone else's game next time.
