

[5/12/2014 9:47:10 PM] Grate Oracle Lewot: We'll start with Levity in a minute (heart)

[5/12/2014 9:50:41 PM] actually sephiroth irl (via): okay

[5/12/2014 9:50:43 PM] actually sephiroth irl (via): give me a sec

[5/12/2014 9:55:25 PM] Grate Oracle Lewot: I'll set you up and you can start when you're ready (heart)

[5/12/2014 9:56:12 PM] Grate Oracle Lewot: Levity is inside another room on the airship. Like the other room, it's got a port hole window and wooden benches. She's kind of laying on the bench, and she's just waking back up.

[5/12/2014 9:56:36 PM] Grate Oracle Lewot: She doesn't know anything about the other players, of course, so she doesn't know where her room is relative to theirs.

[5/12/2014 9:56:55 PM] Grate Oracle Lewot: She doesn't remember much about boarding. It's kind of a blur. She was tired.

[5/12/2014 9:57:15 PM] Grate Oracle Lewot: When you're ready, she can exit her room and explore the airship.

[5/12/2014 9:58:31 PM] actually sephiroth irl (via): oh

[5/12/2014 9:58:33 PM] actually sephiroth irl (via): What do I do?

[5/12/2014 9:58:43 PM] Grate Oracle Lewot: Well, start by going out of your room...

[5/12/2014 9:59:07 PM] Grate Oracle Lewot: When Levity runs into the other players, then we'll move her to the main window.

[5/12/2014 9:59:44 PM] Grate Oracle Lewot: And presumably she will be freaked out by Levan and battle them.

[5/12/2014 10:03:41 PM] actually sephiroth irl (via): so in this window or the other one?

[5/12/2014 10:04:28 PM] Grate Oracle Lewot: In this one for now, since she's separate.

[5/12/2014 10:04:46 PM] Grate Oracle Lewot: Remember, we're doing Levity as a second character?

[5/12/2014 10:04:51 PM] actually sephiroth irl (via): Yes

[5/12/2014 10:04:57 PM] actually sephiroth irl (via): Sorry I'm kinda feeling weird

[5/12/2014 10:05:04 PM] Grate Oracle Lewot: It's okay

[5/12/2014 10:05:09 PM] Grate Oracle Lewot: do you not want to play?

[5/12/2014 10:05:15 PM] actually sephiroth irl (via): I want to

[5/12/2014 10:05:18 PM] actually sephiroth irl (via): I am just in daze

[5/12/2014 10:05:25 PM] actually sephiroth irl (via): so pardon if I ask a lot of questions

[5/12/2014 10:05:50 PM] Grate Oracle Lewot: It's okay ily (heart)

[5/12/2014 10:06:14 PM] Grate Oracle Lewot: It's awkward by yourself, I know.

[5/12/2014 10:06:26 PM] Grate Oracle Lewot: Let's assume she goes out of the room?

[5/12/2014 10:08:25 PM] actually sephiroth irl (via): Yes

[5/12/2014 10:08:41 PM] actually sephiroth irl (via): She is probably kinda, I dunno, she might trip over something on accident

[5/12/2014 10:08:55 PM] Grate Oracle Lewot: She kinda stumbles out the doorway.

[5/12/2014 10:09:20 PM] Grate Oracle Lewot: She finds herself in a lounge room. Couches, beanbags, etc. You don't know if this is the same room that the other players are in or not.

[5/12/2014 10:09:26 PM] Grate Oracle Lewot: There are lots of people.

[5/12/2014 10:09:32 PM] Grate Oracle Lewot: She's kind of at the back end of the room

[5/12/2014 10:09:49 PM] Grate Oracle Lewot: to her right, there's a longer wall with a door in the middle

[5/12/2014 10:10:57 PM] Grate Oracle Lewot: and, erm, forward is people, left is people...

[5/12/2014 10:11:10 PM] Grate Oracle Lewot: left and another left is the room next to Levity's room

[5/12/2014 10:11:14 PM] Grate Oracle Lewot: so like, another passenger room

[5/12/2014 10:11:21 PM] Grate Oracle Lewot: these are kinda like train passenger rooms

[5/12/2014 10:11:30 PM] Grate Oracle Lewot: (I've never been on a train, but they're not like planes)

[5/12/2014 10:12:36 PM] Grate Oracle Lewot: so, erm, she could see if anyone's in the room next to hers, she could mingle with the crowd, or she could look at the door to the right (it's a little ways ahead).

[5/12/2014 10:13:05 PM] Grate Oracle Lewot: Here's her character sheet <https://sites.google.com/site/hannabartpekopon/home/game-2/player-characters/start-levity>

[5/12/2014 10:14:10 PM] actually sephiroth irl (via): She might just kinda search around before mingling with people

[5/12/2014 10:14:50 PM] Grate Oracle Lewot: There don't appear to be any items lying around in her room or in the corner of the lounge room...

[5/12/2014 10:15:03 PM] Grate Oracle Lewot: She slips along the back wall...

[5/12/2014 10:15:24 PM] Grate Oracle Lewot: She comes to that door. It's marked "Storage Room".

[5/12/2014 10:15:40 PM] Grate Oracle Lewot: Levity has 9 Hand-Eye so she can pretty much pick any lock.

[5/12/2014 10:17:46 PM] Grate Oracle Lewot: Nobody's paying her much attention.

[5/12/2014 10:19:04 PM] actually sephiroth irl (via): She just kinda keeps sneaking around?

[5/12/2014 10:19:17 PM] Grate Oracle Lewot: She sneaks further along the wall...

[5/12/2014 10:19:32 PM] Grate Oracle Lewot: She comes to the adjacent wall. There's another passenger room door.

[5/12/2014 10:19:54 PM] Grate Oracle Lewot: Sneak past it or try to open it?

[5/12/2014 10:23:16 PM] actually sephiroth irl (via): Try to open it.

[5/12/2014 10:23:28 PM] Grate Oracle Lewot: This door... is unlocked.

[5/12/2014 10:23:33 PM] Grate Oracle Lewot: Levity opens it.

[5/12/2014 10:23:40 PM] Grate Oracle Lewot: There's nobody inside.

[5/12/2014 10:23:46 PM] Grate Oracle Lewot: Whoever was in there must be in the crowd.

[5/12/2014 10:24:04 PM] Grate Oracle Lewot: There isn't anything too obvious in the room...

[5/12/2014 10:24:28 PM] Grate Oracle Lewot: In one corner of the bench seating, there's a Mushroom left behind.

[5/12/2014 10:24:41 PM] Grate Oracle Lewot: That's about it.

[5/12/2014 10:29:52 PM] actually sephiroth irl (via): Huh.

[5/12/2014 10:29:57 PM] actually sephiroth irl (via): Does she have room for it?

[5/12/2014 10:30:38 PM] Grate Oracle Lewot: 1) Nevermeltice

2) Levity Gourmet Marshmallows (15/15)

3) Nukimaki Onigiri

4) Four-Bean Salad

5) Cotton Fuzzy

6) Pomegranate

7) Chocolate Pickle

8)

9)

10)

[5/12/2014 10:30:40 PM] Grate Oracle Lewot: Yep

[5/12/2014 10:31:53 PM] actually sephiroth irl (via): Okay cool

[5/12/2014 10:32:15 PM] actually sephiroth irl (via): She takes it

[5/12/2014 10:32:22 PM] Grate Oracle Lewot: Mushroom acquired

[5/12/2014 10:32:40 PM] Grate Oracle Lewot: go back out and keep going along the wall, or go into the crowd?

[5/12/2014 10:34:05 PM] actually sephiroth irl (via): Probably try to sneak into the crowd

[5/12/2014 10:34:38 PM] Grate Oracle Lewot: Levity slips out of the room and into the crowd...

[5/12/2014 10:34:58 PM] actually sephiroth irl (via): What now?

[5/12/2014 10:35:47 PM] Grate Oracle Lewot: She doesn't see the other players around the crowd, not that she's looking for them...

[5/12/2014 10:35:58 PM] Grate Oracle Lewot: She could look at some more doors.

[5/12/2014 10:36:07 PM] Grate Oracle Lewot: The one across from the storage room appears to be the cockpit.

[5/12/2014 10:36:17 PM] Grate Oracle Lewot: There's a staircase leading downward

[5/12/2014 10:36:36 PM] Grate Oracle Lewot: on the right side of the plane

[5/12/2014 10:37:11 PM] Grate Oracle Lewot: There doesn't appear to be an upward staircase anywhere, so this must be the top floor, other than the roof.

[5/12/2014 10:38:43 PM] actually sephiroth irl (via): She kinda yawns and wonders what she should do.

[5/12/2014 10:39:23 PM] actually sephiroth irl (via): She wouldn't want to bother anyone in the cockpit but she's not really thinking clearly.

[5/12/2014 10:39:33 PM] Grate Oracle Lewot: I don't know what she's been doing before this, so I'm not sure if she's trying to achieve anything in particular.

[5/12/2014 10:40:18 PM] actually sephiroth irl (via): She's just trying to figure out where she is for now and why she's here. Since she's thieffy she kinda takes whatever

[5/12/2014 10:40:25 PM] actually sephiroth irl (via): This place doesn't mean much to her anyway

[5/12/2014 10:40:51 PM] actually sephiroth irl (via): She probably peers down the downward staircase

[5/12/2014 10:40:57 PM] actually sephiroth irl (via): staircase

[5/12/2014 10:40:59 PM] actually sephiroth irl (via): lol nice typo

[5/12/2014 10:41:04 PM] Grate Oracle Lewot: There appear to be two people coming up the staircase.

[5/12/2014 10:41:07 PM] Grate Oracle Lewot: ((heart))

[5/12/2014 10:41:29 PM] Grate Oracle Lewot: One is a boy with gloves and a bow

[5/12/2014 10:41:38 PM] Grate Oracle Lewot: the other is floating a bit in the air...

[5/12/2014 10:41:53 PM] Grate Oracle Lewot: she looks similar to Levity...

[5/12/2014 10:42:12 PM] Grate Oracle Lewot: but as far as Levity knew, Levan was dead...

[5/12/2014 10:42:49 PM] Grate Oracle Lewot: I guess we'll move to the main window.

[5/12/2014 10:43:29 PM] actually sephiroth irl (via): Levity kinda squints her eyes

[5/12/2014 10:44:07 PM] Grate Oracle Lewot: It definitely looks exactly like the Levan that had

been extracted from Levity.

[5/12/2014 10:46:30 PM] Grate Oracle Lewot: For weapons, Levity has a Dagger, which will deal two hits of 6 damage; a Stiletto, which will deal two hits of 3 damage but pierce defense and armor; a Knife, which is an Ice element knife that will deal two hits of 3 damage and pierce defense but not armor; and a Shoulder-Mounted Bill Blaster loaded with a single Bullet Bill, which will deal one hit of 6 damage.

[5/12/2014 10:46:45 PM] Grate Oracle Lewot: If you want to make a First Strike.

[5/12/2014 10:49:12 PM] actually sephiroth irl (via): hmhhh

[5/12/2014 10:49:46 PM] Grate Oracle Lewot: She has a Bizarre Belt, so she can carry more weapons, too, if she wants to steal them

[5/12/2014 10:49:57 PM] Grate Oracle Lewot: and she has regular items

[5/12/2014 10:50:11 PM] Grate Oracle Lewot: the Nukimaki Onigiri deals 19 damage and heals Levity by damage dealt.

[5/12/2014 10:51:21 PM] Grate Oracle Lewot: You should try to win as Levity to make it hard (cat)

[5/12/2014 10:51:43 PM] actually sephiroth irl (via): What would happen if Levity wins

[5/12/2014 10:52:01 PM] Grate Oracle Lewot: Whoever wins, Lewot will revive the other team.

[5/12/2014 10:52:11 PM] actually sephiroth irl (via): ohhh

[5/12/2014 10:52:27 PM] actually sephiroth irl (via): I think Levity would probably shout something?

[5/12/2014 10:52:30 PM] actually sephiroth irl (via): Like what

[5/12/2014 10:52:34 PM] actually sephiroth irl (via): what would she say

[5/12/2014 10:52:37 PM] actually sephiroth irl (via): she would say something

[5/12/2014 10:52:49 PM] Grate Oracle Lewot: You can specify who's talking in the other window

[5/12/2014 10:52:51 PM] Grate Oracle Lewot: let's see

[5/12/2014 10:53:11 PM] Grate Oracle Lewot: I mean you know the character

[5/12/2014 10:53:52 PM] Grate Oracle Lewot: who are you, what are you, you're dead, I thought you were dead, what's going on here, what's happening

[5/12/2014 10:54:07 PM] Grate Oracle Lewot: those are pretty generic

[5/12/2014 10:56:50 PM] actually sephiroth irl (via): can I get a first strike

[5/12/2014 10:56:52 PM] actually sephiroth irl (via): how do I

[5/12/2014 10:57:14 PM] Grate Oracle Lewot: Just say that she lunges at Levan with a weapon of your choice.

[5/12/2014 11:13:46 PM] actually sephiroth irl (via): what do all of the items do again

[5/12/2014 11:14:30 PM] Grate Oracle Lewot: Nukimaki Onigiri does 19 damage and heals Levity by 19

[5/12/2014 11:14:44 PM] Grate Oracle Lewot: Four-Bean Salad is all stats +4 for 4 turns

[5/12/2014 11:14:59 PM] Grate Oracle Lewot: Nevermeltice is just a held item

[5/12/2014 11:15:11 PM] Grate Oracle Lewot: each Levity Gourmet Marshmallow heals 19 VP

[5/12/2014 11:15:21 PM] Grate Oracle Lewot: Cotton Fuzzy will make someone High

[5/12/2014 11:15:29 PM] Grate Oracle Lewot: Pomegranate heals random stats

[5/12/2014 11:15:32 PM] Grate Oracle Lewot: and Mushroom is 5 HP.

[5/12/2014 11:15:39 PM] actually sephiroth irl (via): what does high do again

[5/12/2014 11:15:57 PM] Grate Oracle Lewot: It makes them both deal and take +2 damage from

psychic attacks.

[5/12/2014 11:16:05 PM] Grate Oracle Lewot: So that doesn't really help...

[5/12/2014 11:16:09 PM] actually sephiroth irl (via): hmm

[5/12/2014 11:16:11 PM] actually sephiroth irl (via): what would help

[5/12/2014 11:16:29 PM] Grate Oracle Lewot: Well you should kinda save the Onigiri for when you're more hurt, so I'd say Four-Bean Salad.

[5/12/2014 11:16:55 PM] Grate Oracle Lewot: Oh, I missed the Chocolate Pickle

[5/12/2014 11:17:06 PM] Grate Oracle Lewot: it heals some stats and gives your next hit a Critical chance.

[5/12/2014 11:17:10 PM] Grate Oracle Lewot: Of like 50% or something.

[5/12/2014 11:36:46 PM] actually sephiroth irl (via): which knife would be better idk

[5/12/2014 11:36:59 PM] Grate Oracle Lewot: Let me check how the attack works.

[5/12/2014 11:37:36 PM] Grate Oracle Lewot: I guess the Dagger, since your Attack is boosted and they don't have armor...

[5/12/2014 11:37:47 PM] actually sephiroth irl (via): yeah

[5/12/2014 11:37:55 PM] Grate Oracle Lewot: I don't think the Knieve freezes people, it just pierces regular Defense...

[5/12/2014 11:38:02 PM] Grate Oracle Lewot: It's powered by Magic

[5/12/2014 11:38:11 PM] Grate Oracle Lewot: that's why I have you the Nevermeltice, so it would catch up

[12:09:04 AM] actually sephiroth irl (via): ahhh I wanna save the onigiri for later but I know I can end it now

[12:09:19 AM] actually sephiroth irl (via): it'd be a helpful item for later

[12:09:29 AM] Grate Oracle Lewot: Whatever you want to do.
