[5/12/2014 9:03:16 PM] Grate Oracle Lewot:
https://sites.google.com/site/hannabartpekopon/home/game-2/player-characters
[5/12/2014 9:03:22 PM] Grate Oracle Lewot: I hope your character sheets are updated
[5/12/2014 9:03:26 PM] Grate Oracle Lewot: because I'm going with them
[5/12/2014 9:04:09 PM] Grate Oracle Lewot: aaaaaaaauuuuuuuuuuuuhhhhhhhhhhhhhhhh
[5/12/2014 9:04:32 PM] Grate Oracle Lewot: you're standing under the Save Block in front of the Grate Oracle Lewot's house, I believe.
[5/12/2014 9:04:47 PM] Grate Oracle Lewot: In Trelvet, of course.
[5/12/2014 9:05:01 PM] Grate Oracle Lewot: You came from the Hacidian Plains, having defeated In Halen, the monster king, in his castle.
[5/12/2014 9:05:32 PM] Grate Oracle Lewot: What remains of In Halen, a Kirby named Jack, is currently clinging to Levan's witch hat much like Flabébé clings to its flower.
[5/12/2014 9:05:40 PM] actually sephiroth irl (via): eeee
[5/12/2014 9:06:18 PM] Grate Oracle Lewot: In Halen was composed of this Kirby, a Venom symbiote, and a Blood Orb. The symbiote exploded, but Abram and Pidenski, now revealed to be Pinky and the Brain in robotic armor, stole the Blood Orb.
[5/12/2014 9:06:24 PM] Grate Oracle Lewot: Then they exploded, blasting off again.
[5/12/2014 9:07:18 PM] Grate Oracle Lewot: You had slept for the night at the inn, and the townsfolk had torn down the statue of Abram and Pidenski and replaced it with a statue of you guys, Jay included, despite none of them knowing that Abram and Pidenski are really time-traveling lab mice.
[5/12/2014 9:07:36 PM] Grate Oracle Lewot: In short, you've completed two chapters and still have no Blood Orbs to show for it.
[5/12/2014 9:07:45 PM] Grate Oracle Lewot: Does anybody do anything?
[5/12/2014 9:07:47 PM] Killer Velvet: (because one exploded and the second was stolen)
[5/12/2014 9:08:12 PM] Killer Velvet: Miles checks his quiver. Two arrows. Shame that all the vendors have skipped town.
[5/12/2014 9:08:31 PM] (╯°□°)╯︵ ┻━┻ Andrew Cornell: I knock on the Oracle's door
[5/12/2014 9:08:47 PM] Killer Velvet: "Way ahead of me, Rammen."
[5/12/2014 9:08:55 PM] actually sephiroth irl (via): "I'm gay"
[5/12/2014 9:09:13 PM] (╯°□°)╯︵ ┻━┻ Andrew Cornell: "As always, Levan," I say
[5/12/2014 9:09:14 PM] Grate Oracle Lewot: The door creaks open by itself.
[5/12/2014 9:09:27 PM] Grate Oracle Lewot: A large blue alligator stands in the doorway.
[5/12/2014 9:09:36 PM] Grate Oracle Lewot: Alligator "Fera?"
[5/12/2014 9:09:39 PM] Grate Oracle Lewot: He beckons you in.
[5/12/2014 9:09:40 PM] (╯°□°)╯︵ ┻━┻ Andrew Cornell: "...oh."
[5/12/2014 9:09:46 PM] (╯°□°)╯︵ ┻━┻ Andrew Cornell: "Alright then."
[5/12/2014 9:09:55 PM] Grate Oracle Lewot: He goes inside...
[5/12/2014 9:09:55 PM] (╯°□°)╯︵ ┻━┻ Andrew Cornell: I wasn't expecting a large blue alligator to be at the door.
[5/12/2014 9:10:05 PM] Grate Oracle Lewot: Lewot is asleep on a chair again.
[5/12/2014 9:10:08 PM] (╯°□°)╯︵ ┻━┻ Andrew Cornell: (does he have big lips and no plans to show up in the future?)
[5/12/2014 9:10:13 PM] Grate Oracle Lewot: The alligator nudges him.

[5/12/2014 9:10:34 PM] Grate Oracle Lewot: He has... neither of those. Well, the latter is debatable.
[5/12/2014 9:10:35 PM] Killer Velvet: (Ohhh, I forgot Lewot had Pokemon)
[5/12/2014 9:10:51 PM] Grate Oracle Lewot: Zigg "Gatr!"
[5/12/2014 9:10:55 PM] Grate Oracle Lewot: He shakes Lewot awake.
[5/12/2014 9:11:03 PM] Grate Oracle Lewot: Lewot "Hrrng..."
[5/12/2014 9:11:09 PM] Grate Oracle Lewot: He stretches and yawns.
[5/12/2014 9:11:21 PM] (╯°□°)╯︵ ┻━┻ Andrew Cornell: (Feraligatr is best Pokemon)
[5/12/2014 9:11:27 PM] Grate Oracle Lewot: Lewot "Uh... oh, you guys."
[5/12/2014 9:11:31 PM] Killer Velvet: Miles waves.
[5/12/2014 9:11:43 PM] (╯°□°)╯︵ ┻━┻ Andrew Cornell: "Good to see you again, Lewot," I say
[5/12/2014 9:11:48 PM] Grate Oracle Lewot: Lewot "Er... what are you guys doing again? I feel like the universe has been on pause for a while."
[5/12/2014 9:11:58 PM] Grate Oracle Lewot: Lewot "Oh, right, Blood Orbs."
[5/12/2014 9:12:03 PM] Grate Oracle Lewot: Zigg "Zigg."
[5/12/2014 9:12:31 PM] Grate Oracle Lewot: Lewot takes out a half red, half white ball and presses a button on it. It opens, and a stream of red light shoots at the Feraligatr
[5/12/2014 9:12:39 PM] Grate Oracle Lewot: he turns into red light and gets sucked into the ball.
[5/12/2014 9:12:43 PM] Grate Oracle Lewot: Lewot replaces it on his belt.
[5/12/2014 9:12:52 PM] Grate Oracle Lewot: Lewot "Er... yeah, so, uh. Hi."
[5/12/2014 9:13:19 PM] Grate Oracle Lewot: With tremendous effort he gets up off his chair.
[5/12/2014 9:13:41 PM] Grate Oracle Lewot: He stretches some more.
[5/12/2014 9:13:58 PM] Grate Oracle Lewot: Lewot "Uh..."
[5/12/2014 9:14:12 PM] Grate Oracle Lewot: Lewot "Something about a marshmallow factory, right? Oh, wait, first..."
[5/12/2014 9:14:30 PM] Grate Oracle Lewot: He goes over to one of the grates on the wall and opens it like a cupboard door.
[5/12/2014 9:14:37 PM] Grate Oracle Lewot: He rummages inside.
[5/12/2014 9:14:47 PM] Grate Oracle Lewot: Lewot "I think I have some stuff for you guys..."
[5/12/2014 9:15:23 PM] (╯°□°)╯︵ ┻━┻ Andrew Cornell: "Oh?" I wonder what he could have
[5/12/2014 9:15:39 PM] Grate Oracle Lewot: Lewot "Lessee... Rammen, it's high time you got a better Whip."
[5/12/2014 9:15:49 PM] (╯°□°)╯︵ ┻━┻ Andrew Cornell: (THANK you)
[5/12/2014 9:15:49 PM] Grate Oracle Lewot: He pulls out whatever the second-strongest whip is.
[5/12/2014 9:15:51 PM] Grate Oracle Lewot: Let me check.
[5/12/2014 9:16:00 PM] Killer Velvet: Miles leans over from where he was standing to see what else is in the cupboard.
[5/12/2014 9:16:21 PM] Grate Oracle Lewot: It's called a Bullwhip.
[5/12/2014 9:16:25 PM] Grate Oracle Lewot: He gives that to Rammen.
[5/12/2014 9:16:44 PM] (╯°□°)╯︵ ┻━┻ Andrew Cornell: "Wow, that's nice!" I go over to a corner and practice with the new whip

[5/12/2014 9:16:45 PM] Grate Oracle Lewot: Miles sees him grab a quiver of Silver Arrows.
[5/12/2014 9:17:10 PM] Killer Velvet: Miles starts jumping up and down excitedly.
[5/12/2014 9:17:15 PM] Grate Oracle Lewot: Rammen, however, must drop one of his curent weapons to carry the new whip
[5/12/2014 9:17:23 PM] Grate Oracle Lewot: he can't use the Iron Axe or Knife
[5/12/2014 9:17:35 PM] (╯°□°)╯︵ ┻━┻ Andrew Cornell: I'll drop the Stockwhip
[5/12/2014 9:17:56 PM] Grate Oracle Lewot: Lewot "I think I had some thing about if you don't kill those one Fire Emblem guys, I would give you Silver Arrows, but at this point I can't remember what you did. So just take these."
[5/12/2014 9:18:00 PM] actually sephiroth irl (via): "Hi I am here now," Levan says after spacing out and floating around for a bit.
[5/12/2014 9:18:24 PM] actually sephiroth irl (via): "I mean estoy aquí, I mean, is there anything for me???"
[5/12/2014 9:18:25 PM] Killer Velvet: (really? You should probably drop one of the weapons you can't use. at least if you break the Bullwhip you'd have the Stockwhip to fall back on.)
[5/12/2014 9:18:30 PM] Grate Oracle Lewot: Lewot lightly takes Levan by the wrist and pulls her down like a balloon.
[5/12/2014 9:18:43 PM] actually sephiroth irl (via): "EEEEeeeeeeee"
[5/12/2014 9:18:59 PM] (╯°□°)╯︵ ┻━┻ Andrew Cornell: (I wouldn't even use the Stockwhip at that point, I'd be better off going PK FIRE on everything)
[5/12/2014 9:19:09 PM] Grate Oracle Lewot: (To use those you'd have to train with E-level weapons, which I may give you access to pretty soon here. But, then you'd still have to carry the E-level too)
[5/12/2014 9:19:20 PM] (╯°□°)╯︵ ┻━┻ Andrew Cornell: (I'll work with it)
[5/12/2014 9:19:24 PM] Grate Oracle Lewot: Rammen drops the Stockwhip.
[5/12/2014 9:19:36 PM] Grate Oracle Lewot: Lewot's floor already has some other clutter on it.
[5/12/2014 9:19:52 PM] Grate Oracle Lewot: Unless any of you try to find anything useful in the clutter, in which case it doesn't exist.
[5/12/2014 9:20:16 PM] Grate Oracle Lewot: Lewot "Levan... I forgot what I was going to give you. Let's see what I have in here..."
[5/12/2014 9:20:28 PM] actually sephiroth irl (via): "Ooooooo?"
[5/12/2014 9:20:34 PM] Killer Velvet: Miles counts the Silver Arrows in the quiver.
[5/12/2014 9:20:41 PM] actually sephiroth irl (via): Levan tilts her head like... all the way so that her body is tilting
[5/12/2014 9:21:59 PM] Grate Oracle Lewot: (I've opened up all the items pages for viewing. https://sites.google.com/site/hannabartpekopon/home/default/items/ammo There are 20 arrows.)
[5/12/2014 9:22:38 PM] actually sephiroth irl (via): (guys my internet lagged)
[5/12/2014 9:22:46 PM] Grate Oracle Lewot: I'm going pretty slow here anyway
[5/12/2014 9:23:17 PM] Grate Oracle Lewot: Lewot "Levan, since your inventory is full... how about a Strange Sack so you can carry more items?"
[5/12/2014 9:24:10 PM] Grate Oracle Lewot: Lewot fishes out a Strange Sack and holds it out for Levan.
[5/12/2014 9:24:19 PM] Grate Oracle Lewot: Lewot "And for Jay... er..."
[5/12/2014 9:24:27 PM] Grate Oracle Lewot: Lewot "...Oh..."

[5/12/2014 9:24:34 PM] Killer Velvet: Miles shifts uncomfortably.
[5/12/2014 9:24:37 PM] Killer Velvet: "Ah.."
[5/12/2014 9:24:45 PM] Grate Oracle Lewot: Lewot "Right, I totally foresaw that."
[5/12/2014 9:25:08 PM] Grate Oracle Lewot: Lewot "I'll just give this Super Awesome Master Sword of Deathdoom to the other party."
[5/12/2014 9:25:14 PM] actually sephiroth irl (via): "Ohh... neat! Material wealth! Capitalism."
[5/12/2014 9:25:26 PM] Grate Oracle Lewot: Lewot "Now then!"
[5/12/2014 9:25:35 PM] Grate Oracle Lewot: Lewot "Now then... er... marshmallows."
[5/12/2014 9:25:36 PM] Killer Velvet: (hahahahaha via)
[5/12/2014 9:25:52 PM] Grate Oracle Lewot: Lewot "Yes. We're going to On-Ede. Let me just get the airship tickets..."
[5/12/2014 9:25:59 PM] Grate Oracle Lewot: He goes to another grate cupboard and rummages.
[5/12/2014 9:26:48 PM] Grate Oracle Lewot: Lewot "SS Tickets... Blimp Tickets... Train Tickets... lottery tickets... tickets to the Marginal Satisfaction concert... Ah! Airship tickets."
[5/12/2014 9:27:10 PM] Grate Oracle Lewot: He pulls out a handful of tickets without counting them.
[5/12/2014 9:27:38 PM] Grate Oracle Lewot: Lewot "Yeah. We're taking the airship. You guys follow me."
[5/12/2014 9:27:47 PM] actually sephiroth irl (via): "Could I have some lottery tickets too?"
[5/12/2014 9:28:02 PM] Grate Oracle Lewot: Lewot "Take as many as you want, they're all losers."
[5/12/2014 9:28:13 PM] actually sephiroth irl (via): "Awww! Never mind."
[5/12/2014 9:28:24 PM] Grate Oracle Lewot: Lewot "Oh, but first... we'd better check up on those guys..."
[5/12/2014 9:28:30 PM] Grate Oracle Lewot: He walks over to another grate.
[5/12/2014 9:28:51 PM] Killer Velvet: Miles follows Lewot, confused as to who "those guys" are.
[5/12/2014 9:28:54 PM] Grate Oracle Lewot: Lewot "Grate, grate, on the wall... what up with Pinky and the Brain?"
[5/12/2014 9:29:08 PM] Grate Oracle Lewot: An image of Lewot's face appears in front of the grate, facing his real face.
[5/12/2014 9:29:17 PM] Grate Oracle Lewot: Facewot "Nice rhyme. Let's see..."
[5/12/2014 9:29:31 PM] Grate Oracle Lewot: The image changes to Pinky and the Brain. They're still flying through the air from the explosion.
[5/12/2014 9:29:45 PM] Grate Oracle Lewot: Pinky is handing Brain some cheese.
[5/12/2014 9:30:10 PM] Grate Oracle Lewot: Pinky "Troz! It's provolone, Brain!"
[5/12/2014 9:30:27 PM] Grate Oracle Lewot: Brain "Yes, Pinky, well done. But come, we must prepare for when we land."
[5/12/2014 9:30:36 PM] Grate Oracle Lewot: Pinky "Why Brain, what are we gonna do when we land?"
[5/12/2014 9:30:51 PM] Grate Oracle Lewot: Brain "The same thing we do every night, Pinky... use that Blood Orb to try to take over the world!"
[5/12/2014 9:31:04 PM] Grate Oracle Lewot: The image cuts out.
[5/12/2014 9:31:15 PM] Grate Oracle Lewot: Lewot "That's about what I figured."
[5/12/2014 9:31:17 PM] (╯°□°)╯︵ ┻━┻ Andrew Cornell: "...huh." I would've thought

those mice would've been decimated by the explosion, but then again~

[5/12/2014 9:31:44 PM] Grate Oracle Lewot: Lewot "Those guys are all over the continuum lately... They're harmless, really, but with a Blood Orb, they could be trouble."

[5/12/2014 9:32:04 PM] Grate Oracle Lewot: Lewot "But! But but but! This time you guys will get one! I swear!"

[5/12/2014 9:32:21 PM] Grate Oracle Lewot: Lewot "Come on, let's catch the airship."

[5/12/2014 9:32:31 PM] Grate Oracle Lewot: He heads out the door.

[5/12/2014 9:32:48 PM] (╯°□°）╯︵ ┻━┻ Andrew Cornell: I follow the oracle, for surely he must know

[5/12/2014 9:33:14 PM] Killer Velvet: Miles pulls the floating Levan out the door.

[5/12/2014 9:33:27 PM] Grate Oracle Lewot: The party follows the Grate Oracle Lewot.

[5/12/2014 9:33:30 PM] Grate Oracle Lewot: You head north.

[5/12/2014 9:33:42 PM] Grate Oracle Lewot: You're leaving the part of the town that you know.

[5/12/2014 9:33:52 PM] Grate Oracle Lewot: You pass some boring regular medeival houses...

[5/12/2014 9:34:00 PM] Grate Oracle Lewot: You walk for some time.

[5/12/2014 9:34:11 PM] Grate Oracle Lewot: You begin to approach a series of other wooden structures

[5/12/2014 9:34:19 PM] Grate Oracle Lewot: they're kinda bullet-shaped, with wings on the sides

[5/12/2014 9:34:31 PM] Grate Oracle Lewot: on top of the wings, as well as on the front, are propellers

[5/12/2014 9:34:52 PM] Grate Oracle Lewot: and... there's landing gear of some kind. Wheels, or claw feet, I dunno.

[5/12/2014 9:34:59 PM] Grate Oracle Lewot: Has the wheel been invented yet?

[5/12/2014 9:35:05 PM] Grate Oracle Lewot: I'm not sure.

[5/12/2014 9:35:13 PM] Grate Oracle Lewot: But you approach the airships.

[5/12/2014 9:35:25 PM] Grate Oracle Lewot: Lewot "Let's see which one's ours..."

[5/12/2014 9:35:33 PM | Edited 9:35:42 PM] Killer Velvet: (I would assume wheels have been invented)

[5/12/2014 9:36:25 PM] Grate Oracle Lewot: As you get closer, you can see horses being led up a ramp into the lowest floors of the airships. You probably can't really see that well, but the whole ship is powered by horses on conveyor belts. Which would include wheel-like components, I suppose, so there you go.

[5/12/2014 9:36:45 PM] Grate Oracle Lewot: They finish loading in the horses, and people begin to board.

[5/12/2014 9:36:52 PM] Grate Oracle Lewot: Lewot looks at the tickets.

[5/12/2014 9:37:10 PM] Grate Oracle Lewot: Lewot "There it is. We're riding the Titanburg."

[5/12/2014 9:37:22 PM] Grate Oracle Lewot: (As in, Titanic + Hindenburg.)

[5/12/2014 9:37:29 PM] (╯°□°）╯︵ ┻━┻ Andrew Cornell: (OH GOD IT'S GONNA CRASH)

[5/12/2014 9:37:34 PM] Killer Velvet: Miles checks out the airships in earnest. He had always wanted to fly in one of these before.

[5/12/2014 9:37:42 PM] (╯°□°）╯︵ ┻━┻ Andrew Cornell: "Looks rather stable," I say, noting the fine structure of the airship

[5/12/2014 9:37:44 PM] (╯°□°)╯︵ ┴──┴ Andrew Cornell: (I'M A FOOL)
[5/12/2014 9:37:51 PM] Grate Oracle Lewot: It does look perfectly stable.
[5/12/2014 9:38:04 PM] Grate Oracle Lewot: You start to queue up with the crowd...
[5/12/2014 9:38:13 PM] Grate Oracle Lewot: Some guy is taking the tickets.
[5/12/2014 9:38:21 PM] Grate Oracle Lewot: The ticket guy has a mushroom growing out of his head.
[5/12/2014 9:38:22 PM] Killer Velvet: (whoa, now I think my internet is lagging)
[5/12/2014 9:38:27 PM] Grate Oracle Lewot: He isn't a Toad
[5/12/2014 9:38:41 PM] Grate Oracle Lewot: he's a regular human, but with a mushroom on top, kinda like Pianta trees.
[5/12/2014 9:39:00 PM] (╯°□°)╯︵ ┴──┴ Andrew Cornell: (he should get that looked at by a guru in the hospital)
[5/12/2014 9:39:13 PM] Grate Oracle Lewot: You all approach the mushroomy ticket man...
[5/12/2014 9:39:19 PM] Killer Velvet: (oh, heads up)
[5/12/2014 9:39:34 PM] Grate Oracle Lewot: Lewot counts out one, two, three, four, five... and a sixth ticket for Jack in Halen.
[5/12/2014 9:39:50 PM] Killer Velvet: (my town has been pretty stormy the last couple days, so if I go offline suddenly it's because I lost power)
[5/12/2014 9:39:54 PM] Grate Oracle Lewot: (kiss)
[5/12/2014 9:39:57 PM] Grate Oracle Lewot: (er)
[5/12/2014 9:39:59 PM] Grate Oracle Lewot: (k)
[5/12/2014 9:40:10 PM] Grate Oracle Lewot: (also is it actually six or wait...)
[5/12/2014 9:40:17 PM] Grate Oracle Lewot: (five I think)
[5/12/2014 9:40:22 PM] Grate Oracle Lewot: (I can't count)
[5/12/2014 9:40:23 PM] Killer Velvet: (I have skype emoticons turned off so I didn't see whatever that was supposed to be)
[5/12/2014 9:40:31 PM] Grate Oracle Lewot: (K for kiss.)
[5/12/2014 9:40:34 PM] (╯°□°)╯︵ ┴──┴ Andrew Cornell: (it's a kiss face)
[5/12/2014 9:40:48 PM] Grate Oracle Lewot: Lewot hands him five or six tickets and stuffs the rest in his pockets.
[5/12/2014 9:41:07 PM] Grate Oracle Lewot: Lewot clearly has godlike access to items.
[5/12/2014 9:41:25 PM] Grate Oracle Lewot: Everyone's boarding the airship?
[5/12/2014 9:41:50 PM] Killer Velvet: Miles hops on board ahead of everyone else, clearly excited.
[5/12/2014 9:41:56 PM] Killer Velvet: "Yeah! Flying! Let's goooooooo!"
[5/12/2014 9:42:11 PM] Grate Oracle Lewot: You can always do stuff other than what I'm indicating, for example use Volamos and try to fly to the city yourselves.
[5/12/2014 9:42:21 PM] Grate Oracle Lewot: But, of course, this isn't costing you anything.
[5/12/2014 9:42:36 PM] Grate Oracle Lewot: I'll assume you all board.
[5/12/2014 9:42:45 PM] Grate Oracle Lewot: You follow Lewot into the airship...
[5/12/2014 9:43:20 PM] Grate Oracle Lewot: There's kind of a lounge room in the middle of the second floor (the first floor was the horses and conveyor belts. You are boarding directly onto the second floor).
[5/12/2014 9:43:32 PM] Grate Oracle Lewot: You pass a few doors and then go into one on the

right.
[5/12/2014 9:43:48 PM] Grate Oracle Lewot: Inside, the left wall has another door...
[5/12/2014 9:43:50 PM] Grate Oracle Lewot: Lewot opens that.
[5/12/2014 9:44:02 PM] Killer Velvet: Miles hopes for a window.
[5/12/2014 9:44:10 PM] Grate Oracle Lewot: There is a port hole like window.
[5/12/2014 9:44:20 PM] Grate Oracle Lewot: Lewot goes through the other door.
[5/12/2014 9:44:27 PM] Grate Oracle Lewot: It's a second, connected room.
[5/12/2014 9:44:40 PM] Grate Oracle Lewot: Both rooms have one port hole and like wooden benches along the walls for seating.
[5/12/2014 9:45:12 PM] Grate Oracle Lewot: In one corner of either ceiling, there's a paper cup hanging down from a string.
[5/12/2014 9:45:23 PM] Grate Oracle Lewot: Through the paper cup, you hear a voice talking
[5/12/2014 9:45:38 PM] Grate Oracle Lewot: Cup "Ladies and gentlemen, this is your captain speaking..."
[5/12/2014 9:45:43 PM] Grate Oracle Lewot: It's the medeival PA system.
[5/12/2014 9:45:58 PM] Grate Oracle Lewot: Next to it, on the ceiling, a swirly LED light bulb lights the room.
[5/12/2014 9:46:29 PM] Grate Oracle Lewot: Cup "We're now commencing the final boarding call..."
[5/12/2014 9:46:44 PM] Grate Oracle Lewot: Jack hops off of Levan's head and takes a seat.
[5/12/2014 9:46:51 PM] Killer Velvet: Miles looks at the portholes with a bit of disappointment. He idly wonders if there's anyway up to the roof.
[5/12/2014 9:46:55 PM] Grate Oracle Lewot: Lewot sits down in the second room and begins to fall asleep again.
[5/12/2014 9:47:33 PM] Grate Oracle Lewot: I guess there are some kind of seatbelts... rope seatbelts?
[5/12/2014 9:47:58 PM] Grate Oracle Lewot: Cup "Ladies and gentlemen, this is your captain speaking, I'd like to welcome you aboard flight 4219 with service to On-Ede..."
[5/12/2014 9:48:12 PM] Killer Velvet: (of course it would be 4219)
[5/12/2014 9:48:44 PM] Grate Oracle Lewot: Cup "The skies are clear as crystal, and we're looking at a total flight time of about three hours..."
[5/12/2014 9:49:16 PM] Grate Oracle Lewot: Cup "Local temperature in On-Ede is hovering around 71 degrees..."
[5/12/2014 9:49:48 PM] Grate Oracle Lewot: Cup "Please make sure your seatbelts are fastened and all luggage is properly stowed underneath your seat or in the cargo bay..."
[5/12/2014 9:50:12 PM] Grate Oracle Lewot: Cup "Flight attendants, please prepare for takeoff."
[5/12/2014 9:50:32 PM] Grate Oracle Lewot: Your window looks out over the wing
[5/12/2014 9:50:37 PM] Grate Oracle Lewot: you see the propellers start up.
[5/12/2014 9:51:06 PM] Killer Velvet: Miles' face is practically glued to one of the portholes.
[5/12/2014 9:51:16 PM] Grate Oracle Lewot: The propellers on top first lift the ship vertically into the air
[5/12/2014 9:51:27 PM] Grate Oracle Lewot: then the forward ones start up, and it starts moving forward.
[5/12/2014 9:51:47 PM] Grate Oracle Lewot: They use cups and strings for PA systems, but they've evolved past runways.

[5/12/2014 9:51:58 PM] Grate Oracle Lewot: The LED light bulb flickers briefly.
[5/12/2014 9:52:21 PM] Grate Oracle Lewot: You can't really hear all the horses running below decks to power the propellers.
[5/12/2014 9:52:41 PM] Grate Oracle Lewot: Lewot and Jack are seated in the adjoining room, both looking sleepy.
[5/12/2014 9:53:00 PM] Grate Oracle Lewot: The airship rises into the sky, and Trelvet gets smaller and smaller...
[5/12/2014 9:53:37 PM] Grate Oracle Lewot: It's just a speck...
[5/12/2014 9:53:46 PM] Grate Oracle Lewot: The ship rises above the cloud level.
[5/12/2014 9:54:09 PM] Killer Velvet: Miles feels so at home up here.
[5/12/2014 9:54:41 PM] Grate Oracle Lewot: Cup "Ladies and gentlemen, this is your captain speaking, we have reached cruising altitude and you are now free to move about the cabin."
[5/12/2014 9:55:00 PM] Grate Oracle Lewot: Lewot and Jack are snoring.
[5/12/2014 9:57:10 PM] (ﾉ °□°) ﾉ ︵ ┴─┴ Andrew Cornell: I decide to check out the other parts of the airship
[5/12/2014 9:57:17 PM] Killer Velvet: Miles turns to Levan.
[5/12/2014 9:57:27 PM] Grate Oracle Lewot: Rammen makes for the door...
[5/12/2014 9:57:29 PM] Killer Velvet: "Lev! We're flying~!"
[5/12/2014 9:57:47 PM] Grate Oracle Lewot: The door was closed by a flight attendant, I guess, so Rammen opens it.
[5/12/2014 9:58:03 PM] Grate Oracle Lewot: In the large middle lounge room, there are like sofas and beanbag chairs.
[5/12/2014 9:58:11 PM] Grate Oracle Lewot: Many passengers are lounging.
[5/12/2014 9:58:23 PM] Grate Oracle Lewot: A fraction of them have the mushrooms on their heads.

[5/12/2014 10:03:27 PM] Grate Oracle Lewot: Mushroom Guy "You can cut 'em off, see, but they just grow right back."
[5/12/2014 10:03:55 PM] Grate Oracle Lewot: Mushroom Guy "Takes some what fancy

[5/12/2014 10:06:45 PM] Grate Oracle Lewot: Mushroom Guy "Guess they shoot off spores or summat."

[5/12/2014 10:07:13 PM] Grate Oracle Lewot: (We're in the past, so the idea is that these guys will evolve into Toads in the future.)

[5/12/2014 10:08:25 PM] (╯°□°)╯︵┴─┴ Andrew Cornell: "Hmmmmmmm," I muse. "So these mushrooms just sprouted on your head one day out of the blue..."

[5/12/2014 10:09:06 PM] (╯°□°)╯︵┴─┴ Andrew Cornell: I bend over and look directly at the mushroom. "And what's your name?" I ask the mushroom.

[5/12/2014 10:10:26 PM] Grate Oracle Lewot: It does not talk.

[5/12/2014 10:10:32 PM] Grate Oracle Lewot: The guy starts to back away from you slowly.

[5/12/2014 10:13:41 PM] Grate Oracle Lewot: so, erm, to the right is another passenger room...

[5/12/2014 10:13:49 PM] Killer Velvet: Miles is lost in the clouds

[5/12/2014 10:13:58 PM] Grate Oracle Lewot: you have to go through the crowd to get anywhere else.

[5/12/2014 10:14:12 PM] Grate Oracle Lewot: You don't know if you should barge into other passenger rooms, but you can look around.

[5/12/2014 10:14:46 PM] Killer Velvet: Miles eventually turns around to see that Rammen isn't in either of their rooms.

[5/12/2014 10:14:51 PM] Killer Velvet: He pulls Levan out into the lounge area.

[5/12/2014 10:16:41 PM] Grate Oracle Lewot: Most everyone here is human, with or without mushrooms. But now that you don't have Jay, Rammen just looks like a guy with bandages, so you're not so much of a part-monster party...

[5/12/2014 10:16:52 PM] Grate Oracle Lewot: Anyway, these are big city folk, so they've seen it all.

[5/12/2014 10:17:11 PM] Grate Oracle Lewot: They don't take notice of Levan floating.

[5/12/2014 10:19:02 PM] Killer Velvet: Miles catches up to Rammen.

[5/12/2014 10:19:09 PM] Killer Velvet: "Not getting into trouble, are you?"

[5/12/2014 10:19:25 PM] (╯°□°)╯︵┴─┴ Andrew Cornell: I have been pondering the mushroom epidemic as Miles approaches.

[5/12/2014 10:20:42 PM] Killer Velvet: "Hm? No, I feel alright.. Why, what's up?"
[5/12/2014 10:20:46 PM] Killer Velvet: Miles looks a little concerned.

[5/12/2014 10:25:29 PM] Grate Oracle Lewot: Suffice to say nothing will really happen unless you guys move around a bit more.
[5/12/2014 10:26:04 PM] Killer Velvet: Miles looks to see if there's a way to the cockpit.
[5/12/2014 10:26:40 PM] Grate Oracle Lewot: You imagine the cockpit would be in the front of the ship, but the room to your right is in the front and it just looks like a normal passenger room. The cockpit must be on a different floor.
[5/12/2014 10:27:05 PM] Killer Velvet: Maybe it's on the same floor as the horses? Miles looks for a way down.
[5/12/2014 10:27:17 PM] Grate Oracle Lewot: Miles pushes into the crowd...
[5/12/2014 10:27:24 PM] Grate Oracle Lewot: Forward or left, or both?
[5/12/2014 10:28:06 PM] Grate Oracle Lewot: Well, you kinda do both so that you're in the middle.
[5/12/2014 10:28:07 PM] Grate Oracle Lewot: ..
[5/12/2014 10:28:18 PM] Grate Oracle Lewot: You can kinda see some stairs ahead...
[5/12/2014 10:28:22 PM] Grate Oracle Lewot: They are going down.
[5/12/2014 10:28:47 PM] Killer Velvet: Miles pushes through to get to the staircase, beckoning Levan and Rammen to follow.
[5/12/2014 10:29:03 PM] Grate Oracle Lewot: As you get there, you see that it's blocked off by a wasit-high gate.
[5/12/2014 10:29:11 PM] Grate Oracle Lewot: Apparently you're not supposed to go down there.
[5/12/2014 10:29:16 PM] Grate Oracle Lewot: However, no one's really guarding it.
[5/12/2014 10:29:32 PM] Killer Velvet: When did that ever stop them from going anywhere? Miles hops the gate.
[5/12/2014 10:29:50 PM] Grate Oracle Lewot: A few people do double takes, but nobody seems to care.
[5/12/2014 10:30:01 PM] Grate Oracle Lewot: Miles hops the gate and starts downstairs...
[5/12/2014 10:30:08 PM] Killer Velvet: "What's the worst that could happen? They throw me off the airship?"
[5/12/2014 10:30:12 PM] Grate Oracle Lewot: He hears the hoofbeats on the conveyor belts.
[5/12/2014 10:30:58 PM] Grate Oracle Lewot: He gets down to the first floor...
[5/12/2014 10:31:14 PM] Grate Oracle Lewot: Well, it looks like it's just one room filled with horses on conveyor belts.
[5/12/2014 10:31:22 PM] Grate Oracle Lewot: There aren't really any doors along the walls.
[5/12/2014 10:31:49 PM] Grate Oracle Lewot: The horses are each running toward an apple

hanging on a string in front of them.

[5/12/2014 10:32:17 PM] Killer Velvet: Miles looks at them somewhat sadly. He hopes that the horses are fed well after the airship lands.

[5/12/2014 10:32:31 PM] Killer Velvet: He looks around the rest of the room. Apparently the cockpit is higher up.

[5/12/2014 10:32:49 PM] Killer Velvet: But there's no harm in just wandering around the floor for a bit.

[5/12/2014 10:33:43 PM] Grate Oracle Lewot: Well, whichever direction he wanders, there's nothing much around... In the back, there's a lever to lower the ramp that the horses came in on.

[5/12/2014 10:34:10 PM] Grate Oracle Lewot: If you pulled that, they probably wouldn't need to throw you out of the ship, you'd just get sucked out. Of course, you have the Winged Sandals.

[5/12/2014 10:34:19 PM] Grate Oracle Lewot: I guess Rammen and Levan are chilling in the crowd.

[5/12/2014 10:34:34 PM] Killer Velvet: As fun as that sounds, Miles decides against it. He heads back up the stairs and hops the gate.

[5/12/2014 10:34:42 PM] Killer Velvet: "There's a crapton of horses down there."

[5/12/2014 10:38:19 PM] Grate Oracle Lewot: Everything else looks like passenger rooms...

[5/12/2014 10:38:27 PM] Killer Velvet: Miles pushes through the crowd, pulling the still-floating Levan behind him.

[5/12/2014 10:38:55 PM] Grate Oracle Lewot: The two weave their way through...

[5/12/2014 10:39:45 PM] Grate Oracle Lewot: They come to the upward staircase.

[5/12/2014 10:39:55 PM] Grate Oracle Lewot: Rammen is still behind, I guess.

[5/12/2014 10:40:04 PM] Grate Oracle Lewot: Miles and Levan begin to ascend.
