

King Coral says (8:50 PM):

hi

Grate Oracle Lewot says (8:50 PM):

Oh, there.

Cruel Regulator says (8:50 PM):

Here we go.

glomp

I have not finished the cave but I am totally in a condition to RPG.

Grate Oracle Lewot says (8:53 PM):

I think I'll be able to

King Coral says (8:54 PM):

i'm good

bizz?

(guys i think liek hegel is star fox and we are liek)

(everyone who is not star fox)

Cruel Regulator says (8:54 PM):

wait, why me?

why am I

the one chosen to be controlled by a human and not a fucking retarded computer?

Cruel Regulator says (8:55 PM):

(Did the helpers actually do anything in Starfox besides whine to you?)

Grate Oracle Lewot says (8:55 PM):

Not really

Grate Oracle Lewot says (8:56 PM):

I didn't get very far, but I played later games

and they're not worth much in those

well, actually, it was just Assault that I played

Adventures doesn't really count

but, yeah, Bizz seems busy

King Coral says (8:56 PM):

in the first level

if you go under all the rock formation arches

Cruel Regulator says (8:57 PM):

wait, that gets you a twin blasters powerup

but what were they needed for?

King Coral says (8:57 PM):

wait oh god what

Cruel Regulator says (8:57 PM):

(My computer just played the sound of a news guy saying "A winnipeg wrestling

coach was just accused of sexually assaulting one of his athletes!")

('Cuz winnipeg is a Frozen Shithole.)

King Coral says (8:57 PM):

i could NOT IM BUDDY?!

Cruel Regulator says (8:58 PM):

wait, what?

King Coral says (8:58 PM):

GUYS DO YOU HEAR ME

AM I IMING YOU BUDDIES

Cruel Regulator says (8:58 PM):

who's the buddy whom you could not IM?

BK, I can hear you.

BK, can you hear me?

Is something

King Coral says (8:58 PM):

it said i couldn't

did you read thae part

about the secret level

Cruel Regulator says (8:58 PM):

Erm, no, no secret level.

King Coral says (8:58 PM):

OH GOD HEGEL HEGEL IS THAT YOU

Cruel Regulator says (8:58 PM):

The last thing I heard was under the arches.

Dude, Winnipeg is Fucking Over.

King Coral says (8:58 PM):

OH MY GOD THANK GOD YOU CAME

King Coral says (8:59 PM):

[20:57] bluekara42@gmail.com: then falco will lead you to the SECRET AREA and you can progress onto HARD MODE

[20:57] Cruel Regulator: Wait, that gets you a twin blasters powerup

[20:57] Cruel Regulator: but what were they needed for?

[20:57] Meebo Message: Could not IM buddy

~°Δ°[[Bizzzzzz] says (8:59 PM):

Cruel Regulator says (8:59 PM):

Oh, speaking of that, I had had a massive boner earllier . . .

And oh, ah.

I did not realize that there was a secret level.

I mean, there were already three different difficulty paths!

King Coral says (8:59 PM):

i automatically start playing with my dick

i have concluded that this is why i jack off so much

wait

Cruel Regulator says (8:59 PM):

I regularly play with my dick, but, of course, I don't jerk off with my hand.

King Coral says (8:59 PM):

it could not im buddy again and i feel this might have made things more confusing

Cruel Regulator says (9:00 PM):

Even when on the computer

I kinda use my wrist.

~°Δ°[[Bizzzzzz] says (9:00 PM):

I don't have a dick

I feel left out

King Coral says (9:00 PM):

also yeah i was talking about the ALT PATHZ

bizz you can have a dick too

if you wish STRONG ENOUGH IT WILL GROW

Grate Oracle Lewot says (9:00 PM):

But, wait, isn't the whole thing about multiple orgasms

Grate Oracle Lewot says (9:01 PM):

like, existent?

Cruel Regulator says (9:01 PM):

wait, for me, the alt paths were always available for me.

King Coral says (9:01 PM):

i'm talking about 64

just so you know

Cruel Regulator says (9:01 PM):

Oh, ah.

well, fuck that shit!

Also, Bizz, RPG?

~°Δ°[[Bizzzzzz] says (9:01 PM):

Yes

King Coral says (9:01 PM):

also hmm yes but also its harder to get a girl to orgasm

that absolutely no one actually understands apparently

there's a lot of confusing biological switches and clicks

~°Δ°[[Bizzzzzz] says (9:01 PM):

I have two hours

and no homework

King Coral says (9:02 PM):

but yeah a chick can p. much just orgasm over and over for an hour

Cruel Regulator says (9:02 PM):

YAY!

Bizz, you can have Espera jerk her clit by tickling it with her chainsaw!

~°Δ°[[Bizzzzzz] says (9:02 PM):

WELL I have to study for an AP English vocab test but THAT CAN WAIT

... oh god Hegel
 RPG IS MORE IMPORTANT

Cruel Regulator says (9:02 PM):
 glomp
 Okay, well, regulation time.

Cruel Regulator says (9:03 PM):
 You people just went down some stairs
 and are now in a dark cave with a slanted floor.

King Coral says (9:03 PM):
 hmmm chainsaw-based masturbation

Cruel Regulator says (9:03 PM):
 There is no apparent light source, but you can sorta see. Everything is brown.

Grate Oracle Lewot says (9:03 PM):
 But guys, this behavior that Jumpy is exhibiting after he kills one of these guys makes no sense whatsoever.

Cruel Regulator says (9:03 PM):
 (You can use LifeUp if you mess up!)
 You must use PSI Teleport on Jumpy!

Cruel Regulator says (9:04 PM):
 Erm, but like, you just fought a strange, hard, squid like creature hanging from
 the ceiling.
 Erm, and farther down the slant of this cave with it's low, flat, cement ceiling,
 is an opening that leads into another, darker, but rounder room.

Cruel Regulator says (9:05 PM):
 Erm, not room
 'cuz it's all rocky and cave-like.
 Also, you hear hear footsteps coming down the stairs
 except that you don't exactly remember anything in the hangar!

~°Δ°[[Bizzzzzz]] says (9:06 PM):
 Oh, Lewot
 You know how my user title on SF is 'in C-major'?
 Well, Balcerzak changed his to 'in C-minor'
 Also my Spanish grade is an 87.19

Cruel Regulator says (9:07 PM):

Grate Oracle Lewot says (9:07 PM):
 Wait, but, 19?

~°Δ°[[Bizzzzzz]] says (9:07 PM):
 AND I WANTED AN A FOR MIDTERM
 but nooo it's a high B
 Yeah
 87.19%
 which is a high B

Grate Oracle Lewot says (9:07 PM):
 No, I know
 well
 I'm sorry

~°Δ°[[Bizzzzzz]] says (9:08 PM):
 I'm gonna play more epicmafia

Cruel Regulator says (9:08 PM):
 Bizz?

~°Δ°[[Bizzzzzz]] says (9:08 PM):
 Huh?

Cruel Regulator says (9:08 PM):
 what about playing the RPG?

~°Δ°[[Bizzzzzz]] says (9:08 PM):
 I'll be playing the rpg, silly

~°Δ°[[Bizzzzzz]] says (9:09 PM):
 And I won't be distracted
 trust me

Cruel Regulator says (9:09 PM):
 I really hope so.

~°Δ°[[Bizzzzzz]] says (9:09 PM):
 Well

Sometimes I only really get distracted because I'm thinking about school

King Coral says (9:09 PM):

cuz u about to get PUNKD

~°Δ°[[Bizzzzzz]] says (9:09 PM):

I have a free mind tonight, you guys

I had such a good day today

Grate Oracle Lewot says (9:10 PM):

Well

King Coral says (9:10 PM):

espera falls into the PIT TRAP and takes 30 BAJAZILLION DAMAGE

~°Δ°[[Bizzzzzz]] says (9:10 PM):

D:

BUT WHY

Grate Oracle Lewot says (9:10 PM):

it just seems like epic mafia would be really distracting

~°Δ°[[Bizzzzzz]] says (9:10 PM):

ESPERA DIDN'T DO ANYTHING

Cruel Regulator says (9:10 PM):

Yeah, Bizz, I don't really trust you with it.

~°Δ°[[Bizzzzzz]] says (9:10 PM):

Lol it won't be

King Coral says (9:10 PM):

yeah

it IS kind of epic

~°Δ°[[Bizzzzzz]] says (9:10 PM):

JUST WATCH ME

JUST WATCH

okay fine i won't play epicmafia

D:

Cruel Regulator says (9:10 PM):

I mean, if you actually play and I never notice then I'll never notice

Cruel Regulator says (9:11 PM):

So, I mean, yeah, the low-ceiling brown part of the cave leads into small, darker, round room.

That next room has cement walls and a cement ceiling, but a dirt floor

King Coral says (9:11 PM):

yeah, and if you slip me a roofie and finish having your will with me before i wake up, i'll never notice, either

Cruel Regulator says (9:11 PM):

as opposed to the first part of the cave which was stone.

Do you go into the next room

or see what's coming down the stairs?

~°Δ°[[Bizzzzzz]] says (9:12 PM):

I say the stairs

Grate Oracle Lewot says (9:12 PM):

And if you do anything whatsoever right in front of me I'll never notice

~°Δ°[[Bizzzzzz]] says (9:12 PM):

King Coral says (9:12 PM):

wait

someting's coming down the stairs?!

Grate Oracle Lewot says (9:12 PM):

Erm, yeah, look backwards

Cruel Regulator says (9:12 PM):

Coming down the stairs are two creatures that look like very very large Shy Guys.

~°Δ°[[Bizzzzzz]] says (9:12 PM):

"I AM THE MOST PLEAST MOTHER PHEASANT PLUCKER TO HAVE EVER PLUCKED A MOTHER PHEASANT"

Grate Oracle Lewot says (9:12 PM):

luckily U does not have to turn around

Cruel Regulator says (9:12 PM):

They have giant fists.

Grate Oracle Lewot says (9:12 PM):

all of his cells function as eyes.

~°Δ°[[Bizzzzzz]] says (9:13 PM):
 I love U
 heehee

King Coral says (9:13 PM):
(they're brown and furry and crying)

Cruel Regulator says (9:13 PM):
(Yeah, exactly.)
(It's one that BK made.)

Grate Oracle Lewot says (9:13 PM):
Hmm, it didn't look like fur
but then neither do a lot of Pokemon

King Coral says (9:14 PM):
(but liek the kind of fur liek on a dog where its all matted down and smooth
)

Cruel Regulator says (9:14 PM):
They start waddling towards you people who are grouped towards the entrance to
the next cave room.

~°Δ°[[Bizzzzzz]] says (9:14 PM):
 Well
 When I think of that
 I think of Swinub for some reason

Cruel Regulator says (9:14 PM):
One stops moving forwards and tries Beam Beta!

~°Δ°[[Bizzzzzz]] says (9:14 PM):
 AND I'M LIKE THE ONLY PERSON WHO LIKES SWINUB
 oh god

Grate Oracle Lewot says (9:14 PM):
I always liked Swinub

King Coral says (9:14 PM):
awww jeez!

~°Δ°[[Bizzzzzz]] says (9:14 PM):
"HERE IT COMES GUYS"

Cruel Regulator says (9:14 PM):
(The other one continues walking forwards and tries Offense Up on itself.)

~°Δ°[[Bizzzzzz]] says (9:14 PM):
 Aww Lewot
 yay

~°Δ°[[Bizzzzzz]] says (9:15 PM):
 offense up
 what

Cruel Regulator says (9:15 PM):
The randomly chosen target of Beam Beta is U.

~°Δ°[[Bizzzzzz]] says (9:15 PM):
 does neutralize get rid of that D:

King Coral says (9:15 PM):
nuehehehehe
you guys is REALLY gonna get it NOW

Cruel Regulator says (9:15 PM):
Yeah, Neutralize does.
It's the only cure for Offense Up.

Cruel Regulator says (9:16 PM):
Erm, the cave suddenly gets even darker than it was for a split second
and U is nearly split in two by Beam Beta for 28 damage.

~°Δ°[[Bizzzzzz]] says (9:16 PM):
 o_o

Cruel Regulator says (9:16 PM):
Player Phase 1

Grate Oracle Lewot says (9:16 PM):
Then there would be two of me and I'd get two attacks
 Uh

~°Δ°[[Bizzzzzz]] says (9:16 PM):

"U ily"

Grate Oracle Lewot says (9:16 PM):

BK are they weak to elements

King Coral says (9:17 PM):

ummm

i don't remember lol

Cruel Regulator says (9:17 PM):

(Also, once again, Snakeboy and Punk Kid are in the party. Snakeboy has enough PP for one use of his high-powered Thunder.)

Grate Oracle Lewot says (9:17 PM):

Well, save Thunder for something weak to it, maybe?

King Coral says (9:17 PM):

(they were intended to be, y'know, later into the level)

Grate Oracle Lewot says (9:17 PM):

Or would he have enough PP by then anyway?

~°Δ°[[Bizzzzzz]] says (9:17 PM):

Hegel

I want offensive PSI

I feel so useless sajhgsa

Cruel Regulator says (9:17 PM):

Snakeboy: Hits: 29/65, Stun: 65/65, PSI: 3/20

Punk Kid: Hits: 20/20, Stun: 20/20, PSI: 17/32

Eugene: Hits: 30/30, Stun: 30/30, PSI: 15/24, Luck: 13/13

Espera: Hits: 25/25, Stun: 25/25, PSI: 09/16, Luck: 13/13

U: Hits: 02/30, Stun: 02/30, PSI: 07/20, Luck: 12/12

King Coral says (9:17 PM):

(and also in a SNOWY ENVIORMENT as opposed to inside a cave)

Grate Oracle Lewot says (9:18 PM):

But Bizz, if I have no pathogens, I am limited completely to PK Freeze.

You have lots of weapons.

So, erm, PK Freeze Beta

Cruel Regulator says (9:18 PM):

Although U does have Gamma now.

Grate Oracle Lewot says (9:18 PM):

Oh, oh

wait

Cruel Regulator says (9:18 PM):

Erm, but you don't have to use it.

Grate Oracle Lewot says (9:18 PM):

lemme see

Cruel Regulator says (9:19 PM):

Enemy Units:

Meep A

Meep B

Grate Oracle Lewot says (9:19 PM):

oh, I'm low on PP.

~°Δ°[[Bizzzzzz]] says (9:19 PM):

Meep

Cruel Regulator says (9:19 PM):

(They are actually not vulnerable to Ice, though.)

~°Δ°[[Bizzzzzz]] says (9:19 PM):

Uh

Grate Oracle Lewot says (9:19 PM):

Wait, what are the costs?

~°Δ°[[Bizzzzzz]] says (9:19 PM):

Should I like

use chainsaw on one of them

Cruel Regulator says (9:19 PM):

to hit (baseball bat, DC6): 7

to hit (launched Slim Sword, DC4): 21

to hit (launched projectile, DC5): 13

to hit (pathogen explosion, DC determined by pathogen level): 13

to hit (frag grenade, DC5 LETH+1.0): 13
 AUTOHIT: (3)FreezeDC2 (5)BetaDC7 GammaDC2+Lifecut
 other PSI: (3)LifeUpHC7, Magnet
 (They have a lower dodge modifier than Espera's chainsaw hit modifier)
 Erm, the thing means it costs 8PP
 Fucking MSN

~°Δ° [[Bizzzzzz]] says (9:20 PM):

Cruel Regulator says (9:20 PM):
 and is 0PP

~°Δ° [[Bizzzzzz]] says (9:20 PM):
 eighth notes

Grate Oracle Lewot says (9:20 PM):
I only have 7

~°Δ° [[Bizzzzzz]] says (9:20 PM):
 hehehe
 clever

Cruel Regulator says (9:20 PM):
 Oh, ah, oh.

Grate Oracle Lewot says (9:20 PM):
 um

Cruel Regulator says (9:20 PM):
 (And, though, U now has Magnet, too.

Grate Oracle Lewot says (9:20 PM):
 oh, ah
 Magnet I guess

Cruel Regulator says (9:20 PM):
 (And Meeps have low dodge modifiers so the chainsaw will work on them. Erm, so
 yeah, if the enemy has a high dodge modifier then you have to try the Slim
 Sword.)

~°Δ° [[Bizzzzzz]] says (9:20 PM):
 Okay

~°Δ° [[Bizzzzzz]] says (9:21 PM):
 Well, I'll do that then
 The chainsaw
 On Meep A
 /
 .

King Coral says (9:21 PM):
 Beam Alpha on Meep B

~°Δ° [[Bizzzzzz]] says (9:21 PM):
 "Hey U"
 "Ily."
 "Also, Eugene, we need to have sex sometime."

Grate Oracle Lewot says (9:21 PM):
Hmm... I wonder if U can express love?

Cruel Regulator says (9:21 PM):
 Punk Kid ""

~°Δ° [[Bizzzzzz]] says (9:22 PM):
 "PUNK, YOU AND I AND EUGENE SHOULD HAVE A THREESOME."

Grate Oracle Lewot says (9:22 PM):
I mean, what letter I could use.

~°Δ° [[Bizzzzzz]] says (9:22 PM):
 "SEE, IT WOULD BE AWESOME."

Cruel Regulator says (9:22 PM):
 (Erm, of course, once again, you can choose, melee or gun attacks, to target a
 specific bodypart as long as the enemy has specific bodyparts, including
 headshots for damagex2 (at -5 to hit), and all-out attacks for -3 to hit and +
 3d6 (+10.5 damage))

~°Δ° [[Bizzzzzz]] says (9:22 PM):
 Well, maybe he could shape molecules/pathogens
 into a little heart

Cruel Regulator says (9:22 PM):

Punk Kid "I'm not gay, damni*-" (he cannot speak any more as the 3 second phase is over.)
(Erm, that was his speaking free action.)

King Coral says (9:23 PM):

Eugen flicks his hair flirtatiously

~°Δ°[[Bizzzzzz] says (9:23 PM):

Eugen

Cruel Regulator says (9:23 PM):

Erm, U sucks 3PP from Meep A. Espera easily hits.

~°Δ°[[Bizzzzzz] says (9:23 PM):

hee hee

Yay

Oh wait, I have magnet too don't I

Cruel Regulator says (9:23 PM):

For 28 damage.

~°Δ°[[Bizzzzzz] says (9:23 PM):

I keep forgetting

yay

28 damage

Grate Oracle Lewot says (9:23 PM):

Well, I forgot too.

Grate Oracle Lewot says (9:24 PM):

Wait, 28 is double 19, right? No, wait, that's 38

Cruel Regulator says (9:24 PM):

Erm, and Eugene's Beam Alpha does 24 damage, killing Meep A
we'll just say that Meep A was the one who used Beam Gamma.
Erm, Beam Beta.

Cruel Regulator says (9:25 PM):

(His base damage was 42)

Erm, so Punk Kid and Snakeboy.

Eh, I'll just have Snakeboy bite the remaining Meep, the one who's been Offense Upped.

~°Δ°[[Bizzzzzz] says (9:25 PM):

"Puunk~"

Cruel Regulator says (9:26 PM):

(You can choose something for Punk Kid to do, of course.)

to hit (punch, DC4 Stun): 11

to hit (baseball bat, DC5): 13

to hit (Mr.Pistol, DC4, RoF: 4, clip: 19/27): 18

to hit (pump-action shotgun, DC5t3 LETH+1.0, RoF: 1, clip: 7/8): 13

AUTOHIT ((4)BeamDC7 (7)BetaDC12)

other PSI ((3)Shield, (3)Defense Up, (3)LifeUpHC7 (5)BetaHC14)

King Coral says (9:26 PM):

i thought he talked

~°Δ°[[Bizzzzzz] says (9:26 PM):

There's still a living meep?

Cruel Regulator says (9:26 PM):

Erm, the talking is a free action.

King Coral says (9:26 PM):

o

Cruel Regulator says (9:26 PM):

Yeah, the Meep who used Beam Beta

King Coral says (9:26 PM):

so

King Coral says (9:27 PM):

we managed to obliterate a single meep

Cruel Regulator says (9:27 PM):

was chainsawed, Beam Alphaed, and PSIMagneted.

King Coral says (9:27 PM):

**in the midst of him saying
"i'm not gay, dammi"**

Cruel Regulator says (9:27 PM):
 what dose Punk Kid do?
 He is still fighting while he talks.

King Coral says (9:27 PM):
 but i thought i said meep b?
 well what the fuck does it matter

Cruel Regulator says (9:27 PM):
 Oh, erm, erm.

King Coral says (9:27 PM):
 yeah its a funny image!

Cruel Regulator says (9:27 PM):
 well, yeah, Meep B is not hit and Meep A is dead!

Cruel Regulator says (9:28 PM):
 we had a misunderstanding!
 Or, actually, no, Espera targeted Meep A
 and Eugene targeted Meep B
 and so we have 2 Meeps living!
 (Also, Meep B dodges Snakeboy's fangs.
)

Cruel Regulator says (9:30 PM):
 (Erm, Punk Kid uses his shotgun. He hits Meep A for 2 damage and misses Meep B.)
 Enemy Phase 2
 Actually, gimme a second . . .

Grate Oracle Lewot says (9:30 PM):
 Hmm.

Cruel Regulator says (9:31 PM):
 Erm, yeah, Meep A, the Offense Upped one, tries Beam Beta!
 This time the target is Eugene.
 34 damage
 Eugene is at -4HP and is bleeding to death

Grate Oracle Lewot says (9:32 PM):
 Hmm
 so like

Cruel Regulator says (9:32 PM):
 Erm, Meep B tries Offense up on himself.

Grate Oracle Lewot says (9:32 PM):
 Oh, ah.

~°Δ°[[Bizzzzzz] says (9:32 PM):
 Shuld I lifeup

Grate Oracle Lewot says (9:32 PM):
 I think so

Cruel Regulator says (9:32 PM):
 Also, it appears that there was still another Squigley attached to the ceiling
 still alive somewhere in the room, nearby.

Grate Oracle Lewot says (9:32 PM):
 because I can hit both with a pathogen
 hmm

Cruel Regulator says (9:32 PM):
 You only now notice it as it tries Defense Up on Meep A!

King Coral says (9:32 PM):
 Eugene is now played by Tim Carry!
 Eugene revives himself
 As he is a Time Lord

Cruel Regulator says (9:33 PM):
 For a second I thought you said Tim Curry
 Erm, but Player Phase 2.
 Eugene: Hits: -4/30, Stun: -4/30, PSI: 15/24, Luck: 13/13
 U: Hits: 02/30, Stun: 02/30, PSI: 10/20, Luck: 12/12

King Coral says (9:33 PM):
 (Hegel only jorgs are supposed to do that)

Cruel Regulator says (9:33 PM):
 (those are the only changes)

SHHHH

I'm reinventing Squigleys as being like the Barnacles in Half-Life who just kinda sat on the ceiling and you never noticed them.

Cruel Regulator says (9:34 PM):

(Erm, also, Meep A's Defense went up by 20.)

But yeah, Player Phase 2.

Grate Oracle Lewot says (9:34 PM):

Well

some kind of pathogen

Cruel Regulator says (9:35 PM):

¿Cuál?

Also, who'll heal Eugene?

King Coral says (9:35 PM):

but ttthey're supposed to LEVITATE

you just aren't understanding the LEVITY of this SITUATION

Grate Oracle Lewot says (9:35 PM):

I don't think you updated the site last time

I used a frag grenade

and got some kind of water pathogen

Cruel Regulator says (9:35 PM):

Ooops.

Grate Oracle Lewot says (9:36 PM):

Levity <3

Cruel Regulator says (9:36 PM):

U's stuff: water Antibody, Fire Antibody, Lightning Antibody, hockey mask, baseball bat (5), lv.11 Thunder pathogens (5), lv.11 Fire pathogens (3), lv.11 water pathogens (1), lv.4 water pathogen (1), Slim Sword (1), Frag Grenades (3), broken Slim Sword (1), NEPCs (25)

(well, now 2 Frag Grenades.)

Oh, whoa, whoa!

Didd not see that

Erm, who is U's primary target?

~°Δ°[[Bizzzzzz] says (9:36 PM):

LEVITY

Grate Oracle Lewot says (9:36 PM):

Erm, well

~°Δ°[[Bizzzzzz] says (9:36 PM):

Anyway sorry my sister called me

Er

~°Δ°[[Bizzzzzz] says (9:37 PM):

called for me

Grate Oracle Lewot says (9:37 PM):

I'm gonna use another frag grenade to dispense of realistic weapons

uh, targeting

King Coral says (9:37 PM):

<http://www.youtube.com/watch?v=Ec3rCamoyOs> also, related

Grate Oracle Lewot says (9:37 PM):

which one is defense upped?

Cruel Regulator says (9:37 PM):

A

Grate Oracle Lewot says (9:37 PM):

so B.

Cruel Regulator says (9:37 PM):

Direct hit for 2 damage

And explosion . . .

Cruel Regulator says (9:38 PM):

Erm, direct hit for 1 damage.

And the explosion was 2 damage to each.

Grate Oracle Lewot says (9:38 PM):

Hmm.

Cruel Regulator says (9:38 PM):

Oh, erm, I forgot the squigley.

Grate Oracle Lewot says (9:38 PM):

I'm U-seful.

Cruel Regulator says (9:39 PM):
It takes 4 damage.

King Coral says (9:39 PM):
WOOOOOOOOOO

Cruel Regulator says (9:40 PM):
Squigley A
Meep A (Offense Up)
Meep B (Offense Up)
Erm, remaining characters: Espera, Punk Kid, and Snakeboy.

King Coral says (9:40 PM):
Snake Boy bites Meep A

Cruel Regulator says (9:40 PM):
(Eugene will miss nother turn if he is not revived right.)

King Coral says (9:40 PM):
Punk Kid

King Coral says (9:41 PM):
Use LIFE UP (high amount) on Eugene!!

Cruel Regulator says (9:41 PM):
(Erm, LifeUp Beta?)

~°Δ° [[Bizzzzzz] says (9:41 PM):
I don't know, my sister is making me nervou

King Coral says (9:41 PM):
YEAH

~°Δ° [[Bizzzzzz] says (9:41 PM):
She's just sitting there ugh

Cruel Regulator says (9:41 PM):
Snakeboy's bite does for 1 damage. The Meep is also poisoned.

Grate Oracle Lewot just sent you a nudge.

Grate Oracle Lewot says (9:41 PM):
er

King Coral says (9:41 PM):
watching you?

Grate Oracle Lewot says (9:41 PM):
sorry
can't type

Cruel Regulator says (9:41 PM):
It happens to me so much

Grate Oracle Lewot says (9:41 PM):
muffin in haand

~°Δ° [[Bizzzzzz] says (9:41 PM):
The Meep is poisoned--OH YES
AGT DISTRACTED HER

Cruel Regulator says (9:42 PM):
Punk Kid's LifeUp Beta rolls a 41
Eugene's HP is maxed out!
Remaining characters to move: Espera.

Cruel Regulator says (9:43 PM):
to hit (Mr.Machinegun (lv.5) DC4, RoF:22, Clip 5/27): 5
to hit (slim sword, DC7): 23
to hit (Rapier, DC8): 18
to hit (baseball bat, DC9): 17
to hit (crowbar, DC10): 17
to hit (Chainsaw, DC14): 14
other PSI ((3)LifeUpHC5, (3)Quick Up, Neutralize, PSIMagnet)

Grate Oracle Lewot says (9:43 PM):
Okay, I ate the muffin

Cruel Regulator says (9:43 PM):
(I don't know why Espera still has the Mr.Machinegun in her inventory. It should eventually be given to Eugene . . .)

Grate Oracle Lewot says (9:43 PM):
and Bizz, yeah, I hate it when people sit there kinda partially in view of your screen

and you can't tell if they're looking

Cruel Regulator says (9:44 PM):

My mom does that to me. I can't tell how much of it she can see because she looks at it from an extreme angle. It gives me a false sense of security.

King Coral says (9:44 PM):

yeah

bitches is judgin me

Cruel Regulator says (9:44 PM):

(Bizz, Espera's turn. Psst.)

King Coral says (9:44 PM):

looks like SOMEONE'S a LIL TIED UP with that EPICMAFIA

Cruel Regulator says (9:44 PM):

I guess it's kinda noticeable

Grate Oracle Lewot says (9:44 PM):

Well

Grate Oracle Lewot says (9:45 PM):

she was doing pretty well so far really

Cruel Regulator says (9:45 PM):

(Does anyone else wanna choose for Espera?)

Grate Oracle Lewot says (9:45 PM):

and this gives me time for another muffin.

Cruel Regulator says (9:46 PM):

(There are two options for her that I recommend: Neutralize on Meep A (the one who with Defense Up in addition to Offense Up which both have), or an all-out chainsaw attack on Meeb B, which could cost a few Luck but which will guarantee his death.)

Cruel Regulator says (9:47 PM):

(Oh, wait, actually, the third would be to heal U who is at only 2HP, although Espera with only LifeUp Alpha would average 21HP healed per go, and U's max HP is 30.)

lawlberb while I pee

erm, and when I get back I'll roll a die to choose for her . . .

Grate Oracle Lewot says (9:47 PM):

Hmm

~°Δ°[[Bizzzzzz]] says (9:47 PM):

Oh hi

~°Δ°[[Bizzzzzz]] says (9:48 PM):

I actually just don't know what to do

And it's been this way for the past few rounds

Grate Oracle Lewot says (9:48 PM):

Well

Cruel Regulator says (9:48 PM):

(Bach.)

Grate Oracle Lewot says (9:48 PM):

hmm, I guess if you neutralize, they might just redo it

King Coral says (9:48 PM):

in a maze. . . and i DON'T KNOW WHAT TO DO

~°Δ°[[Bizzzzzz]] says (9:48 PM):

Espera should give the gun to Eugene <.<

~°Δ°[[Bizzzzzz]] says (9:49 PM):

Also Hegel psst

Cruel Regulator says (9:49 PM):

(Erm, well, after the battle.)

King Coral says (9:49 PM):

guaranteed tho i'mma find the emerald's tomb
y'all call me knuckles something something room!

~°Δ°[[Bizzzzzz]] says (9:49 PM):

I'm sorry it's just that I've decided that I just

I have such an inferiority complex ugh

and I know I keep talking about it

King Coral says (9:49 PM):

hey bizz

Grate Oracle Lewot says (9:49 PM):

But I have the same one :/

~°Δ°[[Bizzzzzz]] says (9:49 PM):

It's why I can never choose

King Coral says (9:49 PM):

i don't have an inferiority complex

~°Δ°[[Bizzzzzz]] says (9:49 PM):

what to do anymore

ever

King Coral says (9:49 PM):

y'know what that means?

Cruel Regulator says (9:49 PM):

well, just choose something.

~°Δ°[[Bizzzzzz]] says (9:49 PM):

because I feel like the least

King Coral says (9:49 PM):

its means that I'M BETTER THAN YOU

Cruel Regulator says (9:50 PM):

Lewot and I were just giving you strategical hints!

~°Δ°[[Bizzzzzz]] says (9:50 PM):

interesting character ever

King Coral says (9:50 PM):

actually no all of us don't do shit when we attack

yeah just

chainsaw b

~°Δ°[[Bizzzzzz]] says (9:50 PM):

Well

I was

going to say

chainsaw B

Grate Oracle Lewot says (9:50 PM):

Well, Bizz

actually, I'll tell you in another window.

Cruel Regulator says (9:51 PM):

22 damage. Meep B is just barely penetrated to his vital organs and is killed!

Enemy Phase 3.

King Coral says (9:51 PM):

ooh

private discussion~

Cruel Regulator says (9:51 PM):

So scandalous!

~°Δ°[[Bizzzzzz]] says (9:51 PM):

Yay

Cruel Regulator says (9:51 PM):

Squigley tries, on a random target who is U, Defense Down!

U's Defense went down by 5!

Cruel Regulator says (9:52 PM):

Meep A deliberately targets the same unit with a punch.

~°Δ°[[Bizzzzzz]] says (9:52 PM):

Hey, guys?

Cruel Regulator says (9:52 PM):

U dodges by 3.

King Coral says (9:52 PM):

yeah?

Cruel Regulator says (9:52 PM):

It would've done 51 damage and left U uncomfortably numb!

Cruel Regulator says (9:53 PM):

Player Phase 3

~°Δ°[[Bizzzzzz]] says (9:53 PM):

What if I roleplayed Espera more in-character? <.<.

Like from her actual story

Grate Oracle Lewot says (9:53 PM):

Well

Cruel Regulator says (9:53 PM):

Oh, sure.

I loved the story <3

~°Δ° [[Bizzzzzz] says (9:53 PM):

I thought it would make her less interesting but
<3

I just hate being

the scrappy

All the time

Grate Oracle Lewot says (9:53 PM):

Scrappy?

~°Δ° [[Bizzzzzz] says (9:53 PM):

Yes

Grate Oracle Lewot says (9:53 PM):

Is that from TV Tropes?

~°Δ° [[Bizzzzzz] says (9:54 PM):

Yes

Cruel Regulator says (9:54 PM):

Cruel Regulator says (9:55 PM):

Player characters remaining to act: U, Espera, Eugene, Punk Kid, Snakeboy

~°Δ° [[Bizzzzzz] says (9:55 PM):

Espera should magnet something

Cruel Regulator says (9:55 PM):

whom?

King Coral says (9:55 PM):

Beam Alpha Squiggley

~°Δ° [[Bizzzzzz] says (9:55 PM):

Meep B

Grate Oracle Lewot says (9:55 PM):

Wait, wait, Bizz, this trope is absolutely nothing like Espera :/

~°Δ° [[Bizzzzzz] says (9:55 PM):

No

it's how I feel overall sometimes >.>;

Cruel Regulator says (9:55 PM):

(Sucks 2PP)

~°Δ° [[Bizzzzzz] says (9:56 PM):

(yay)

Cruel Regulator says (9:56 PM):

Beam does

27 damage

Grate Oracle Lewot says (9:56 PM):

"In addition, if the writers begin relying too heavily on an already-present character with some potentially annoying quirks (like The Unintelligible or the Non Human Sidekick), the viewers may begin to find him/her very annoying indeed."

Cruel Regulator says (9:56 PM):

Meep A is DESTROYED

Grate Oracle Lewot says (9:56 PM):

WHO DOES THAT SOUND LIKE

Cruel Regulator says (9:57 PM):
Erm, wait, no Squiggley.
My bad.

~°Δ° [[Bizzzzzz] says (9:57 PM):

Cruel Regulator says (9:57 PM):
Squiggley takes 33 damage
and is still standing.

King Coral says (9:57 PM):
wait is lewot calling me out

Cruel Regulator says (9:57 PM):

Cruel Regulator says (9:58 PM):
Oh, erm, also, the poison, I forgot back on the enemy phase to have Meep A take
poison damage.
1 Damage
(due to Defense Up)
The poison has run its course.
Erm, but yeah, characters remaining to act:

Grate Oracle Lewot says (9:58 PM):
BK

Cruel Regulator says (9:58 PM):
Meep A
Squiggley A

Grate Oracle Lewot says (9:58 PM):
"Unintelligible"

Grate Oracle Lewot says (9:59 PM):
"Non Human"

Cruel Regulator says (9:59 PM):
Oh, hmmm.
whoa!
You!
It's U!

Grate Oracle Lewot says (9:59 PM):
You guys
seriously didn't get that?

Cruel Regulator says (9:59 PM):
Except not annoying.

King Coral says (9:59 PM):
hmmm

King Coral says (10:00 PM):
unintelligible
non human

Cruel Regulator says (10:00 PM):
(Erm, those where the remaining enemies. The characters remaining to act are U,
Punk Kid, and Snakeboy.)

Grate Oracle Lewot says (10:00 PM):
Uh
lower level water pathogen

King Coral says (10:00 PM):
also the article is calling someone out on using a single quirk repeatedly for every aspect of their character

Grate Oracle Lewot says (10:00 PM):
BK shut up

King Coral says (10:00 PM):
not for actually being either of those adjectives

Grate Oracle Lewot says (10:00 PM):
the point was to make Bizz feel better.

King Coral says (10:00 PM):
just being one of them all of the time
B^)

Cruel Regulator says (10:00 PM):
who's the primary target?

~°Δ° [[Bizzzzzz] says (10:01 PM):

Lewot
 Grate Oracle Lewot says (10:01 PM):
Erm, Squiggley
 ~°Δ°[[Bizzzzzz]] says (10:01 PM):
 Ily
 Grate Oracle Lewot says (10:01 PM):
y?
 ~°Δ°[[Bizzzzzz]] says (10:01 PM):
 I have really stupid reasons for being inactive
 Also because
 Cruel Regulator says (10:01 PM):
Direct hit for 1 damage on Squiggley.
 Cruel Regulator says (10:02 PM):
**Explosion for 1 damage to Squiggley
 and also 1 damage to Meep A
 (Remaining: Punk Kid, Snakeboy)**
 ~°Δ°[[Bizzzzzz]] says (10:02 PM):
 Punk should um
 do something
 Cruel Regulator says (10:02 PM):
**to hit (punch, DC4 Stun): 11
 to hit (baseball bat, DC5): 13
 to hit (Mr.Pistol, DC4, RoF: 4, clip: 19/27): 18
 to hit (pump-action shotgun, DC5t3 LETH+1.0, RoF: 1, clip: 4/6): 13
 AUTOHIT ((4)BeamDC7 (7)BetaDC12)
 other PSI ((3)Shield, (3)Defense Up, (3)LifeUpHC7 (5)BetaHC14)**
 Cruel Regulator says (10:03 PM):
Punk Kid: Hits: 20/20, Stun: 20/20, PSI: 12/32
 Grate Oracle Lewot says (10:03 PM):
I am so relevant to this battle
 ~°Δ°[[Bizzzzzz]] says (10:04 PM):
 Well what has Punk been doing
 Cruel Regulator says (10:04 PM):
**First he used his shotgun spread
 which was ineffective
 and then he used LifeUp Beta to revive Eugene.**
 ~°Δ°[[Bizzzzzz]] says (10:04 PM):
 Ohh
 What should he do now
 Grate Oracle Lewot says (10:04 PM):
*Slap U
 for being U-seless*
 Cruel Regulator says (10:05 PM):
**OHOH!
 AHAH!
 what a hilarious play on letters!**
 ~°Δ°[[Bizzzzzz]] says (10:05 PM):
 Ahahaha
 Ahahahahaha
 Grate Oracle Lewot says (10:05 PM):
(I already used U-seful further up "P)
 ~°Δ°[[Bizzzzzz]] says (10:05 PM):
 Lewot ilyily
 Grate Oracle Lewot says (10:05 PM):
 *
 ~°Δ°[[Bizzzzzz]] says (10:05 PM):
 because we are FAMILY
 Grate Oracle Lewot says (10:05 PM):
 ...Heh
 <3
 ~°Δ°[[Bizzzzzz]] says (10:05 PM):
 <3
 Cruel Regulator says (10:05 PM):

Punk Kid slaps U! U recieves 1 Stun. Remaining characters: Snakeboy.

King Coral says (10:05 PM):

AHAHAHA

AHAHAHAHAHAHAHAHA

Cruel Regulator says (10:05 PM):

(You make recant if you want, though.)

Grate Oracle Lewot says (10:06 PM):

No I may not

King Coral says (10:06 PM):

bite b

Cruel Regulator says (10:06 PM):

B is already dead.

Grate Oracle Lewot says (10:06 PM):

well unless you guys need Punk

King Coral says (10:06 PM):

A!

Cruel Regulator says (10:06 PM):

(Or rather, is at -4HP and continuing to bleed.)

~°Δ° [[Bizzzzzz] says (10:06 PM):

/

Cruel Regulator says (10:06 PM):

Misses

Enemy Phase 4!

~°Δ° [[Bizzzzzz] says (10:07 PM):

I haaate epicmafia now

Oh I died fifteen minutes ago

But just wanted to say that

Cruel Regulator says (10:07 PM):

Snakeboy: Hits: 29/65, Stun: 65/65, PSI: 3/20

Punk Kid: Hits: 20/20, Stun: 20/20, PSI: 12/32

U: Hits: 02/30, Stun: 01/30, PSI: 10/20, Luck: 12/12, Defense Down

Grate Oracle Lewot says (10:07 PM):

*Hegel I should just be able to like
convert my Luck into damage*

Cruel Regulator says (10:08 PM):

well, U can just use this useless time for Magnet

~°Δ° [[Bizzzzzz] says (10:08 PM):

Apparently I have to call my dad

Cruel Regulator says (10:08 PM):

erm, and also, a higher-powered pathogen would damage Squiggley or not offense-upped Meep.

Grate Oracle Lewot says (10:08 PM):

Oh

~°Δ° [[Bizzzzzz] says (10:08 PM):

But he always expects me to talk for a really long time

King Coral says (10:08 PM):

pro hint: meep is weak against ice!

Grate Oracle Lewot says (10:08 PM):

well, but see, Bizz, I'm useless in this fight

~°Δ° [[Bizzzzzz] says (10:08 PM):

And tell him everything even when I don't have much to say

Cruel Regulator says (10:08 PM):

(Erm, no, he isn't.)

Grate Oracle Lewot says (10:08 PM):

you're useful in most fights

~°Δ° [[Bizzzzzz] says (10:08 PM):

Or else I don't love him

Cruel Regulator says (10:08 PM):

(He's at x0.50)

Grate Oracle Lewot says (10:09 PM):
because you have a chainsaw and a slim sword

~°Δ°[[Bizzzzzz]] says (10:09 PM):
 Lewot I am not useful in anything

Cruel Regulator says (10:09 PM):
 Bizz, if you think that then you have not even been playing the game at all

~°Δ°[[Bizzzzzz]] says (10:09 PM):
 No
 I've been playing
 It's just a natural feeling

Cruel Regulator says (10:09 PM):
 (Erm, also, I'm making some battles against larger numbers of enemies to make the pathogens more useful)

King Coral says (10:09 PM):
 just use your ice attacks and he'll be down before he can even let out an exasperated "meep"!

Cruel Regulator says (10:09 PM):
 well, that will get around Defense Up, using Freeze.

Grate Oracle Lewot says (10:09 PM):
 Oh

Cruel Regulator says (10:09 PM):
 Preferably Freeze Beta since he isn't at full HP.

~°Δ°[[Bizzzzzz]] says (10:10 PM):
 I just don't like saying it out loud

Grate Oracle Lewot says (10:10 PM):
 I didn't know that

~°Δ°[[Bizzzzzz]] says (10:10 PM):
 Because it annoys people

Grate Oracle Lewot says (10:10 PM):
 But Bizz
 ily

Cruel Regulator says (10:10 PM):
 (For a while I was thinking of having Defense Up boost Resistance, but not it just does regulat Defense.)

Grate Oracle Lewot says (10:11 PM):
 Well, erm, did the enemy phase happen
 ?

Cruel Regulator says (10:11 PM):
 Oh, wait, you're right.
 I completely forgot
 to have the enemies fight.
 whoa.
 Thank you for reminding me.

~°Δ°[[Bizzzzzz]] says (10:11 PM):

Cruel Regulator says (10:11 PM):
 Right, player phase ended with Snakeboy missing his bite.

~°Δ°[[Bizzzzzz]] says (10:11 PM):
 I was wondering where we were

Cruel Regulator says (10:11 PM):
 This is Enemy Phase 4.
 Oh, God

Cruel Regulator says (10:12 PM):
 Bizz, though, Espera has been consistently strategically vital and the party has suffered without her several times. I usually make enemy stats with Espera's abilities in mind and that kinda leaves more balanced U not doing so well
 But yeah, erm, Meep A punches someone again!

~°Δ°[[Bizzzzzz]] says (10:12 PM):
 Wellll, but story-wise
 I dunno

Cruel Regulator says (10:12 PM):
 This time it's Eugene.

~°Δ°[[Bizzzzzz]] says (10:12 PM):

I'm sorry

Cruel Regulator says (10:12 PM):

The story is more or less always under my control.

~°Δ°[[Bizzzzzz]] says (10:12 PM):

I'll shut up

Cruel Regulator says (10:12 PM):

~°Δ°[[Bizzzzzz]] says (10:13 PM):

and not interrupt the game with my insecurities anymore

Cruel Regulator says (10:13 PM):

Eugene dodges.

King Coral says (10:13 PM):

WOOO

Cruel Regulator says (10:13 PM):

Squigley tries Defense Down on Eugene, also.
Eugene's Defense goes down by 3!

Cruel Regulator says (10:14 PM):

Okay, erm, now, Player Phase 4.

Punk Kid: Hits: 20/20, Stun: 20/20, PSI: 12/32

Snakeboy: Hits: 29/65, Stun: 65/65, PSI: 3/20

Eugene: Hits: 30/30, Stun: 30/30, PSI: 15/24, Luck: 13/13, Defense Down

Espera: Hits: 25/25, Stun: 25/25, PSI: 09/16, Luck: 13/13

U: Hits: 02/30, Stun: 02/30, PSI: 10/20, Luck: 12/12, Defense Down

Okay, hurry hurry hurry and do something . . .

~°Δ°[[Bizzzzzz]] says (10:14 PM):

Hmm

Grate Oracle Lewot says (10:15 PM):

Er

~°Δ°[[Bizzzzzz]] says (10:15 PM):

WHAT ENEMIES ARE LEFT AGAIN

Grate Oracle Lewot says (10:15 PM):

Magnet

~°Δ°[[Bizzzzzz]] says (10:15 PM):

Cruel Regulator says (10:15 PM):

Meep A (Defense Up, Offense Up)

Squiggley A

Grate Oracle Lewot says (10:15 PM):

Well, Squiggley

~°Δ°[[Bizzzzzz]] says (10:16 PM):

Neutralize Meep A

Cruel Regulator says (10:16 PM):

U sucks 6PP

Meep A recovers 20 Stun!

He feels relaxed

Cruel Regulator says (10:17 PM):

Cruel Regulator says (10:18 PM):

Cruel Regulator says (10:20 PM):

31 damage
the Squiggley is pretty much no longer there.
Punk Kid and Snakeboy
Snakeboy's bite hits.

King Coral says (10:20 PM):

for the first time EVER

Cruel Regulator says (10:20 PM):

9 damage, and the Meep is poisoned

Cruel Regulator says (10:21 PM):

Punk Kid uses Beam Alpha!
But he is an awkward teenager so his Beam is much weaker than confidant Eugene's.
6 damage

King Coral says (10:22 PM):

Cruel Regulator says (10:22 PM):

Enemy Phase 5
Punk Kid "I'm not gay. I'm not gay. I'm not gay. I'm "/phase

King Coral says (10:22 PM):

~°Δ°[[Bizzzzzz] says (10:22 PM):

Cruel Regulator says (10:22 PM):
Erm, the remaining Meep tries to punches again.
Targeting U.

Cruel Regulator says (10:23 PM):
Hits by 6

Grate Oracle Lewot says (10:23 PM):

Erm, 6 Luck

Cruel Regulator says (10:23 PM):

Cruel Regulator says (10:25 PM):

First hit does 14 damage, the second 4.
Meep A is now bleeding to death!

Cruel Regulator says (10:26 PM):

Magnet sucks 6PP

U's PP is maxed out!

Grate Oracle Lewot says (10:26 PM):

Wu

Cruel Regulator says (10:26 PM):

Meep A is still conscious, though
although bleeding to death.

Cruel Regulator says (10:27 PM):

Espera, Punk Kid, and Snakeboy can still go.
Oh, wait, actually, I forgot about Snakeboy's poison.

~°Δ° [[Bizzzzzz]] says (10:27 PM):

Um

Cruel Regulator says (10:27 PM):

Cruel Regulator says (10:28 PM):

~°Δ°[[Bizzzzzz] says (10:29 PM):

Grate Oracle Lewot says (10:29 PM):

Cruel Regulator says (10:29 PM):

The meeps, who were crying uncontrollably the entire battle, each drop a lv.10 water pathogen!

Grate Oracle Lewot says (10:29 PM):

Wu

Cruel Regulator says (10:30 PM):

Erm, I kinda need to go to bed now.

I was not expecting that battle to take nearly as long as it did well, I'll eat some desert before I got to bed . . .
