[1/22/13 6:24:43 PM] Andrew Cornell: alrighty then, shall we get started?
[1/22/13 6:25:19 PM] Andrew Cornell: "OF COURSE!!" shouted the enthusastic players as they quickly reached out for their various gaming devices that would allow them to play the game.
[1/22/13 6:25:40 PM] KV: "OF COURSE"
[1/22/13 6:26:18 PM] Andrew Cornell: (I like the enthusiasm :P)
[1/22/13 6:26:24 PM] Andrew Cornell: http://www.youtuberepeater.com/watch?v=qqXAKbOsZQc&name=Concerto+RPG+OST+Intro+Music

[1/22/13 6:26:40 PM] Lëvîtý: let me get mine too
[1/22/13 6:26:48 PM] Andrew Cornell: for those of you with internet access, grab those headphones and click the link
[1/22/13 6:26:54 PM] KV: hey, doofus?
[1/22/13 6:26:57 PM] Lëvîtý: and also I'm working on vivium's backstory but you at least have her overall personality and stuff :3c
[1/22/13 6:26:59 PM] KV: We all have internet access.
[1/22/13 6:27:05 PM] KV: Or we wouldn't be on Skype.
[1/22/13 6:27:15 PM] Andrew Cornell: (hey, KV?)
[1/22/13 6:27:17 PM] Lëvîtý: og m i can't bretahe
[1/22/13 6:27:24 PM] Andrew Cornell: Press Start when you're ready!
[1/22/13 6:27:30 PM] presses Start
[1/22/13 6:27:43 PM] misses and hits the A button
[1/22/13 6:27:59 PM] Lewot: (I still might suggest popping the music into a Game Maker file so that it can loop.)
[1/22/13 6:28:03 PM] Andrew Cornell: BOOOOOOOOOOOOOOOOOM, THE INTRO MUSIC PLAYS AS THE TITLE CARD APPEARS ON THE CONVENIENT SCREEN IN FRONT OF THE PLAYERS
[1/22/13 6:28:04 PM] accidentallies the controller
[1/22/13 6:28:15 PM] Andrew Cornell: (...well, close enough)
[1/22/13 6:28:23 PM] Andrew Cornell: (anywho~)
[1/22/13 6:28:34 PM] Andrew Cornell: Welcome to the Concerto RPG!
[1/22/13 6:28:51 PM] Lewot: (...Wait, holy crap, that part of the song really sounded like something Double O wrote...)
[1/22/13 6:29:04 PM] Andrew Cornell: Here you are about to embark on an epic adventure of grand proportions, filled with monsters and puzzles and other things abound~
[1/22/13 6:29:16 PM] Andrew Cornell: You've all made your characters and are now ready to enter the world!
[1/22/13 6:29:30 PM] Lewot: (Oh, it does loop =P)
[1/22/13 6:29:53 PM] KV: (that's what YouTube Repeater does, yes)
[1/22/13 6:30:00 PM] Andrew Cornell: (thank you YouTube Repeater :3)
[1/22/13 6:30:04 PM] Andrew Cornell: http://www.youtuberepeater.com/watch?v=N8-CiD0w5LU&name=Concerto+RPG+OST+Enotita+the+Heartland
[1/22/13 6:30:11 PM] Lewot: (He just said listen, he didn't say read the webpage)
[1/22/13 6:30:26 PM] Andrew Cornell: We'll start with the great story.
[1/22/13 6:30:43 PM] Andrew Cornell: of how a small band of adventurers saved

the world from evil.
[1/22/13 6:30:52 PM] Andrew Cornell: and their less than humble beginnings.
[1/22/13 6:31:00 PM] Lewot: And Lewot came with them.
[1/22/13 6:31:08 PM] Andrew Cornell: (you're the first one, actually :3)
[1/22/13 6:31:24 PM] Andrew Cornell: Here we find ourselves in the bustling heartland of Enotita.
[1/22/13 6:31:41 PM] Andrew Cornell: One night, a great gathering is held in the eloquent mayor's home.
[1/22/13 6:31:52 PM] Andrew Cornell: But before we get to that, look up to the sky!
[1/22/13 6:32:02 PM] KV: (insensitive.)
[1/22/13 6:32:23 PM] Andrew Cornell: The beautiful night air is crisp and cool, and the stars glisten like diamonds.
[1/22/13 6:32:32 PM] Andrew Cornell: And it seems that one of them is...
[1/22/13 6:32:34 PM] Andrew Cornell: falling?
[1/22/13 6:32:56 PM] Andrew Cornell: A small spaceship in fact has come careening out of the sky and lands on the outskirts of Enotita!
[1/22/13 6:33:16 PM] Andrew Cornell: The wreckage doesn't attract the attention of the local townsfolk surprisingly.
[1/22/13 6:33:43 PM] Andrew Cornell: But the occupant of the spaceship exits out of it without another word and hobbles off towards the mayor's home.
[1/22/13 6:34:00 PM] Lewot: I size up the planet.
[1/22/13 6:34:06 PM] Lewot: "...Ugh."
[1/22/13 6:34:28 PM] Andrew Cornell: The strange fellow looks around himself, completely bamboozled.
[1/22/13 6:34:44 PM] Andrew Cornell: Suddenly, his communicator starts to ring.
[1/22/13 6:35:15 PM] Andrew Cornell: He should pick up and see who it is!
[1/22/13 6:35:41 PM] Lewot: I maneuver the device up to the side of my head, despite my lack of arms or ears.
[1/22/13 6:35:57 PM] Lewot: "Oy?"
[1/22/13 6:36:13 PM] Andrew Cornell: "Lewot!" The familiar voice of his superior comes over the line.
[1/22/13 6:36:26 PM] Andrew Cornell: "Have you made it to the planet safely?"
[1/22/13 6:36:44 PM] Lewot: I look back at the crashed ship. "Uh... yep."
[1/22/13 6:37:09 PM] Andrew Cornell: "Fantastic! Alright, I'm beaming down the Scanner to you! You do remember what that does, right?"
[1/22/13 6:37:46 PM] Andrew Cornell: As the commander asks his question, a beam of light shines down in front of Lewot, and from it materializes a small remote device.
[1/22/13 6:38:42 PM] Lewot: "Yeah, yeah," I say, not remembering in the slightest what it does.
[1/22/13 6:39:07 PM] Andrew Cornell: "You don't have a clue, do you? Dammit, Lewot, if we're going to have scout missions to planets, you have to remember what the equipment does!"
[1/22/13 6:39:18 PM] Andrew Cornell: "Alright, listen up, cause I'm only saying this once!"

[1/22/13 6:39:59 PM] Lewot: I remove the communicator from my ear for the first few words of the next sentence, looking around some more.
[1/22/13 6:40:40 PM] Andrew Cornell: The superior continues to babble on about the new device. Some of the words come through such as, "analyze," "scan," "creatures," and the like.
[1/22/13 6:40:57 PM] Andrew Cornell: Lewot distracts himself by looking around at the tall buildings that glisten in the moonlight.
[1/22/13 6:41:15 PM] Andrew Cornell: The communicator screams out, "LEWOT!!"
[1/22/13 6:41:39 PM] Lewot: "This is he."
[1/22/13 6:42:03 PM] Andrew Cornell: "Did you get all that? The whole scanning process and that you shouldn't let too many people see the scanner and such and such?"
[1/22/13 6:42:06 PM] Andrew Cornell: "AND SUCH?!"
[1/22/13 6:42:18 PM] Lewot: "And such. Got it."
[1/22/13 6:42:51 PM] Andrew Cornell: "Good. Make sure to pick up the Scanner and investigate! Intel says there's a mayor holding a party, so be wary!"
[1/22/13 6:42:58 PM] Andrew Cornell: "Over and out!"
[1/22/13 6:43:13 PM] Andrew Cornell: The communicator clicks off, signaling that your surperior has hung up.
[1/22/13 6:43:41 PM] Lewot: I sniff the Scanner and rub my whiskers on it.
[1/22/13 6:43:56 PM] Andrew Cornell: The Scanner seems to be a rather simple point-and-shoot device.
[1/22/13 6:44:03 PM] Andrew Cornell: It reacts to your whiskers and gravitates to you!
[1/22/13 6:44:12 PM] Andrew Cornell: Lewot now has the Ability to Scan enemies!
[1/22/13 6:44:36 PM] Lewot: Do I have to unequip my towel and equip the Scanner, or is it just an extra thing?
[1/22/13 6:45:05 PM] Andrew Cornell: [This is an extra item that won't take up space in the inventory and automatically gives you the ability to Scan an enemy at the cost of using one turn in battle.]
[1/22/13 6:45:24 PM] Andrew Cornell: [You can check for it with the Key Items command by pressing Star-]
[1/22/13 6:45:30 PM] Andrew Cornell: (uh, anyways, you get the idea :P)
[1/22/13 6:45:43 PM] Andrew Cornell: What will Lewot do now?
[1/22/13 6:45:50 PM] Lewot: I close the Start menu and inchworm toward the mayor's house.
[1/22/13 6:46:22 PM] Andrew Cornell: Lewot slowly heads over to the rustle and bustle of the mayor's house, despite his superior's commands. Not like the superior ever really knows what he's talking about.
[1/22/13 6:46:50 PM] Andrew Cornell: Eventually, Lewot arrives at the mayor's house to find a large gathering of rugged individuals entering the premises.
[1/22/13 6:47:07 PM] Andrew Cornell: Among them is a metal-armed man carrying a sword
[1/22/13 6:47:14 PM] Lewot: I join the queue nonchalantly.

[1/22/13 6:47:33 PM] Andrew Cornell: Lewot nonchalantly joins the band of ruffians.
[1/22/13 6:48:07 PM] Andrew Cornell: They don't pay him any mind, as he is too short for them to actively notice and too stealthy for them to see him approach.
[1/22/13 6:48:47 PM] Andrew Cornell: Lewot sneaks into the mayor's house with the ruffians.
[1/22/13 6:50:35 PM] Andrew Cornell: (youtuberepeater is being a little slow on my end http://www.youtube.com/watch?v=xWm_pc2C0Hg)
[1/22/13 6:50:51 PM] Andrew Cornell: (plug the link into the search box and click on the video to play)
[1/22/13 6:51:36 PM] Andrew Cornell: (or you can click here: http://www.infiniteloooper.com/?v=xWm_pc2C0Hg&p=n)
[1/22/13 6:51:55 PM] Andrew Cornell: Inside the house is a large gathering of all kinds of people!
[1/22/13 6:52:11 PM] Andrew Cornell: Ruffians, missionaries, psychics, even demons are in attendance!
[1/22/13 6:52:33 PM] Andrew Cornell: Every one is simply enjoying the food and drink and mingling about.
[1/22/13 6:52:50 PM] Andrew Cornell: (all characters are now active and are free to mingle about the party)
[1/22/13 6:53:03 PM] Lewot: I examine the nearest food and beverage items.
[1/22/13 6:53:18 PM] KV: Stefan adjusts his tie, unsure whether it was on straight.
[1/22/13 6:53:44 PM] Andrew Cornell: Lewot heads over to the nearby table to investigate some of the local cuisine. It seems to be edible things to a degree.
[1/22/13 6:54:07 PM] Ringtail Randl (Randy): "Les'see, les'see here.." the girthy demoness said scanning the table back and forth, a finger to her mouth.

"Start with dessert, or hors'derves?"
[1/22/13 6:54:20 PM] Andrew Cornell: Father Stefan adjusts his already-straightened tie. Of course he was inclined to check, you can never really tell.
[1/22/13 6:54:53 PM] Lewot: I watch Paeton to see which foods are considered to be in which category.
[1/22/13 6:54:57 PM] KV: Stefan feels whiskers brush against his leg. "Ho there. You must be new."
[1/22/13 6:55:04 PM] Andrew Cornell: The demoness hobbles by near Lewot, investigating the food. She carries her large furnace on her back with ease but bumps a little into one of the other guests.
[1/22/13 6:55:06 PM] Lewot: I turn around.
[1/22/13 6:55:14 PM] Lëvîtý: A woman stands a distance off looking rather disgruntled.
[1/22/13 6:55:23 PM] Lewot: "Hey. I'm from out of town, yeah."
[1/22/13 6:55:33 PM] KV: "Anywhere I might've heard of?"
[1/22/13 6:55:57 PM] Brad: The metal-armed man approaches the table, but stands back from it a bit while he listens in on the conversation.
[1/22/13 6:56:40 PM] Lëvîtý: She coughs, covering her mouth with her shoulder

4

instead of her hand. She seems to be inwardly debating her food choices.
[1/22/13 6:56:46 PM] Lewot: "I don't know what they call the system in this language, so probably not. Back home, we call it" I make a strange stomach-rumbling sound.
[1/22/13 6:56:46 PM] Ringtail Randl (Randy): In a fit of sheer impatience3 and indecisiveness, she just starts piling foods onto a palte, letting each meal of the day mingle with another. Chicken fried steak, flapjacks, chocolate pie, the list goes on!

She is too distracted to turn, or due to her girth may not have felt a nudge or sorts.
[1/22/13 6:57:44 PM] Lëvîtý: She turns, noticing the stranger's arrival but not at first paying mind to it.
[1/22/13 6:57:55 PM] KV: "Ah. Well. When you said out-of-town, I thought you meant..."
[1/22/13 6:58:17 PM] KV: "Hm." Stefan is slightly troubled by this news, but decides it'd be best to move on.
[1/22/13 6:58:58 PM] Lewot: I savor the awkward pause.
[1/22/13 6:59:29 PM] Ringtail Randl (Randy): "Mffphmph MHH!" Paeton exclaimed to the man with the dapper tie.

She swallowed quickly and then repeated herself. "You got a problem with the Netherworld, white collar?" she continued to stuff her face as her eyebrows narrowed.
[1/22/13 7:00:04 PM] KV: "Not the Netherworld, exactly, just a certain subsection of it."
[1/22/13 7:00:38 PM] Lëvîtý: Vivium coughs again, subtly moving in the direction towards the other side of the room.
[1/22/13 7:00:53 PM] KV: "My line of work mainly concerns the other end of that spectrum."
[1/22/13 7:01:28 PM] Lewot: I crawl up onto the table and sniff one of the plates of food.
[1/22/13 7:01:48 PM] Ringtail Randl (Randy): "Eehehehe, if you can call that work." Paeton muttered under her breath, completely unaware that that would be totally audible to someone with sharpened hearing.
[1/22/13 7:02:02 PM] Brad: He wedges his way between a couple of people walking by and grabs a drumstick off the table; he begins to eat it right then and there as he grabs another one. He steps back from the table and eats his food while leaning his sword against a wall.
[1/22/13 7:02:17 PM] KV: "Mm, you're not entirely wrong. It's more 'freelance,' you could say. There isn't much money in the priesthood."
[1/22/13 7:02:54 PM] Lëvîtý: "Hey, guy. You look really confused and I don't know how much this klink over here is helping you."
[1/22/13 7:03:09 PM] Lëvîtý: She speaks quite loudly without realizing it. Her voice is rather sharp.
[1/22/13 7:03:17 PM] Lewot: I use my towel to lower the plate of food onto the

ground, concerned that if I stay on the table, someone might try to eat me.
[1/22/13 7:03:37 PM] Lewot: I dive down into the food and begin eating ravenously.
[1/22/13 7:03:54 PM] Lëvîtý: "... Or you're hungry. That's plausible."
[1/22/13 7:04:14 PM] Lewot: My head pops up. "Oh, hi there."
[1/22/13 7:04:45 PM] Lëvîtý: "I'm not actually really certain what I want. I'm trying to keep my salts in check so there's only so much I can pick here."
[1/22/13 7:04:57 PM] Ringtail Randl (Randy): Paeton jolted a tad when she was responded to, and finished her bite to eat.

"I know the feeling.. Well! Not REALLY the same kind of thing, but I've been around a few temporary--er, attempted--er... I've been spending the time trying to find what job's right for me." she wiped her mouth on the wristband on her right arm.

"You humans sure do have a lot more work up here, that's for sure."
[1/22/13 7:04:59 PM] Lëvîtý: She seems to be speaking more to herself than anyone else.
[1/22/13 7:05:03 PM] Lewot: "I see."
[1/22/13 7:06:15 PM] Lëvîtý: "Human society has this rule that we're not worth existing if we aren't contributing to a healthy community in some way."
[1/22/13 7:06:21 PM] Andrew Cornell: Suddenly, a loud trumpeting sound echoes throughout the hall.
[1/22/13 7:06:40 PM] Lewot: "Yeah, unfortunately it doesn't get any better anywhere else."
[1/22/13 7:06:51 PM] Andrew Cornell: The room gets quiet as everyone turns to look over at the trumpeteer.
[1/22/13 7:07:03 PM] Lewot: I continue eating.
[1/22/13 7:07:27 PM] Andrew Cornell: "Presenting his most esteemed and humble and honorableness, Mayor DiMarcos!"
[1/22/13 7:07:27 PM] Lëvîtý: Vivium wraps her arms around herself at the sound of the horn.
[1/22/13 7:07:51 PM] KV: Stefan claps at the Mayor's entrance, despite not being able to see it.
[1/22/13 7:08:16 PM] Andrew Cornell: Applause greets the mayor from most of the crowd, who is himself a large and rather wobbly fellow.
[1/22/13 7:08:34 PM] Lewot: (Everyone must imagine the Whiskerpillars' eating noises throughout the mayor's entire speech.)
[1/22/13 7:08:36 PM] Lëvîtý: Vivium smiles in the mayor's general direction.
[1/22/13 7:08:43 PM] Lëvîtý: (oh my god)
[1/22/13 7:08:45 PM] Ringtail Randl (Randy): Paeton continues licking her plate clean, keeping her eyes covered from the commotion.
[1/22/13 7:09:10 PM] Andrew Cornell: "Welcome all, my friends," DiMarcos says, addressing all in attendance.
[1/22/13 7:09:24 PM] Andrew Cornell: "I'm so glad you could all join in for the Banquet of Adventurers!"

[1/22/13 7:10:12 PM] Andrew Cornell: "As most of you have no doubt heard, I hold this banquet once a year to celebrate the wonderful travelers that go across the lands and protect them from the ill will of ne'er-do-wells!"
[1/22/13 7:11:18 PM] Andrew Cornell: "From the mountains of Ventus to the depths of Nero, from the frozen arctic of Glacies to the burning lands of Ignis, I welcome and thank you all!"
[1/22/13 7:11:51 PM] Andrew Cornell: "Now some of you may not be adventurers, but as we all know, some don't come here for the gathering of adventurers - they also come to begin their own adventures!"
[1/22/13 7:12:30 PM] Andrew Cornell: "So please, partake of the feast and enjoy yourselves to the fullest degree! For if you have not earned it yet, you'll certainly earn it in the next year! Such is the luck of the banquet~"
[1/22/13 7:12:50 PM] Andrew Cornell: The mayor chuckles a little with his last remark, and some more folks applaud the mayor.
[1/22/13 7:13:20 PM] Andrew Cornell: One person continues a slow and very loud clapping rhythm.
[1/22/13 7:13:30 PM] Lëvîtý: (aHHAHJAHAHAHA)
[1/22/13 7:13:34 PM] Andrew Cornell: "Indeed, bravo DiMarcos!"
[1/22/13 7:13:49 PM] Andrew Cornell: http://www.infinitelooper.com/?v=fvSAIg5MJ7s&p=n
[1/22/13 7:14:10 PM] Andrew Cornell: Everyone is strangely quiet as they all turn to this strange and very loud man.
[1/22/13 7:14:29 PM] Andrew Cornell: Even the mayor is strangely perplexed by this stranger's arrival.
[1/22/13 7:14:31 PM] KV: Stefan furrows his brow. The background music that started to play when this man spoke up didn't bode well.
[1/22/13 7:14:47 PM] Lewot: I continue eating.
[1/22/13 7:14:56 PM] Lëvîtý: Vivium inwardly scoffs at the 'earning' remark, not much regarding anything else.
[1/22/13 7:15:07 PM] Brad: Feurig dumps the remains of his food on the floor, behind his sword and looks up towards the stranger. He picks up the sword and cracks his neck.
[1/22/13 7:15:41 PM] Andrew Cornell: "What?" the man asks. "This is the party, yes?"
[1/22/13 7:16:03 PM] Andrew Cornell: "Oh no need to look so sullen, all of you! Go on, have some fun, don't mind me."
[1/22/13 7:16:21 PM] Andrew Cornell: "And just who are you?" the mayor asks quizically.
[1/22/13 7:16:39 PM] Andrew Cornell: The man gasps, his white hat nearly flying off him.
[1/22/13 7:16:49 PM] Lewot: I finish my plate of food and crawl back onto the table for another one.
[1/22/13 7:17:05 PM] Andrew Cornell: "How could you not know me, mayor? And after all this time!"
[1/22/13 7:17:37 PM] Lewot: On second thought, I look for something to drink.
[1/22/13 7:17:39 PM] Andrew Cornell: The man brandishes his cane and taps to

a peculiar rhythm.

[1/22/13 7:18:18 PM] KV: Stefan picks up his walking staff from its' spot against the wall and makes his way through the crowd, closer to the gate-crasher.

[1/22/13 7:18:39 PM] Lewot: In spite of myself, I take notice of the rhythm, and my whiskers begin to jerk to it.

[1/22/13 7:18:59 PM] Ringtail Randl (Randy): Paeton, indifferent inspects her anointed teeth in the reflection of the plate--she licks of a few pepper peices from her front teeth.

[1/22/13 7:18:59 PM] Andrew Cornell: Anyone looking at the man can see his hat change color to a rather black, along with his vest and pants.

[1/22/13 7:19:13 PM] KV: (seriously? Not cool.)

[1/22/13 7:19:40 PM] Andrew Cornell: In fact, these items seem to be transitioning through several different colors as the man taps out his rhythm across the floor and around the various party guests.

[1/22/13 7:19:41 PM] Lëvîtý: Vivium's brain subconsciously detects the pattern of the rhythm and she jerks her head slightly, once, to get a better feel.

[1/22/13 7:20:03 PM] Andrew Cornell: "Call me Theo, short for Theosisos, but I prefer Theo the Magic Man," the man says as he waltzes about. "I'm a gifted potions expert, a well-read spell caster, and an amateur professional at voodoo."

[1/22/13 7:20:41 PM] Andrew Cornell: He conjures up a small doll of one of the guests and demonstrates by poking it with a small needle, causing the fellow in questin to yelp.

[1/22/13 7:20:54 PM] Lewot: I turn back and continue looking for a drink, but my whiskers still twitch to the rhythm.

[1/22/13 7:21:03 PM] Lëvîtý: Vivium quietly slinks away behind some of the guests.

[1/22/13 7:21:10 PM] Andrew Cornell: He then tosses the doll across the room, sending the poor gentleman flying as well. The doll disappears as it hits the ground, but the man is not so lucky.

[1/22/13 7:21:15 PM] Lëvîtý: She hides within them.

[1/22/13 7:21:15 PM] KV: Stefan felt a chill. No wonder he was getting such a bad vibe from the man.

[1/22/13 7:21:36 PM] Andrew Cornell: Theo waltzes up the mayor himself and wraps an arm around him.

[1/22/13 7:21:45 PM] Ringtail Randl (Randy): "Hey, cooooool!!" Paeton mutter under her breath as the man is jettisoned across the room.

[1/22/13 7:21:52 PM] Lewot: I begin a complex drink-mixing process that makes use of my towel.

[1/22/13 7:22:08 PM] Andrew Cornell: "Surely someone like me is more than welcome to a banquet like this, right?" Theo asks.

[1/22/13 7:22:36 PM] Andrew Cornell: The mayor is conflicted. He doesn't want to have to kick anybody out, but at the same time, Theo did just send a man flying.

[1/22/13 7:22:47 PM] Andrew Cornell: The fellow's friends have gone over to help him back up to his feet.

[1/22/13 7:22:54 PM] Lewot: (brb bathroom)

[1/22/13 7:23:42 PM] Andrew Cornell: Theo looks up at the screen. "Going to the bathroom? In the middle of MY scene? I'm almost insulted!" he says, but he obliges by tapping his cane and pausing the game.
[1/22/13 7:24:09 PM] KV: (I love this fourth-wall breakage)
[1/22/13 7:24:21 PM] Andrew Cornell: (what can I say? he is a magic man~)
[1/22/13 7:24:29 PM] Brad: (i like his theme song too, seems pretty fitting for him)
[1/22/13 7:24:41 PM] Lëvîtý: (well i did get up and get soup in the middle of his scene)
[1/22/13 7:25:13 PM] Andrew Cornell: (fun fact: Theo's theme and the Concerto Intro were the first songs made!)
[1/22/13 7:25:18 PM] Lëvîtý: (vivium is secretly eating as she hides she just wouldn't tell you that)
[1/22/13 7:25:29 PM] Andrew Cornell: (hehehe <3)
[1/22/13 7:25:33 PM] Lewot: (I am back.)
[1/22/13 7:25:48 PM] Andrew Cornell: "Now that's better," Theo says as he unpauses the game.
[1/22/13 7:25:54 PM] Andrew Cornell: ...well, most of the game.
[1/22/13 7:26:06 PM] Andrew Cornell: It seems that the party guests are still frozen!
[1/22/13 7:26:07 PM] KV: Stefan closes his eyes, though it's anyone's guess why.
[1/22/13 7:26:12 PM] Lewot: I finish mixing my drink and look for a tiny umbrella.
[1/22/13 7:26:16 PM] Andrew Cornell: No one can move!
[1/22/13 7:26:35 PM] Lewot: Then I notice that the liquid has stopped in midair.
[1/22/13 7:26:49 PM] Andrew Cornell: "Now where was I?" Theo wonders thoughtfully.
[1/22/13 7:26:52 PM] KV: "Lord, let me see the world as you do," Stefan muttered.
[1/22/13 7:27:19 PM] KV: He opens his eyes, which are now glowing with a soft, pure-white light.
[1/22/13 7:27:21 PM] Andrew Cornell: "Oh yes! I remember! I was about to do something like-"
[1/22/13 7:27:27 PM] Lewot: I attempt to slurp up the gravity-defying, half-mixed drink.
[1/22/13 7:27:29 PM] Ringtail Randl (Randy): Paeton is frozen in place, still pickin at her teeth. Her annoyance grows as she sees a piece of cilantro stuck in her teeth.

"Mmmmph!!"
[1/22/13 7:27:50 PM] Andrew Cornell: Theo walks around the flustered mayor, who seems to be the only one not frozen.
[1/22/13 7:28:16 PM] Lewot: My whiskers twitch, but I can't get my mouth to the beverage.
[1/22/13 7:28:20 PM] Andrew Cornell: "I was going to say something along the lines of, 'Not like these fellows are much of the adventuring type,' or something to

that effect," Theo says.

[1/22/13 7:28:40 PM] Andrew Cornell: "What have you done?!" the mayor asks, distraught as his party guests have been completely frozen!

[1/22/13 7:29:15 PM] Andrew Cornell: "Oh that? Well, I just thought that real adventurers would know not to get caught up in a Binding Spell like this one so easily," Theo explained.

[1/22/13 7:29:52 PM] Andrew Cornell: "I mean really, how hard is it to not let the magic fellow wander around the party and hex everyone? Surely you realize this! But noooooooo!"

[1/22/13 7:30:02 PM] KV: "Easy to brag when you appear uninvited."

[1/22/13 7:30:17 PM] Lëvîtý: Inwardly, Vivium starts to panic. She tries to solve it somehow with her mind.

[1/22/13 7:30:22 PM] Andrew Cornell: Theo looks around. "You say something mayor?" he asks.

[1/22/13 7:30:36 PM] Andrew Cornell: "I should! You'll not get away with this!" the mayor retorts.

[1/22/13 7:30:38 PM] KV: "Not the mayor, son. I'm the one who called you out."

[1/22/13 7:30:40 PM] Lëvîtý: She isn't used to being unable to find a way around this kind of thing.

[1/22/13 7:30:53 PM] KV: Stefan's eyes continue to glow white, granting him vision.

[1/22/13 7:30:57 PM] Ringtail Randl (Randy): Paeton thinks her finger is moving ever closer to removing that piece of cilantro, slowly but surely, not visible to the human eye--but then again it could be her imagination.

Frustration!

[1/22/13 7:31:02 PM] Brad: Feurig is stuck with his head tilted in an uncomfortable position. A single word resonates in his mind. "Dammit."

[1/22/13 7:31:03 PM] Andrew Cornell: Theo looks up, ignoring the mayor.

[1/22/13 7:31:10 PM] Lëvîtý: Vivium attempts to send intensely angry signals to Theo using telepathy!

[1/22/13 7:31:19 PM] Lewot: My towel flutters in the breeze from the window, but I still can't move.

[1/22/13 7:31:29 PM] KV: He looks menacingly at Theo, immobile though he was.

[1/22/13 7:31:32 PM] Andrew Cornell: Theo doesn't appear to be affected by Vivium's telepathy.

[1/22/13 7:31:40 PM] KV: "I see your heart."

[1/22/13 7:31:51 PM] Lëvîtý: Vivium is tired. That was a lot of anger.

[1/22/13 7:31:52 PM] KV: "You call yourself a hero, but you act out of cowardice."

[1/22/13 7:32:14 PM] KV: "You attack those who truly are heroes out of a lack of self-worth."

[1/22/13 7:32:19 PM] Andrew Cornell: Theo leans closely to the mayor and says, "You don't mind if I take this call?"

[1/22/13 7:32:35 PM] Andrew Cornell: Theo freezes the mayor and disappears in

a puff of smoke!

[1/22/13 7:32:35 PM] Lëvîtý: Vivium attempts to send distorted messages this time!

[1/22/13 7:32:50 PM] Andrew Cornell: Vivium's messages don't reach anyone, since no one is there to be reached.

[1/22/13 7:33:05 PM] Andrew Cornell: Theo reappears in front of Stefan and looks over him curiously.

[1/22/13 7:33:11 PM] Lëvîtý: Vivium tries again!

[1/22/13 7:33:21 PM] Andrew Cornell: Theo remains ignorant of Vivium's powers.

[1/22/13 7:33:23 PM] KV: Having seen the jump, Stefan is unfazed.

[1/22/13 7:33:38 PM] Andrew Cornell: "Hmmmmm," Theo wonders.

[1/22/13 7:33:48 PM] Lewot: My whiskers sense the large amount of psychic energy, but I'm still focused on my drink.

[1/22/13 7:34:08 PM] Lëvîtý: Vivium sends a message to Stefan that she is worried for him.

[1/22/13 7:34:10 PM] Andrew Cornell: He taps Stefan's head with his cane, causing a numb feeling to hit Stefan's tongue!

[1/22/13 7:34:16 PM] Andrew Cornell: Stefan has been Silenced!

[1/22/13 7:34:28 PM] Andrew Cornell: "Now say ah," Theo asks Stefan.

[1/22/13 7:34:36 PM] Andrew Cornell: It appears he's taunting Stefan.

[1/22/13 7:34:54 PM] Lëvîtý: "Can I speak?"

[1/22/13 7:34:58 PM] KV: 'Lord grant me serenity,' Stefan thinks.

[1/22/13 7:35:12 PM] Andrew Cornell: Vivium tries to move her mouth, but like most of the others in the room, she is unable to.

[1/22/13 7:35:29 PM] Lëvîtý: So she ends up thinking that rather loudly.

[1/22/13 7:35:35 PM] Andrew Cornell: "Oh good, you look healthy!" Theo says cheerfully.

[1/22/13 7:35:50 PM] Andrew Cornell: Theo continues to be unaffected by Vivium's telepathy.

[1/22/13 7:36:04 PM] Andrew Cornell: He disappears in another puff of smoke and reappears next to the mayor.

[1/22/13 7:36:22 PM] Andrew Cornell: He taps the mayor on the head, unfreezing him. The mayor shakes about it, bewildered.

[1/22/13 7:36:47 PM] Lëvîtý: Vivium continues to flail around a lot in her head but eventually gets tired.

[1/22/13 7:36:59 PM] Andrew Cornell: "Now then," Theo says, "It's about five till midnight, so I think I'll give them until then to break out."

[1/22/13 7:37:17 PM] Andrew Cornell: "Anyone who can break out of my spell by midnight will get my blessing."

[1/22/13 7:37:32 PM] Andrew Cornell: "This is madness!" the mayor yells out. "I demand that you-"

[1/22/13 7:37:41 PM] Andrew Cornell: The mayor is frozen again as Theo taps his head.

[1/22/13 7:37:44 PM] Lëvîtý: Vivium tries to think about how it could be broken.

[1/22/13 7:38:18 PM] Lewot: I notice a bird outside the window which has frozen just as it is about to smack into the other window, which is closed.

[1/22/13 7:38:29 PM] Andrew Cornell: Theo walks around the party guests, checking for people.
[1/22/13 7:38:31 PM] Lewot: It looks annoyed.
[1/22/13 7:38:56 PM] Andrew Cornell: -or really anyone that would be able to move right now.
[1/22/13 7:39:01 PM] Ringtail Randl (Randy): The end of Paeton's fingernail touches the cilantro, after what feels like hours of inching fractions of fractions of centimeters, she's got a hold of it.

(Now to just get it out...)

At the same slower than Christmas pacing, her fingernail moves the cilantro slower than slowest out from her teeth.
[1/22/13 7:39:29 PM] Brad: Feurig tries to move his arms, knowing it would take more than five minutes to strain them.
[1/22/13 7:39:32 PM] KV: Stefan tries his best to move from his spot amongst the crowd.
[1/22/13 7:39:41 PM] Lewot: (I don't believe any of my abilities can get me out, unless it's based on Luck.)
[1/22/13 7:39:51 PM] Andrew Cornell: Theo walks by Feurig, whose head is still seems to be stuck in that awkward stance. Theo shivers at the poor guy's luck and moves on.
[1/22/13 7:40:13 PM] Lëvîtý: (fuck my internet burped)
[1/22/13 7:40:17 PM] Andrew Cornell: Feurig notices his arms are moving very very slightly.
[1/22/13 7:40:17 PM] Lëvîtý: (let me catch up please)
[1/22/13 7:40:34 PM] Brad: He glares as Theo passes, continuing to push his arms.
[1/22/13 7:40:47 PM] Andrew Cornell: Paeton's scratching for cilantro begins to pick up some speed.
[1/22/13 7:41:05 PM] Lëvîtý: Vivium keeps trying to use her mind to give her willpower.
[1/22/13 7:41:21 PM] KV: Stefan prays silently. 'Lord, grant me strength...'
[1/22/13 7:41:35 PM] Andrew Cornell: Vivium is working to move and is only very slightly moving as well. Theo walks by and watches closely.
[1/22/13 7:41:47 PM] Ringtail Randl (Randy): Paeton retreives the cilantro and just stares at the plate, frozen in place. Making ABSOLUTE sure that was the alst of it.
[1/22/13 7:41:56 PM] Lëvîtý: Vivium continues to keep her mind active.
[1/22/13 7:42:04 PM] Andrew Cornell: None of the other party guests nor the mayor seem to have moved at all.
[1/22/13 7:42:09 PM] Lewot: I try to imagine Louie's voice, with its ability to charm bugs, telling me to break free.
[1/22/13 7:42:27 PM] Lëvîtý: Vivium imagines herself moving.
[1/22/13 7:42:36 PM] Andrew Cornell: Stefan is starting to move a little!
[1/22/13 7:42:43 PM] Andrew Cornell: Vivium is also starting to move a little

more!
[1/22/13 7:42:48 PM] Andrew Cornell: Lewot is beginning to move!
[1/22/13 7:43:08 PM] Lewot: I slide my head closer to the drink.
[1/22/13 7:43:09 PM] Andrew Cornell: Theo looks about and checks a watch he doesn't have. "Two minutes!" he calls out.
[1/22/13 7:43:09 PM] Lëvîtý: Vivium keeps imagining herself moving around.
[1/22/13 7:43:26 PM] KV: Stefan slowly but surely starts moving towards Theo, his walking staff in hand.
[1/22/13 7:43:27 PM] Lëvîtý: She tries to keep her mind active but calm and concentrates even harder.
[1/22/13 7:43:39 PM] Lëvîtý: She puts all concentration in her physical strength.
[1/22/13 7:43:47 PM] Andrew Cornell: Stefan is able to pick up one of his feet, albeit very slowly!
[1/22/13 7:43:56 PM] Andrew Cornell: Vivium is moving her limbs about!
[1/22/13 7:44:08 PM] Andrew Cornell: Still slowly, but faster than before!
[1/22/13 7:44:22 PM] Andrew Cornell: Lewot is edging closer to the drink.
[1/22/13 7:44:37 PM] Lëvîtý: Vivium continues a rhythmic motion. She imagines the tapping and the pattern that her brain derived from it.
[1/22/13 7:45:08 PM] Lëvîtý: She counts the rhythm in her head, like music.
[1/22/13 7:45:12 PM] Lëvîtý: Or like a dance.
[1/22/13 7:45:22 PM] Andrew Cornell: Vivium is slowly moving to a rhythm, but she is moving!
[1/22/13 7:45:34 PM] Andrew Cornell: "One minute!" Theo calls out.
[1/22/13 7:45:37 PM] Ringtail Randl (Randy): A plate shatters on the floor, Paeton closes her mouth and yawns.

"GODS!" she exclaimed, "Human parties always end so awkwardly."
[1/22/13 7:45:57 PM] Lëvîtý: Vivium keeps concentrating.
[1/22/13 7:45:57 PM] Ringtail Randl (Randy): She saunters toward, as if she was compeltely unaffected, ignorant.
[1/22/13 7:46:03 PM] Andrew Cornell: Theo looks over and smiles at the demonness. "Well well, looks like someone's broken out!" he says excitedly.
[1/22/13 7:46:05 PM] Lëvîtý: She concentrates as hard as she can.
[1/22/13 7:46:19 PM] Andrew Cornell: Vivium is beginning to move regularly!
[1/22/13 7:46:25 PM] Lewot: I attempt to sip the floating drink.
[1/22/13 7:46:38 PM] Andrew Cornell: Theo looks over at Vivium and says, "Looks like we've got two!"
[1/22/13 7:46:43 PM] Brad: Feurig notices Paeton's returned mobility and pushes himself even harder.
[1/22/13 7:46:43 PM] Lëvîtý: She attempts to step out of the wall of people she hid behind.
[1/22/13 7:47:09 PM] Andrew Cornell: Lewot inches even closer and manages to taste the drink, suddenly regaining his motion and falling forward off the table.
[1/22/13 7:47:22 PM] Andrew Cornell: "That looks like three!" Theo calls out.
[1/22/13 7:47:25 PM] Lewot: "WOO! That's good stuff."
[1/22/13 7:47:37 PM] Ringtail Randl (Randy): Paeton pats Theo on the shoulder.

"I liked the party trick man!" she gives him a thumbs up, and then simply leaves the building.

[1/22/13 7:47:44 PM] Andrew Cornell: Feurig pushes himself to the limit and finds himself breaking out of the spell!

[1/22/13 7:47:48 PM] Andrew Cornell: Feurig is able to move again!

[1/22/13 7:47:53 PM] KV: Stefan takes a step.

[1/22/13 7:47:57 PM] Lëvîtý: "Ugh, I have such a headache."

[1/22/13 7:48:07 PM] Andrew Cornell: Stefan's step allows him to move again!

[1/22/13 7:48:15 PM] Lewot: I climb back onto the table.

[1/22/13 7:48:21 PM] KV: He approaches Theo.

[1/22/13 7:48:22 PM] Andrew Cornell: "Four and five!" Theo says as he waves his cane around, sealing the doors and stopping Paeton from leaving.

[1/22/13 7:48:31 PM] Brad: Feurig falls on the floor; his sword slipped out of his grip and slid into someone's foot.

[1/22/13 7:48:40 PM] Lëvîtý: Vivium rubs her temples.

[1/22/13 7:48:41 PM] Andrew Cornell: Suddenly a loud bell can be heard.

[1/22/13 7:48:54 PM] Andrew Cornell: "Oh look, midnight," Theo says. "And now a moment too soon!"

[1/22/13 7:49:03 PM] Andrew Cornell: He looks around as Stefan approaches.

[1/22/13 7:49:14 PM] Andrew Cornell: "So just the five then?"

[1/22/13 7:49:16 PM] KV: Stefan attempts to speak.

[1/22/13 7:49:29 PM] Andrew Cornell: Stefan's attempt fails as he is still Silenced.

[1/22/13 7:49:35 PM] Lëvîtý: Vivium disappears again behind the back of the immobile crowd, preparing a defensive stance.

[1/22/13 7:49:37 PM] Andrew Cornell: Theo takes pity though and taps Stefan with his cane.

[1/22/13 7:49:44 PM] Andrew Cornell: Stefan is no longer Silenced!

[1/22/13 7:49:48 PM] Lëvîtý: Vivium attempts to send a calming signal towards Stefan.

[1/22/13 7:49:48 PM] Lewot: I lean outside and attempt to turn the bird around so that it won't hit the window when it unfreezes.

[1/22/13 7:49:57 PM] Andrew Cornell: "I figured you'd be able to get out," Theo says to Stefan.

[1/22/13 7:50:12 PM] Lëvîtý: She sends a message to him explaining that she is on his side.

[1/22/13 7:50:17 PM] KV: "Oh? And how, pray tell, did you figure that?"

[1/22/13 7:50:33 PM] Andrew Cornell: The bird is switched around and faces away from the window. It appears it will not be in harm's way.

[1/22/13 7:50:47 PM] Andrew Cornell: "Pray tell indeed, eh Stefan?" Theo says in return.

[1/22/13 7:50:50 PM] Lewot: I turn back and examine the remaining foodstuffs.

[1/22/13 7:50:56 PM] KV: 'Thank you.' Stefan thinks back, hoping his message is received. 'Don't worry, everything should be okay.'

[1/22/13 7:51:11 PM] KV: "Impressive, revealing my name."

[1/22/13 7:51:21 PM] Lëvîtý: Vivium decides to herself that speaking out loud

right now would be dangerous.
[1/22/13 7:51:33 PM] KV: "It's not as if everyone in Enotita has heard of me and my missionary work."
[1/22/13 7:52:03 PM] Andrew Cornell: "I'm a magic man! It's my thing!" Theo says, pulling a deck of playing cards. "Come on, give me a little credit! I could even guess which card you'd pick out of this deck if I wanted to!"
[1/22/13 7:52:14 PM] Andrew Cornell: "But I think we're all done with the party favors, don't you agree?"
[1/22/13 7:52:25 PM] KV: "Indeed. What say we get to some real fun?"
[1/22/13 7:52:29 PM] Lewot: I pick up a party favor from the table.
[1/22/13 7:52:31 PM] KV: "But, I think..."
[1/22/13 7:53:06 PM] KV: Stefan double-taps his staff against the floor, and a long curved blade pops out of the upper end.
[1/22/13 7:53:14 PM] KV: "You've rather overstayed your welcome."
[1/22/13 7:53:17 PM] Lewot: I pull it open, and confetti pops out.
[1/22/13 7:53:23 PM] Andrew Cornell: Theo whistles as the concealed scythe.
[1/22/13 7:53:45 PM] Andrew Cornell: "Not bad," he says. He waves his cane around and brings the unfrozen members together in the center of the room!
[1/22/13 7:54:05 PM] Andrew Cornell: "But believe me, that trick's old hat," Theo continues, pulling out from his cane a sword!
[1/22/13 7:54:08 PM] Lëvîtý: Vivium feels exposed.
[1/22/13 7:54:17 PM] KV: Stefan can't help himself, he laughs aloud.
[1/22/13 7:54:21 PM] Lëvîtý: "Uhh, hey."
[1/22/13 7:54:27 PM] KV: "Really? MY trick was old hat?"
[1/22/13 7:54:43 PM] Lëvîtý: "Does anyone have any painkillers or something?"
[1/22/13 7:54:56 PM] KV: "Show of hands, who's seen the sword-from-cane trick before?"
[1/22/13 7:55:00 PM] Andrew Cornell: "Now now, don't get ahead of yourself," Theo says, wagging a finger. "We're in it for the long run now!"
[1/22/13 7:55:08 PM] KV: Despite most of the room being frozen, everyone's hands shoot upwards.
[1/22/13 7:55:16 PM] Lëvîtý: Vivium raises her hand reluctantly.
[1/22/13 7:55:19 PM] Ringtail Randl (Randy): Paeton raises both of her hands.

She feels eyes on her.

"What!? I'm being hoenst, here!?"
[1/22/13 7:55:23 PM] KV: "I'm blind, and even I've seen it."
[1/22/13 7:55:36 PM] Lewot: I have no hands, but raise one half of my whiskers.
[1/22/13 7:55:53 PM] Andrew Cornell: Theo chuckles. "Don't you love the whole, 'raise everyone's hands in the air' trick?" Theo asks.
[1/22/13 7:56:06 PM] Andrew Cornell: "I like it, personal favorite, really applies pressure~"
[1/22/13 7:56:09 PM] Andrew Cornell: "Now then!"
[1/22/13 7:56:10 PM] Brad: Feurig steps back for his sword, hands still raised.
[1/22/13 7:56:11 PM] Lewot: I check the table for painkillers.

[1/22/13 7:56:13 PM] KV: "Rather clever. But you are, as they say, all flash and no cash."

[1/22/13 7:56:18 PM] Lëvîtý: She sees the whisker raise. "Wow, I really like this guy."

[1/22/13 7:56:33 PM] Andrew Cornell: "Come on then, let's see what you 'adventurers' can do!"

[1/22/13 7:56:40 PM] Lëvîtý: "Hey so uh, magic guy, are you done being a windbag yet? I'm kind of getting tired of the speech."

[1/22/13 7:56:48 PM] Lëvîtý: "We all know this is going to become a fight."

[1/22/13 7:56:49 PM] Andrew Cornell: http://www.infinitelooper.com/?v=OSFKususTzg&p=n

[1/22/13 7:56:58 PM] Andrew Cornell: BATTLE START

[1/22/13 7:57:05 PM] Lëvîtý: "Oh, wonderful."

[1/22/13 7:57:11 PM] KV: The glow in Stefan's eyes fade. He twirls the scythe around, careful not to hit his new allies

[1/22/13 7:57:17 PM] Lewot: "Whoa, the music changed."

[1/22/13 7:57:29 PM] Lëvîtý: (the music changed in the coffeehouse too omg)

[1/22/13 7:57:33 PM] Lëvîtý: (it's really fitting too)

[1/22/13 7:57:42 PM] Lewot: "Oh Zark, this is one of those planets with turn-based battles, isn't it?"

[1/22/13 7:57:46 PM] Lëvîtý: (unfortunately I have to leave in three minutes)

[1/22/13 7:57:47 PM] Brad: Feurig grabs the sword off the ground and throws the sheathe aside.

[1/22/13 7:57:52 PM] Lëvîtý: (so uh)

[1/22/13 7:58:01 PM] Lëvîtý: (the coffeehouse closes in three minuyes)

[1/22/13 7:58:02 PM] Lewot: (We'll wait for you.)

[1/22/13 7:58:07 PM] Lëvîtý: (fsdkfjsd)

[1/22/13 7:58:11 PM] Andrew Cornell: (this would be the paaaause point)

[1/22/13 7:58:36 PM] Lewot: I remain on the table, at the back of the battlefield.

[1/22/13 7:58:51 PM] Ringtail Randl (Randy): Paeton unsheathes the unweildly hammer from below the porta-furnace and distributes her weight evenly

[1/22/13 7:58:53 PM] Ringtail Randl (Randy): (And then apused.)

[1/22/13 7:59:05 PM] Lëvîtý: (okay, I'll be back soon, heading off now)

[1/22/13 7:59:36 PM] Andrew Cornell: "What? We're pausing again? How many times must people take your silly breaks? And I'm supposed to be the one who's 'all flash and no cash,'" Theo says out at the screen as the game pauses.

[1/22/13 8:00:27 PM] Lewot: I curl up in my towel and nap during the pause. I set my communicator's alarm to wake me up when the world unpauses.

[1/22/13 8:00:36 PM] Andrew Cornell: (needless to say, I enjoy Theo~)

[1/22/13 8:01:12 PM] Lewot: (You should make pause menu music, as it looks like we'll use it a lot =P)

[1/22/13 8:23:04 PM] Andrew Cornell: What a jerk.
[1/22/13 8:23:05 PM] KV: (Randl, still here?)
[1/22/13 8:23:10 PM] Andrew Cornell: "I heard that!" Theo calls out.

[1/22/13 8:23:50 PM] Lewot: As I stow my communicator, I suddenly remember my job. I whip out the Scanner and blast Theo with it.

[1/22/13 8:30:21 PM] Lewot: "And his sociopathic temperament means he only takes x0.75 damage from psychic attacks."

[1/22/13 8:32:47 PM] Lewot: How about the Scanner makes me go first?
[1/22/13 8:33:00 PM] Lewot: Or we could call it a First Strike.
[1/22/13 8:33:13 PM] Lewot: Or just spacetime rift.
[1/22/13 8:34:45 PM] Andrew Cornell: (lol, we'll work on it XD)
[1/22/13 8:34:55 PM] Andrew Cornell: (tutorial boss fights are good for figuring that out~)

[1/22/13 8:35:29 PM] Andrew Cornell: ~Theo's Turn~

[1/22/13 8:38:55 PM] Lëvîtý: hold on like one second
[1/22/13 8:39:27 PM] Lewot: "Oh, and he's immune to one-hit-KOs, so don't try that."
[1/22/13 8:40:01 PM] Lëvîtý: (that was keeping pk starstorm in mind wasn't it loooool)
[1/22/13 8:40:15 PM] Lewot: (I dunno, does that count, Arora?)
[1/22/13 8:40:33 PM] Andrew Cornell: (I should think so >.>)
[1/22/13 8:40:37 PM] Lëvîtý: I don't really know what Vivium could do besides attempting to attack one of the illusions with PK fire or something.
[1/22/13 8:40:42 PM] Lëvîtý: (well it does 30 damage)
[1/22/13 8:41:13 PM] Andrew Cornell: (that's considering you do manage to hit him
[1/22/13 8:41:24 PM] KV: (that seems horribly overpowered, but then, I need to look up the damage formula again)
[1/22/13 8:42:20 PM] Lëvîtý: (it only targets one enemy and I have to take SP cost in mind)
[1/22/13 8:42:45 PM] Andrew Cornell: (true true)

[1/22/13 8:43:22 PM] Lëvîtý: should she do that?
[1/22/13 8:43:37 PM] Andrew Cornell: It's hard to tell which ones are Illusions - they all look like Theo!
[1/22/13 8:43:50 PM] Lëvîtý: that's why i said attempt
[1/22/13 8:44:03 PM] Lëvîtý: does attacking an illusion make it disappear?
[1/22/13 8:44:12 PM] Brad: (you could always just basic attack one if so)
[1/22/13 8:44:17 PM] Andrew Cornell: "I think it does," one of the Theos says.
[1/22/13 8:44:18 PM] Lëvîtý: I dunno, maybe I should save SP
[1/22/13 8:44:27 PM] Lëvîtý: Well, basic attack one of the Theos?
[1/22/13 8:44:32 PM] Andrew Cornell: "I don't think so at all!" another Theo says.
[1/22/13 8:44:37 PM] Andrew Cornell: (is that your final answer? :P)
[1/22/13 8:44:40 PM] Lewot: "The Scanner didn't tell me what happens. Cheap alien omnipotence."
[1/22/13 8:44:40 PM] Lëvîtý: Yes

[1/22/13 8:44:48 PM] Andrew Cornell: Vivium attacks a Theo!
[1/22/13 8:44:59 PM] Andrew Cornell: She hits one of the Illusions!
[1/22/13 8:45:08 PM] Andrew Cornell: Only 3 Theos remain!

[1/22/13 8:45:25 PM] Lëvîtý: "Whew. Answered that question."
[1/22/13 8:45:28 PM] Andrew Cornell: The Theos taunt Vivium's poor luck...
[1/22/13 8:45:47 PM] Andrew Cornell: ~Paeton's Turn~
[1/22/13 8:45:52 PM] Andrew Cornell: What will Paeton do?
[1/22/13 8:45:53 PM] Lëvîtý: "Luck doesn't really matter to me. I got my answer."
[1/22/13 8:45:58 PM] Ringtail Randl (Randy): (Meltdown)

Paeton places her Lucky Hammer into the Porta furnace, after a blunt rap upon the furnace, it spews flames suddenly!

Paeton clamly, cooly removes the Hammer from the furnace, it's damaging end glowing red-hot!
[1/22/13 8:46:43 PM] Andrew Cornell: Paeton uses 3 SP to use Meltdown!
[1/22/13 8:47:01 PM] KV: (good God, man, how in hell are you gonna do this with any sort of speed?)
[1/22/13 8:47:29 PM] Lewot: It'll go faster once we get the hang of it.
[1/22/13 8:47:34 PM] Ringtail Randl (Randy): ((I make my decisions and type them out to try and spare time for you al. :3))
[1/22/13 8:47:42 PM] KV: (no, I meant Arora)
[1/22/13 8:47:45 PM] KV: (all these quackulations)
[1/22/13 8:47:51 PM] Ringtail Randl (Randy): ((While Lev was doing her thing I already had mine typed, haha.)
[1/22/13 8:47:55 PM] Lewot: His problem :3
[1/22/13 8:48:14 PM] Andrew Cornell: (lol, it's gooood stuff)

[1/22/13 8:48:42 PM] Lëvîtý: (I'm sorry, I was re-checking my character sheet)
[1/22/13 8:48:44 PM] Andrew Cornell: Lewot used Scan, and so his turn is skipped!
[1/22/13 8:49:05 PM] Andrew Cornell: What will Feurig do?
[1/22/13 8:49:09 PM] Brad: (i'll just do a regular attack)
[1/22/13 8:49:20 PM] Andrew Cornell: Feurig charges in with a regular attack!
[1/22/13 8:49:38 PM] Andrew Cornell: Feurig hits another Illusion!
[1/22/13 8:49:42 PM] Andrew Cornell: Only 2 Theors remain!
[1/22/13 8:50:00 PM] Lewot: "Two thunder gods, huh..."
[1/22/13 8:50:01 PM] Andrew Cornell: "Theor? What the heck is a Theor? It's Theo!" the Theos call out.
[1/22/13 8:50:13 PM] Andrew Cornell: They don't like mistaken identity much...
[1/22/13 8:50:18 PM] Andrew Cornell: ~Stefan's Turn~
[1/22/13 8:50:21 PM] KV: (how did you even)

[1/22/13 8:50:25 PM] Andrew Cornell: What will Stefan do?
[1/22/13 8:50:32 PM] Andrew Cornell: (that is an excellent question XD)
[1/22/13 8:50:39 PM] KV: Stefan takes his scythe in both hands and charges towards one of the Theos. "Lord, grant me wisdom."
[1/22/13 8:50:48 PM] Andrew Cornell: Stefan attacks one of the Theos!
[1/22/13 8:51:05 PM] Andrew Cornell: Stefan hits the real Theo!
[1/22/13 8:51:20 PM] Lewot: God don't miss
[1/22/13 8:51:32 PM] KV: (my calculation came up 5.5ish, rounded up to 6.)

[1/22/13 8:52:08 PM] Andrew Cornell: "Whoa! You hit me? I'm impressed!"
[1/22/13 8:52:21 PM] Lewot: Does the other illusion vanish?
[1/22/13 8:52:34 PM] KV: (it may as well, we know which one's him now.l)
[1/22/13 8:52:39 PM] Andrew Cornell: The other illusion vanishes!

[1/22/13 8:53:18 PM] Brad: (that would help)
[1/22/13 8:53:30 PM] Andrew Cornell: (doing multiple things at once, guys <_<>_>)
[1/22/13 8:53:45 PM] Lëvîtý: (i'm sorry but when i see 'stefan' my mind will always default to a desert swordsman with moss hair)
[1/22/13 8:53:45 PM] KV: (DO MORE THINGS)
[1/22/13 8:54:00 PM] KV: (see, and mine jumps to a character from an Eoin Colfer novel)
[1/22/13 8:54:10 PM] Lewot: (Oh... him.)
[1/22/13 8:54:17 PM] Andrew Cornell: (gimme a minute~)
[1/22/13 8:54:27 PM] KV: (I figured Lewot, if anyone, would know who I meant.)
[1/22/13 8:54:48 PM] Lewot: (Ya got enough plot twists there Colfer?)
[1/22/13 8:54:56 PM] KV: (nope, never)
[1/22/13 8:56:00 PM] Lewot: "Well, while the world does its math, we might as well socialize. I'm Lewot. I'm from a... distant planet."
[1/22/13 8:56:13 PM] KV: (I see what you did there.)

[1/22/13 8:56:39 PM] KV: "I'm Father Iblanskki. You may call me Stefan, or Father if you prefer."

[1/22/13 8:57:08 PM] KV: Stefan clears his throat. "Close enough."
[1/22/13 8:57:42 PM] Lewot: "Anybody else got names?"
[1/22/13 8:58:38 PM] Brad: "Feurig, but that's all there is to it. Nothin fancy."
[1/22/13 8:58:56 PM] Lëvîtý: "Vivium Sempre. Before you ask, I'm not a hippie."
[1/22/13 8:59:11 PM] KV: "You certainly don't smell like a hippie."
[1/22/13 8:59:26 PM] Lewot: "I have heard both of those lines a surprising number of times."
[1/22/13 8:59:32 PM] Lëvîtý: She coughs again.
[1/22/13 9:00:06 PM] Andrew Cornell: "Awwww, you all look so cute when you're socializing...almost hate to interrupt it right now!"

[1/22/13 9:06:25 PM] Andrew Cornell: Theo is beaten!
[1/22/13 9:06:36 PM] Ringtail Randl (Randy): Aww, I wanted to know how much that woulda dealt, lol.
[1/22/13 9:06:40 PM] Lëvîtý: Vivium wipes her forehead.

[1/22/13 9:06:59 PM] Andrew Cornell: BATTLE END!!
[1/22/13 9:07:01 PM] Andrew Cornell: http://www.infinitelooper.com/?v=xWm_pc2C0Hg&p=n
[1/22/13 9:07:08 PM] KV: Stefan double-taps his scythe again, and the blade retracts back into the woodwork.

[1/22/13 9:07:17 PM] Andrew Cornell: You all gain 6 experience and Level Up!!
[1/22/13 9:07:22 PM] Ringtail Randl (Randy): (True, with like 32 ATK + the 5 MAG stacked it would have wiped regardless if the Magic additionw as blocked, haha.)
[1/22/13 9:07:24 PM] Andrew Cornell: You are all now Level 2!
[1/22/13 9:07:33 PM] Andrew Cornell: Pick your 4 stats!

[1/22/13 9:07:55 PM] Lewot: 3 Luck, 2 Bra, 1 Speed, and...
[1/22/13 9:08:01 PM] Lëvîtý: which states
[1/22/13 9:08:03 PM] Lëvîtý: stats
[1/22/13 9:08:09 PM] Lëvîtý: wait okay how does leveling upw rok
[1/22/13 9:08:15 PM] Ringtail Randl (Randy): ^ That
[1/22/13 9:08:45 PM] Lewot: Basically, you pick three stats (they have to be different), and the first gets a +3, the second +2, the third +1,
[1/22/13 9:08:46 PM] Lewot: THEN,
[1/22/13 9:09:05 PM] Lewot: you pick one of any stat, including the ones you already picked,
[1/22/13 9:09:14 PM] Lewot: and it gets a random boost like in Mario & Luigi.
[1/22/13 9:09:16 PM] KV: >Magic +3
>Speed +2
>Defense +1
>HP Roulette
[1/22/13 9:09:56 PM] Lëvîtý: so avaliable stats include HP and SP right?
[1/22/13 9:10:02 PM] Lewot: Yeah
[1/22/13 9:10:05 PM] Lëvîtý: okay uhh
[1/22/13 9:10:07 PM] Lëvîtý: give me a minute
[1/22/13 9:10:28 PM] Lewot: I'll go with Luck for the Roulette, too.
[1/22/13 9:10:40 PM] KV: (seems only fitting)

[1/22/13 9:11:51 PM] Lewot: Oh yeah, all stats also get a random boost, what is it, between 0 and 2?
[1/22/13 9:12:22 PM] KV: 0-3, except HP&SP, which are 3-6
[1/22/13 9:12:29 PM] Andrew Cornell: (^that)
[1/22/13 9:12:45 PM] KV: (I had to check the roulette to see the neglect boosts)
[1/22/13 9:12:56 PM] Lёvîtý: (hey just a heads up, I've been working on my rpg)
[1/22/13 9:13:00 PM] Lewot: While the world does even MORE math, I, still being on the table, look for more food.

[1/22/13 9:13:14 PM] Andrew Cornell: Lewot's New Stats:
[1/22/13 9:13:17 PM] Lёvîtý: (I'm sort of borrowing from Lewot's simpler battle system if that's okay since I'm not very good with numbers)

SP: 13/13

[1/22/13 9:14:09 PM] Lewot: Wait, Atk, Def, and Mag actually stayed the same just from random boosts?
[1/22/13 9:14:31 PM] Andrew Cornell: (you rolled lucky on the other ones XD)
[1/22/13 9:14:34 PM] KV: (it IS from 0-3)

[1/22/13 9:15:44 PM] KV: (also, lol, a priest saying holy hell)
[1/22/13 9:15:53 PM] Lëvîtý: (I might implement some new things but I'm trying to keep the numbers simple)
[1/22/13 9:16:11 PM] Lewot: I munch on a new plate of food in the classic Whiskerpillar fashion.
[1/22/13 9:16:22 PM] Lewot: I still have not learned Paeton's name.
[1/22/13 9:16:22 PM] Lëvîtý: (also the rpg will be very cute but that doesn't mean it won't be serious a lot of the time)
[1/22/13 9:16:53 PM] KV: (we take our kittens seriously, goddammit)
[1/22/13 9:17:30 PM] Andrew Cornell: Paeton's New Stats

[1/22/13 9:18:51 PM] Andrew Cornell: (keep in mind most of these are original Current Stats as listed)
[1/22/13 9:19:12 PM] Andrew Cornell: (also, I'll check on that XD)
[1/22/13 9:19:40 PM] KV: (these new stats ARE taking into account the chosen boosts, yes?)
[1/22/13 9:19:55 PM] Andrew Cornell: (yes, that's why they are NEW stats XD)
[1/22/13 9:20:08 PM] KV: (just double-checking)
[1/22/13 9:20:22 PM] KV: (I didn't know if maybe you'd listed just the random boosts)
[1/22/13 9:20:37 PM] Andrew Cornell: (nope, I'm taking it all into account!)

[1/22/13 9:21:53 PM] Lewot: I enjoy the opportunity to eat without hordes of Pikmin trying to kill me.

[1/22/13 9:24:23 PM] Andrew Cornell: (that is everyone!)
[1/22/13 9:24:45 PM] Andrew Cornell: [As a little bonus, everyone's HP and SP recover at the end of a Boss Battle!]
[1/22/13 9:25:09 PM] Andrew Cornell: http://www.infinitelooper.com/?v=fvSAIg5MJ7s&p=n
[1/22/13 9:25:10 PM] Brad: (that's convenient =o)
[1/22/13 9:25:23 PM] Andrew Cornell: Theo lies on the ground for a minute after having received a rather brutal trouncing.
[1/22/13 9:25:37 PM] Andrew Cornell: "Well, I didn't expect that," he says as he gets up and dusts himself off.
[1/22/13 9:25:44 PM] Lewot: "Neither did I."
[1/22/13 9:25:50 PM] Lëvîtý: "That's what they all say!"
[1/22/13 9:26:03 PM] Andrew Cornell: He sheathes his sword cane back into his its holster and places the cane on the ground, tipping his hat.
[1/22/13 9:26:17 PM] Andrew Cornell: "I must say you sure showed me!" he says, bowing before the party.
[1/22/13 9:26:24 PM] Lëvîtý: The tapping pattern returns to Vivium's mind.
[1/22/13 9:26:44 PM] Andrew Cornell: "Well then, since that's all well and done..."
[1/22/13 9:26:50 PM] Lewot: "I guess you should unfreeze that bird... I mean, those people."
[1/22/13 9:26:52 PM] Andrew Cornell: Theo snaps his fingers, and the party guests burst to life again.
[1/22/13 9:27:03 PM] Andrew Cornell: And just like that, Theo's gone.
[1/22/13 9:27:03 PM] Lewot: I watch the bird fly away.
[1/22/13 9:27:16 PM] Lëvîtý: "I see."
[1/22/13 9:27:18 PM] Andrew Cornell: The bird flies away to safety, not having remembered much about what happened.

[1/22/13 9:27:24 PM] KV: Stefan leans against his staff. "I get the feeling that's not the last we'll see of him."
[1/22/13 9:27:33 PM] Lëvîtý: "What was actually the point of all that?"
[1/22/13 9:27:42 PM] Lewot: "Well, just do the same thing next time, I guess."
[1/22/13 9:27:44 PM] Andrew Cornell: http://www.infinitelooper.com/?v=xWm_pc2C0Hg&p=n
[1/22/13 9:28:00 PM] Andrew Cornell: "Oh thank the merciful heavens above!" the mayor shouts out.
[1/22/13 9:28:01 PM] Lëvîtý: "Anyway, glad I could help you guys out."
[1/22/13 9:28:01 PM] KV: "It's how he is. He likes to make a show of himself."
[1/22/13 9:28:11 PM] KV: "I do every day, Mister Mayor."
[1/22/13 9:28:24 PM] Andrew Cornell: The mayor hobbles down to the five in the center as everyone else gathers their wits.
[1/22/13 9:28:44 PM] Andrew Cornell: "How can I ever repay you fine heroes for taking care of that nasty vagabond?" the mayor asks, shaking hands.
[1/22/13 9:28:49 PM] Lewot: I climb off the table and join the other four.
[1/22/13 9:28:54 PM] Andrew Cornell: In Lewot's case, he just pats him on the head.
[1/22/13 9:29:02 PM] Andrew Cornell: "Oh! I know!"
[1/22/13 9:29:12 PM] Lewot: "All-you-can eat every--oh."
[1/22/13 9:29:25 PM] Brad: "Money?"
[1/22/13 9:29:39 PM] Ringtail Randl (Randy): "That all you can eat thing didn't sound half baad..." Paeton pouts.
[1/22/13 9:29:49 PM] Andrew Cornell: The mayor claps his hands together and has a small man bring in a large sack. The lackee drops the sack, making a loud clanging sound as though many heavy round discs of metal just hit the ground.
[1/22/13 9:30:18 PM] Andrew Cornell: "All you can eat and a fortune of 2500 gold for you all to share!" the mayor cheers gleefully.
[1/22/13 9:30:25 PM] KV: "The love of money is the root of all evil. But then..."
[1/22/13 9:30:28 PM] Lewot: "Ah."
[1/22/13 9:30:37 PM] Andrew Cornell: The lackee whispers into the mayor's ear. The mayor seems rather alarmed for a moment.
[1/22/13 9:30:40 PM] KV: (also, it's lackey)
[1/22/13 9:30:59 PM] Andrew Cornell: "Oh sorry, that was silly of me, I meant to say 2500 gold for each of you!" the mayor corrects himself.
[1/22/13 9:31:36 PM] Andrew Cornell: The lackee runs off again to fetch more sacks of gold, he doesn't seem to care too much about how his job title's spelled, being a monkey and all.
[1/22/13 9:31:38 PM] Andrew Cornell: A literal monkey.
[1/22/13 9:31:46 PM] Andrew Cornell: The mayor has monkeys for help as lackees.
[1/22/13 9:31:59 PM] KV: "Good Lord!"
[1/22/13 9:32:09 PM] KV: "That is rather a fat sack of cash!"
[1/22/13 9:32:11 PM] Lewot: A lackee would be the thing that the lacker lacks, which in this case would be anti-monkeys.
[1/22/13 9:32:14 PM] Andrew Cornell: The party guests cheer on, and

celebrations continue on throughout the night!
[1/22/13 9:32:27 PM] Lëvîtý: (fuck have to plug in computer)
[1/22/13 9:32:34 PM] Andrew Cornell: You each gain 2500 gold!
[1/22/13 9:32:46 PM] Lewot: I take the money without much thought.
[1/22/13 9:32:57 PM] Andrew Cornell: ~END OF THE PROLOGUE ERA~
