[1:02:58 AM] Lewot: I've had other people say that and I had no idea thunderstorms did anything to internet

[1:03:06 AM] KV: (not internet so much as electricity)

[1:03:15 AM] Lewot: Well I can imagine, but

[1:03:44 AM] Lewot: I actually think I've never had a power outage during a thunderstorm, I've just had a bunch of them on sunny days

[1:04:07 AM] KV: When we last left our heroes, they had finished exploring the Shopping District. Fulgur had found something of a friend in Marvin Guy, who could hear his thoughts.

[1:04:34 AM | Edited 1:05:29 AM] KV: Their inventories fuller and their wallets lighter, the group decided they should head down to the Warehouse District, for lack of any other clear directions.

[1:05:55 AM] KV: Save Block "Temporal savestate loaded. Thank you for using SaveCo Save Blocks."

[1:06:14 AM] KV: The block's rainbowish color faded slightly.

[1:06:39 AM] Aroroaoroa: (so, I guess we're off to this Warehouse District then)

[1:06:44 AM] Aroroaoroa: "Grarrrrrrgghhhh..."

[1:06:44 AM] Ringtail Randl: "It's kinda soothin' the second time 'round." Ringtail stated.

[1:07:25 AM] Ringtail Randl: "I got quite a lot, so I wager we oughta visit that warehouse district.. Any objections?"

[1:07:45 AM] Aroroaoroa: (heh, nah...)

[1:07:48 AM] Aroroaoroa: "Grargh..."

[1:08:02 AM] Lewot: "Oh, none at all!"

[1:08:35 AM] Lëvîty: "I've got flowers~"

[1:08:44 AM] Lëvîty: Parian proceeds to squeal again.

[1:09:25 AM | Edited 1:09:36 AM] Ringtail Randl: "Alriiight then, so here we go everybody, we're headed..." he glanced at the back of the flyer again.

[1:09:41 AM] KV: According to the map Remy drew up, the Warehouse District is a straight shot to the south.

[1:10:13 AM] Ringtail Randl: "That way." Ringtail pointed South.

[1:10:24 AM] Lëvîty: Parian begins to skip in that direction just as Ringtail points that way.

[1:10:43 AM] Aroroaoroa: (well, guess I better follow them)

[1:10:49 AM] Aroroaoroa: "Urrrrgahhhh..."

[1:11:04 AM] Ringtail Randl: Ringtail started to stroll that way as well, wasting minimal time.

[1:11:16 AM] KV: The group starts walking through the busy streets of Toad City.

[1:11:31 AM] KV: The buildings are tall, but they all seem to be essentially the same.

[1:12:01 AM] Lewot: I examine the tallest buildings in wonder as I shuffle along.

[1:12:18 AM] Ringtail Randl: Ringtail felt a touch uncomfortable, but as he tried to imagine them as mere trees, he felt a bit easier.

[1:12:20 AM] KV: Many pedestrians are walking in both directions

[1:12:31 AM] KV: Nobody seems to pay you any mind.

[1:13:16 AM] KV: The farther you walk, the more the pedestrian crowd seems to thin out.

[1:13:35 AM] Lëvîty: Parian seems to feel completely comfortable here amongst all of the people, but she can't be completely certain.

[1:14:20 AM] Ringtail Randl: "Tch, nobody 'round here. Don't blame him, th' woods back home were always kinda sleepy, at most."

[1:14:54 AM] KV: As the party walks along, three Tanooki pop out of an alleyway not far ahead of them.

[1:15:05 AM] KV: Tanooki "Hand over your cash, punks!"

[1:15:13 AM] Lewot: "Oh my."

[1:56:37 AM] KV: Player Phase

[1:56:39 AM | Edited 1:56:58 AM] Ringtail Randl: Ringtail wasted no time, yet again, his face stinging with pain--he quickly knelt down and then jumped straight from his position in front of the Chain Tanooki. Ringtail's forearms and knuckles burn as he throws a left jab and then a right hook to the Chain Tanooki's temples!

[1:56:42 AM | Edited 1:56:49 AM] Aroroaoroa: ((geez, Tanooki, just KO already))

[1:56:51 AM] KV: The Chain Tanooki falls to the ground!

[1:56:58 AM] Aroroaoroa: (there it is!)

[1:57:01 AM] Aroroaoroa: "Grarrgh!"

[1:57:04 AM] KV: The Battle is over!

[1:57:06 AM] Lewot: "I compute success."

[1:57:18 AM] KV: You all gain 9 XP!

[1:57:21 AM] Lëvítý: "Ugh, my voice kind of feels sore."

[1:57:33 AM] Lëvítý: "... Can voices be sore?"

[1:57:42 AM] Lewot: "Calculating..."

[1:57:43 AM | Edited 1:57:54 AM] Ringtail Randl: "Tanooki on Tanooki crime never pays off!! Even if it is a mite fun sometimes, heeee." Ringtail muttered as he slowly removed the Boxing Gloves, slinging the sweat from his hands.

[1:57:47 AM] Aroroaoroa: (considering you've been talking those guys' ears off, I'm not surprised)

[1:57:53 AM] Aroroaoroa: "Guuurrrrrgh..."

[1:58:10 AM] KV: You each win \$5!

[1:58:24 AM] Lewot: "I compute a sore voice to be the psychic equivalent of a physical sore throat."

[1:58:35 AM] Aroroaoroa: (oh cool, I can buy more stuff again!)

[1:58:38 AM] Aroroaoroa: (...sorta!)

[1:58:40 AM] Aroroaoroa: "Grargh!"

[1:58:49 AM] Ringtail Randl: Ringtail pockets it with no real complacency, he was focused on just moving forward.

[1:58:49 AM] Lewot: "Hmm, \$16..."

[1:59:53 AM] KV: You each gain one Support Point with each other!

[2:00:28 AM] Lewot: "I compute a 1 point increase in group sentimental value."

[2:00:46 AM] Ringtail Randl: Ringtail kicked the ribs of one of the Tanooki they overcame as he passed.

"Join Club Nintendo, mac!" he stepped just past them and faced his cohorts.

[2:00:57 AM] KV: Also Fulgur may or may not have gained a Weapon Level.

[2:01:07 AM] KV: If he didn't this battle, he's an attack or two away.

[2:01:11 AM] Aroroaoroa: ((I wouldn't be surprised >.>))

[2:01:11 AM] Lëvítý: Parian rolls around on the floor.

[2:01:14 AM] Lewot: I follow Ringtail.

[2:01:18 AM] Aroroaoroa: (Club Nintendo?)

[2:01:24 AM] Aroroaoroa: (is that a thing?)

[2:01:27 AM] Aroroaoroa: "Grargh?"

[2:01:56 AM] KV: The Tanooki help each other up off the ground behind the party and scurry back into the alleyway they had popped out of

[2:02:17 AM] Aroroaoroa: (oh, right, better go follow those guys again)

[2:02:22 AM] Aroroaoroa: "Guurrrrrghh.."

[2:02:42 AM] Ringtail Randl: "No wonder nobody was a-walkin' this way."

[2:03:33 AM] KV: The sun is starting to set. The sky is turning from its former brilliant blue to a light orange.

[2:03:43 AM] Lewot: "Ooooooh..."

[2:03:53 AM] Aroroaoroa: (getting late now, huh?)

[2:03:59 AM] Aroroaoroa: "Urrrrrghhh..."

[2:04:24 AM] Ringtail Randl: "Ehh, we oughta double-time it guys. Thaaaat fight took a mite longer than I thought.."

[2:05:14 AM] Lewot: I continue following, shuffling slightly faster. I turn my head backwards to look at Fulgur and Parian.

[2:06:02 AM] Ringtail Randl: Taking longer strides(And of course, being lightweight.) Ringtail started to move a bit faster in pacing, he'd occasionally glance his head back to make sure the rest were still a stone's throw back.

[2:06:46 AM] Lëvîty: Parian's just kind of bouncing along behind them.

[2:06:51 AM] KV: As Ringtail walked ahead, he noticed a neon sign on one of the buildings up ahead.

[2:06:54 AM] Lëvîty: Parian chirps a little like a bird.

[2:07:02 AM] KV: From this angle, he can't read what it says.

[2:07:12 AM] Aroroaoroa: (heh, to think I got grouped in with these guys...)

[2:07:14 AM] Aroroaoroa: "..."

[2:07:39 AM | Edited 2:07:56 AM] Ringtail Randl: Ringtail investigates the angle at which he might be able to see the sign. ((Could I see if I were higher?))

[2:07:57 AM] Lewot: While walking, I retract my Iron Sword and equip my Stick arm.

[2:08:11 AM] KV: (Just keep walking ahead. You can really only see the side right now.)

[2:09:01 AM] Lëvîty: "Stop being rude, golem guy! I like you."

[2:09:06 AM] Ringtail Randl: "Oi, I see somethin, c'mon, we're almost there!!" Ringtail puffed as he kept on, catching his breath a moment or so, Fulgur wasn't exactly the runner looking type.

[2:09:25 AM] KV: Ringtail was a couple of buildings away from the one with the sign.

[2:09:37 AM] Lewot: (I can't help imagining the Pokemon Golem. What does he actually look like?)

[2:09:39 AM] KV: He could read it more clearly from here: "Tank's Pool Hall"

[2:09:41 AM] Aroroaoroa: (oh, right, cause being silent and unable to communicate effectively is being rude)

[2:09:56 AM | Edited 2:10:16 AM] KV: (I keep picturing the Mondoshawans from The Fifth Element)

[2:09:58 AM] Aroroaoroa: "Urrrrrgghhhh..."

[2:10:09 AM] Ringtail Randl: ((Would we have the option to ignore it and move to the Storage place?))

[2:10:40 AM] KV: You remember Remy telling you to visit Tank.

[2:10:51 AM] Ringtail Randl: ((Right, right.)

[2:11:02 AM] KV: (for reference:  
[http://www.modelermagic.com/wordpress/wp-content/uploads/2012/04/fifth\\_element\\_robot.jpg](http://www.modelermagic.com/wordpress/wp-content/uploads/2012/04/fifth_element_robot.jpg))

[2:11:31 AM] Lewot: (I have actually seen that movie, unlike most movies.)

[2:11:38 AM] Aroroaoroa: ((I usually imagine him as a big golem, one made up of rocks like the ones from Chargestone Cave [http://cdn.bulbagarden.net/upload/f/f2/Chargestone\\_Cave.png](http://cdn.bulbagarden.net/upload/f/f2/Chargestone_Cave.png) and then coursing with electricity))

[2:11:42 AM] Ringtail Randl: Ringtail slowed as they got closer, being able to see the sign.

"Oi, Tank.. Hope ye at least grew a bit taller since last--ye were always the small one, gahaha..."

[2:11:45 AM] KV: (it's on my list of movies I never have to watch again but always will)

[2:12:27 AM] Lewot: I stare at the sign, probably calculating some useless mathematical feature of the neon.

[2:12:45 AM] KV: The place seems to be mildly busy.

[2:13:04 AM] KV: Many different Tanooki are enjoying the game of billiards. Some seem to be making friendly wagers.

[2:13:22 AM | Edited 2:13:32 AM] Ringtail Randl: From a pang of stinging hunger and possibly anxiety, Ringtail decides to consume one of the two Mushrooms he had obtained earlier.

[2:14:14 AM] Ringtail Randl: He chewed it down quickly at first, but slowed down as his mind eased, a loud, nervous swallow was audible from him.

[2:14:23 AM] KV: Ringtail healed 5 HP!

[2:14:39 AM] Aroroaoroa: (yeesh, that guy was hungry)

[2:14:43 AM] Aroroaoroa: "Grarrgh..."

[2:15:21 AM] Lëvîty: Parian chews a little on her own hand. Nervous habit, it seems.

[2:15:35 AM] Ringtail Randl: "At least I'll blend in here a bit, hahaha."

Ringtail rubbed the back of his head.

"I'm gonna be honest... I haven't seen this 'nooki in years so I MAY not know what they look like after this time."

[2:15:51 AM] KV: Ringtail takes a look around. None of the faces seem familiar.

[2:16:03 AM] Lewot: "Oh yes, 'aging'..."

[2:16:21 AM] KV: As Fulgur moves towards the rest of the group, he accidentally bumps the cue of one of the Tanooki taking a shot.

[2:16:29 AM] Lewot: "I believe I'm effectively immortal, but it's a difficult thing to test."

[2:16:32 AM | Edited 2:16:44 AM] Ringtail Randl: "Be ready for anything." Ringtail said as he sauntered in, first, not quite thinknig that he might possibly blend in too well for his cohorts' eyes.

[2:16:43 AM] KV: Tanooki "Watch it, you big freak!"

[2:17:12 AM] Ringtail Randl: Ringtail turned to see the source of the exclamation.

[2:17:31 AM] Aroroaoroa: (oh gee, I'm so sorry, please let me not give a fuck about your game for a minute)

[2:17:38 AM] Aroroaoroa: "Gurrrrrrrrghhhh..."

[2:17:53 AM] KV: While the Tanooki didn't understand exactly what Fulgur meant, he understood the gist.

[2:17:58 AM] Lëvîty: "I believe I'm whatever I happen to be so I might be immortal one day and mortal the next!" She comtemplates this for a moment.

[2:18:07 AM] Lëvîty: "Oh. What... am I?"

[2:18:11 AM] KV: Tanooki "You better smile when you say that!"

[2:18:15 AM] KV: Battle Initiated!

[2:18:15 AM] Lëvîty: She falls to the floor again.

[2:18:24 AM] Aroroaoroa: (oh come on!!)

[2:18:24 AM] Lewot: "Oh, hmm..."

[2:18:28 AM] Aroroaoroa: "Gurrrrrgh..."

[2:18:30 AM] Lëvîty: She doesn't notice a battle has started.

[2:18:30 AM] Ringtail Randl: Ringtail let a sigh escape, they'd already been in two armed fights, he didn't want to get in one with about seven times the aprticipants.

[2:18:43 AM] Ringtail Randl: And then they did.

[2:18:49 AM] Ringtail Randl: \*derp!\*

[2:19:13 AM] KV: The Tanooki's two buddies who had been playing with him came around the table to join the fight.

[2:19:22 AM] KV: Everyone else seems to want to steer clear.

[2:19:27 AM] KV: Fulgur - 24/25 HP, 10/10 MP, 0/10 SP

Graupel - 16/20 HP, 15/15 MP, 10/10 SP

Parian - 22/25 HP, 0/10 MP, 5/10 SP

[2:19:29 AM] KV: Player Phase

[2:19:43 AM] Lëvîty: (role? \*w\* )

[2:20:00 AM] Aroroaoroa: (alright, guys, the leader wants to dance, I'll make him dance!)

[2:20:01 AM] KV: Parian's role for this fight is Doctor!

[2:20:12 AM] Aroroaoroa: "Gaarrrrrruuuuuugarrrrr!!!"

[2:20:23 AM] Lewot: "I see some familiar weaponry... but that last opponent is different. Commence analysis!"

[2:20:33 AM | Edited 2:21:07 AM] Ringtail Randl: Ringtail frontflipped from where he was, ahead in the crowd and immediately whapped the Medi Tanooki over the head with his hardened tail. This was the only way he could have closed the distance to join them in battle without possibly stirring more enmity.

[2:20:36 AM] Lewot: I use Tattle on the Medi Tanooki.

[2:21:31 AM] Lëvîty: Parian DEBATES with the Brass Knuckles Tanooki!

[2:21:32 AM] Lewot: "Impressive strike, Mr. Ringtail! Incidentally, his stats are coming up..."

[2:21:56 AM] Lewot: "He has 15 HP like the others, but zero MP and 20 SP."

[2:22:22 AM] Lewot: "He has a Magic Power of 2, while the others are the same."

[2:22:52 AM] Aroroaoroa: (Magic Power? He must be able to cast spells!)

[2:23:01 AM] Lewot: "He is armed with a Healing Tome, which will give him additional magical and healing power."

[2:23:29 AM] Lewot: "He can cast Shine, Dia, and Media."

[2:23:31 AM] KV: The Medi Tanooki takes 1 damage from Ringtail's strike!

[2:23:35 AM] Aroroaoroa: (well, guess I know who I'M gonna pound into the earth!)

[2:23:47 AM] KV: The Brass Knuckles Tanooki takes 2 damage from Parian's Debate, and seems to be Confused!

[2:23:49 AM] Lewot: "And he is resistant to Light but weak to Darkness."

[2:24:27 AM] Lewot: "The opposite of the others. Interesting."

[2:24:50 AM] Aroroaoroa: (oh whatever, doesn't matter since I'm gonna POUND ME SOME TANOOKI!!)

[2:24:54 AM] Ringtail Randl: ("Shine?? Not good.")

[2:25:05 AM] Aroroaoroa: I pound the Medi Tanooki with the sledgehammer

[2:25:18 AM] KV: the Medi Tanooki takes 5 damage!

[2:26:40 AM] KV: (Oh, something I should note: Handing off an item to another party member doesn't take up a turn, but they can't use the item right away.)

[2:27:16 AM] Aroroaoroa: ((is it enemy phase now, or does Ringtail still have an attack?))

[2:27:28 AM] KV: Ringtail used a Basic Attack already.

[2:27:35 AM] Ringtail Randl: "Damnit, can't go anywhere without trouble these days!"

[2:27:43 AM] KV: Fulgur - 24/25 HP, 10/10 MP, 0/10 SP  
Graupel - 16/20 HP, 15/15 MP, 10/10 SP  
Parian - 21/25 HP, 0/10 MP, 5/10 SP  
Ringtail - 22/25 HP, 8/10 MP, 10/10 SP

VS.

Street Tanooki (Brass Knuckles) - 13/15 HP, 10/10 MP, 10/10 SP [Confused]  
Street Tanooki (Balisong) - 15/15 HP, 10/10 MP, 10/10 SP  
Medi Tanooki - 9/15 HP, 0/0 MP, 20/20 SP

[2:27:47 AM] KV: Enemy Phase

[2:27:51 AM] Ringtail Randl: Ringtail threw on his Boxing Gloves, which weren't prepared, being further ahead.

[2:28:10 AM] Aroroaoroa: (eh, what can I say? I'm just a magnet for trouble)

[2:28:13 AM] Aroroaoroa: (most golems are)

[2:28:19 AM] Aroroaoroa: "Guuuuurrrrrggaaahhhh..."

[2:28:23 AM] KV: The Knuckled Tanooki shakes his head. He seems to no longer be Confused!

[2:29:11 AM] KV: He punches Ringtail twice for 2 damage each!

[2:29:34 AM] Ringtail Randl: "Ahaha, and I'm a magnet for fists today!"

[2:30:00 AM] Aroroaoroa: (heh, it's like you guys can read my thoughts too)

[2:30:06 AM] Aroroaoroa: ((and technically you can, ooooooh~))

[2:30:12 AM] Aroroaoroa: "Guuuurr..."

[2:30:28 AM] KV: The Balisong Tanooki slashes at Parian!

[2:30:35 AM] KV: She's hit twice, for 2 damage each!

[2:30:44 AM] Lëvîty: "I think this is the first time I have ever been hit in battle."

[2:31:09 AM] Lewot: "Quite a thrill, is it not?"

[2:31:11 AM] KV: The Medi Tanooki hands something off to the Knuckled Tanooki, but you can't see what it is.

[2:31:13 AM] Ringtail Randl: "Well then, get ANGRY, let the blood boooiiiiil...! That's what happens for me, anyway."

[2:31:37 AM] Lëvîty: "But uh... !"

[2:31:44 AM] Lëvîty: "Uh, I'll try."

[2:32:21 AM] KV: The Medi Tanooki opens his Tome, looking at Ringtail.

[2:32:25 AM] Aroroaoroa: (eh, you get used to it)

[2:32:29 AM] Aroroaoroa: "Urrrrgh..."

[2:32:46 AM] Lewot: "My equations predict badness..."

[2:33:16 AM] Lëvîty: Parian tries to get angry, but she ends up yawning instead.

[2:33:51 AM] Ringtail Randl: Ringtail is greatly concerned and the eyebrows hovering an inch off his head show this.

[2:34:01 AM] KV: A bright light engulfs Ringtail!

[2:34:10 AM] KV: Medi Tanooki uses Shine on Ringtail for 5 damage!

[2:34:12 AM | Edited 2:34:32 AM] Ringtail Randl: Ringtail's physical form flickers back and forth between something oddly indescribable--his humanlike appearance fades for very brief moments, but too fast for any sets of eyes--he obviously did NOT take Light well at all.

[2:34:19 AM] KV: Ringtail is Knocked Down!

[2:35:14 AM] Ringtail Randl: \*Le fall on ass.\*

[2:36:59 AM] KV: (Don't know my own crap.)  
[2:37:16 AM] KV: Medi Tanooki winks, while his partners simultaneously shout "One more!"  
[2:37:36 AM] Aroroaoroa: (one more MY ASS!)  
[2:39:38 AM | Edited 2:39:47 AM] Ringtail Randl: "Eeaugh.. wait WHAT." Ringtail coughed up at the chirp.  
[2:39:46 AM] KV: The Medi Tanooki flips to another page in the Tome.  
[2:39:57 AM] Aroroaoroa: (he's going again?!)  
[2:40:00 AM] KV: He closes his eyes a bit and focuses all of his magic energy.  
[2:40:04 AM] Aroroaoroa: "Graurgh?!"  
[2:40:26 AM] Lewot: "Worry unit stimulated..."  
[2:40:42 AM] Lëvîty: "Ooooooh..."  
[2:40:49 AM] KV: Medi Tanooki uses Dia on himself, healing 7 HP!

[2:41:17 AM] Ringtail Randl: Ringtail releases a HUGE sigh of relief. Ringtail thrashes violently and struggles to his feet, this would take too much time to respond in time with his cohorts.  
[2:41:26 AM] Lëvîty: Parian heals Ringtail this turn!  
[2:41:30 AM] Aroroaoroa: (-wait!!)  
[2:41:37 AM] Aroroaoroa: (I could try out THAT move!)  
[2:41:51 AM] Ringtail Randl: ((Still no SP if it's that one again.))  
[2:42:12 AM] Aroroaoroa: ((it's not >.>))  
[2:42:23 AM] Aroroaoroa: ((I have other moves ya know :( ))  
[2:42:30 AM] KV: (just the one, actually)  
[2:42:37 AM] Lëvîty: (Do I have an item that could help him out?)  
[2:42:40 AM] Aroroaoroa: ((...))  
[2:42:47 AM] Aroroaoroa: I use PK Psych Up on Ringtail  
[2:42:54 AM] Aroroaoroa: or Offense Up  
[2:43:00 AM] Aroroaoroa: that one <.<  
[2:43:15 AM] Lewot: "Hmm..."  
[2:43:32 AM] Aroroaoroa: (come here and get some powah in ya!)  
[2:43:39 AM] Aroroaoroa: "Grarrrrgh!"

[2:44:07 AM] KV: (You could use your Mini Mushroom on him, which would negate Fulgur's Offense Up but make him Dodgy)

[2:44:27 AM] KV: (but then, Shine never misses, so it might not be worth it)

[2:44:33 AM] Lëvîty: (I meant, any items that heal SP)

[2:44:41 AM] Ringtail Randl: ((Yeah and the light BURRRRRRNSSSSSS USSSSSS.))

[2:44:50 AM] KV: (your Black Tea heals 5 of each stat)

[2:44:52 AM] Aroroaoroa: ((who cares, JUST PUNCH THE LIGHT IN THE FACE))

[2:45:46 AM] KV: Fulgur focuses, a hand outstretched to his Tanooki partner.

[2:45:52 AM] KV: Ringtail feels a surge of energy.

[2:45:55 AM] KV: Attack is now boosted!

[2:46:06 AM] Lewot: "...At this rate, we may just have to wear down the opponent's SP, as well... decision still not computed..."

[2:46:25 AM] KV: (Parian and Graupel both still have a move left)

[2:46:33 AM] Ringtail Randl: "Oi, thanks big guy. As long as the bookworm's out I'll be okay, honest."

[2:46:34 AM] Lëvîty: But I made my move

[2:46:49 AM] Aroroaoroa: (eh, don't mention it)

[2:46:52 AM] KV: (oh right)

[2:46:52 AM] Aroroaoroa: "Grargh..."

[2:46:55 AM] Lëvîty: [2:41:38 AM] Lëvîty: Parian heals Ringtail this turn!

[2:46:59 AM] Ringtail Randl: ((I hope it was the heal))

[2:47:00 AM] Lëvîty: with my first aid mvoe thign

[2:47:07 AM] Ringtail Randl: ((Yayyyy!))

[2:47:12 AM] KV: Parian uses First Aid on Ringtail!

[2:47:26 AM] KV: (It's basically a role-appropriate name for Dia)

[2:47:39 AM] KV: However, since Parian isn't as adept at healing as the Medi Tanooki, Ringtail only heals 2 HP.

[2:47:47 AM] Lewot: "In that case..." I equip my Iron Sword and slash the Knuckles Tanooki.

[2:47:51 AM] Lëvîty: "Yaaaay!"

[2:48:16 AM] Ringtail Randl: ".. I better get a lollipop for that at least--gimme something to bite down on the next time the bugger picks up where 'e left off."

[2:49:06 AM] KV: The Knuckles Tanooki takes 4 damage!

[2:55:08 AM] KV: The Medi Tanooki looks at Ringtail again evilly.

[2:55:33 AM] KV: Suddenly, the Medi Tanooki rushes Ringtail and whacks him over the head with the Tome! 2 damage!  
[2:55:36 AM] Lewot: "The acquisition of psychic damage suggests something with brainlike behavior... uh-oh."

[2:57:50 AM] Lewot: I twirl around, then launch a powered-up slash at the Knuckles Tanooki!  
[2:57:56 AM] Ringtail Randl: His hand becomes a Brass Knuckle and then his eyebrows raise up and

[2:58:11 AM] Aroroaoroa: (if I had eyebrows, I'd probably be raising them up and down too)

[3:04:48 AM] KV: Medi Tanooki flips through his Tome, looking at Ringtail.

[3:05:04 AM] Lëvîty: "THE MURDERER IS ONE OF US"  
[3:05:06 AM] KV: Ringtail is Knocked Down!  
[3:05:13 AM] Ringtail Randl: Thrashing around "ahh the lllllight!" etc. etc.  
[3:05:39 AM] Aroroaoroa: ((...5 damage knocks out a 13 HP character?))  
[3:05:48 AM] KV: The Knuckled Tanooki is still regaining his bearings, but the Balisong Tanooki yells for his comrade "One more!"  
[3:05:55 AM] Ringtail Randl: ((It's one of my weaknesses, getting knocked down is initiated when a weakness is targeted.))  
[3:06:06 AM] Aroroaoroa: ((oh, sorry, misread that >.>))  
[3:06:21 AM] Aroroaoroa: ((I thought it said it knocked you OUT <.<))

[3:09:29 AM] KV: (Ringtail isn't Knocked Down, the second attack with the tome put you back on your feet)

[3:09:39 AM] Ringtail Randl: ((Yeah I saw as well.))

[3:09:49 AM] KV: (Lev, you have all of those, except the Potion)

[3:10:07 AM] Ringtail Randl: ((You guys do what you're gonna do, I know exactly what I'm doing this turn.))

[3:10:12 AM | Edited 3:10:24 AM] KV: Knuckles Tanooki takes 6 damage!

[3:10:34 AM] Lewot: "Ahhh... yes! Now, finish him, dear Fulgur!"

[3:10:39 AM] Aroroaoroa: (I got this!)

[3:10:49 AM] Aroroaoroa: (TAKE THIS, YOU CRAZY TANOOKI WEIRDOS!!)

[3:10:58 AM] Aroroaoroa: I unleash the Earth Quake on the enemies!

[3:11:12 AM] Aroroaoroa: (SHAKE WHAT YOUR MOMMA THREW DOWN ON YOUR HEADS FROM ON HIGH!!!)

[3:11:28 AM] Aroroaoroa: "Graaarrrrrrgh!"

[3:11:38 AM] KV: The ground beneath the enemy's feet seems to be shaking uncontrollably

[3:11:38 AM] Lewot: (...wut X^D )

[3:12:06 AM] KV: The ground sputters, throwing them all up into the air a couple feet.

[3:12:13 AM] KV: They hit the ground, each taking 5 damage!

[3:12:30 AM] KV: The Balisong and Medi Tanooki get back to their feet, but the Knuckled Tanooki is down once more!

[3:12:47 AM] Aroroaoroa: (how'd ya like THAT?!)

[3:12:52 AM] Aroroaoroa: "Graaarrrrgh!"

[3:12:58 AM] Lëvîty: Parian DEBATES with the Medi Tanooki!

[3:13:04 AM] Ringtail Randl: (wait)

[3:13:18 AM] Ringtail Randl: ((You can Once More that downed one!))

[3:13:31 AM] KV: (no, this time it's KO'd)

[3:13:41 AM] Ringtail Randl: ((Oh, hehe, 3 AM.))

[3:13:49 AM] Aroroaoroa: ((another time XD))

[3:13:55 AM] KV: (not to mention Multitarget attacks don't allow for One Mores unless everyone in the opposing party is Knocked Down)

[3:14:38 AM] KV: Parian's Debate makes the Medi Tanooki take pause.

[3:14:43 AM] KV: 2 damage and Confusion!

[3:15:00 AM] Lewot: "Wahah!"

[3:15:27 AM] Lëvîty: "You're so adorable, golem guy."

[3:15:42 AM] KV: A couple of the Tanooki watching the fight cheer as well, though a couple more boo.

[3:15:52 AM] Aroroaoroa: (hehe, that might be the first compliment I've heard from you)

[3:15:54 AM] Ringtail Randl: ((Anyone else wanting to go feel free to, I'm idling til it's just me left, haha.))

[3:15:59 AM] Aroroaoroa: "Graaaaawwwwwrrrrghhh..."

[3:16:05 AM] KV: (You're the only one left, bromosexual)

[3:16:06 AM] Aroroaoroa: ((dawwwwwwww :3 ))

[3:16:06 AM] Lëvîty: "Aww, you're a super cutie!"

[3:16:08 AM] Ringtail Randl: Ringtail hops slightly in the air, twirls about, and then transforms into a statue of himself! The statue seems of an onyx texture, either way, nothing is moving it or scratching it.

[3:16:25 AM] Lewot: "Ooooooooooh..."

[3:16:37 AM] Lewot: "Data entered."

[3:16:45 AM] Aroroaoroa: (he can turn into a golem?!)

[3:16:49 AM] Aroroaoroa: "Graarrgh?!"  
[3:16:56 AM] KV: At the cost of 1 MP, Ringtail uses Tactical Transform!  
[3:17:15 AM] Lëvítý: Parian tries to do that, but ultimately fails. She yawns again.

[3:22:35 AM] Aroroaoroa: (SMACK DAT MEDI TANOOKI DOWN!!)

[3:22:39 AM] Aroroaoroa: "GRAARRRRGGH!!"

[3:22:41 AM] Lewot: "...His SP is diminished..."

[3:22:51 AM] Aroroaoroa: I smack dat Medi Tanooki down with my sledgehammer

[3:23:05 AM] KV: The Ringtail statue vibrates for a couple seconds, then the stone crumbles away to reveal Ringtail himself standing a bit stiffly.

[3:23:08 AM] Lëvîty: Parian DEBATES with the Medi Tanooki!

[3:23:18 AM] Ringtail Randl: Ringtail grins sheepishly and waves.

[3:23:45 AM] KV: Fulgur's hit with his Sledgehammer deals 5 damage!

[3:23:58 AM] Aroroaoroa: (I AM A BEAST!!)

[3:24:01 AM] Aroroaoroa: "GRAAARRRRRRGH!!"

[3:24:38 AM] KV: The Medi Tanooki takes 2 damage from Parian's Debate, but he seems to follow her logic reasonably well.

[3:25:12 AM] Ringtail Randl: "After you, Graupel, please."

[3:25:25 AM] Lewot: "Very well then... KYOOSH!"

[3:25:33 AM] Lewot: I slash the Medi Tanooki.

[3:25:33 AM] KV: (Ringtail can't move anyway, since he was Stone last turn.)

[3:25:40 AM] Ringtail Randl: ((WAT))

[3:25:47 AM] Ringtail Randl: ((You never told me about that! xD))

[3:25:51 AM] Lewot: (That's... now how it works in mine.)

[3:25:54 AM] Aroroaoroa: ((WOT))

[3:26:34 AM] KV: (Pretty sure that's how it worked in Paper Mario, but either way, that's how it works here. 1 MP invulnerability comes at some price.)

[3:26:51 AM] Lewot: (It was how Bow's and Vivian's attacks worked, but not the Stone Cap.)

[3:26:53 AM] Ringtail Randl: ((Isn't not receiving any effects whatsoever enough of a penalty?))

[3:27:07 AM] Ringtail Randl: ((Like, no healing, buffs, etc.))

[3:27:13 AM] Ringtail Randl: ((Whatever, brb, getting atombstone.))

[3:27:19 AM] KV: (...eh, fair enough. Go ahead.)

[3:27:31 AM] Aroroaoroa: ((argument successful~))

[3:27:39 AM] KV: (Randl used Debate!)

[3:28:02 AM | Edited 3:28:13 AM] Ringtail Randl: ((You sure? It is your game, I'm just shocked that you didn't show the adjustment.))

[3:28:12 AM] KV: Graupel used the last of his extra strength to fell the Medi Tanooki!

[3:28:26 AM] KV: (Nah, you raise a good point with the inability to receive healing or buffs)

[3:28:43 AM] Ringtail Randl: ((Plus it's a transformation rather than a spell. a la Mario 3 Tanooki suit.))

[3:29:00 AM] Ringtail Randl: ((Now if it were a PETRIFY spell, I see that logic.))

[3:30:18 AM] Ringtail Randl: ((So the Medi Tanooki's downed?))

[3:30:21 AM] Lewot: (You can't move WHILE stonified, but since it only lasts one turn, it doesn't seem

like he's getting a movement penalty, since he did act to turn himself to stone. But additional turns of stone would mean he wouldn't be moving then...)

[3:30:40 AM] Aroroaoroa: ((the Medi Tanooki is defeated, yes >.>))

[3:30:46 AM | Edited 3:30:50 AM] Ringtail Randl: ((\*KOed rather, derp\*\*))

[3:31:03 AM] KV: (Hehe, maybe just to be a dick, I'll add a small chance that the Stone only partially wore off, leaving you immobile and vulnerable)

[3:31:21 AM] KV: (which according to the RNG you avoided this time around anyway)

[3:31:31 AM | Edited 3:31:39 AM] Ringtail Randl: ((I will be remembering this for the future, whew, thanks for the letoff. xD))

[3:31:55 AM] KV: (My fault for not being clear from the beginning)

[3:31:58 AM] Lewot: (I should probably ask you for that RNG, even if my game can usually be handled with just a coin)

[3:32:09 AM] Lewot: (ANYWAY)

[3:32:18 AM] Ringtail Randl: Imma Weapon Attack that sonuma bitch whilst I still gots me a buff. o:

[3:32:45 AM] Ringtail Randl: <Insert writing here, facepunching happens.>

[3:32:57 AM] KV: Randl punches the Balisong Tanooki twice for 4 damage each!

[3:33:13 AM] Aroroaoroa: ((Ringtail punches that sonuma bitch in the face whilst he still gots him a buff o: ))

[3:33:35 AM | Edited 3:33:43 AM] Ringtail Randl: ((I apparently didn't have it or the Tanooki had 1 def, all my fuck, rofl.))

[3:33:48 AM] KV: (twice for 4 damage each.)

[3:33:57 AM] Lëvítý: Parian does a thing

[3:34:00 AM] KV: (as opposed to the usual twice for two damage each.)

[3:34:01 AM] Lewot: (But wouldn't his buff have worn off, since it was administered a turn before mine :x )

[3:34:03 AM] Ringtail Randl: ((So the Offense Up wore on the Statue turn then?))

[3:34:05 AM] Lëvítý: I got lost in all of the parenthses.

[3:34:21 AM] Aroroaoroa: ((parenthesis~))

[3:34:43 AM] KV: (No, because Ringtail had already acted when Fulgur gave him the boost, so the counter didn't go down)

[3:34:53 AM] Lewot: (...Ah)

[3:35:11 AM] KV: (but yeah, you lost a turn of it when you turned into a statue)

[3:35:14 AM] Ringtail Randl: ((Pip, pip, jolly good, let's get the show on the road then.))

[3:35:17 AM] KV: Fulgur - 23/25 HP, 7/10 MP, 0/10 SP

[3:36:58 AM | Edited 3:37:15 AM] KV: (SPACETIME NUMERICAL FIX, +4 HP TO GRAUPEL)  
[3:37:25 AM] KV: (I keep forgetting he's got one point of Defense)  
[3:37:48 AM] KV: (he was hit four times for 2 damage each when each hit should only have counted for 1 damage because of Defense.)

[3:39:39 AM] Lewot: "...Well, I suppose the cat's back in the bag at this point."  
[3:39:41 AM] KV: (Lev and Arora)  
[3:40:21 AM] Aroroaoroa: ((yo yo yo yo yo~))  
[3:40:32 AM] Lewot: I attack with my Iron Sword.  
[3:40:35 AM] Ringtail Randl: Ringtail jabs the remaining Tanooki in the face, one-two style. Then futilly slaps him across the face once for insulting's sake.  
[3:40:37 AM] Aroroaoroa: (well, what's say we make this Street Tanooki wish he never messed with us?)  
[3:40:47 AM] Aroroaoroa: (just gimme a sec, I wanna do the humiliating way~)  
[3:40:56 AM] Lëvítý: parian uses umberlallalr  
[3:40:59 AM] KV: Between Graupel's attack and Ringtail's the Balisong Tanooki can't take any more  
[3:41:10 AM] Lëvítý: someday that will be an actual attack name  
[3:41:11 AM] Aroroaoroa: I humiliate the Tanooki by hitting him with my yo-yo-daaaaangit  
[3:41:24 AM] KV: He goes down before Parian and Fulgur can get a hit in.  
[3:41:28 AM] KV: Battle Over!  
[3:41:39 AM] Aroroaoroa: (oh, cool, you beat him for me)  
[3:41:46 AM] Aroroaoroa: (...next time, yo-yo, next time)  
[3:41:53 AM] KV: You each earn 9 XP!  
[3:41:56 AM] Aroroaoroa: (lemme just put you back in there...)  
[3:41:58 AM] KV: You each win \$4!

[3:42:01 AM] Aroroaoroa: "Graaarrrrgh!"

[3:42:15 AM] Ringtail Randl: "woooOOOoooOO~!" Ringtail said, staggering over in slight, then tending to fixing the various scorches left on him from the light.

[3:42:21 AM] KV: You all gain a Support Point!

[3:42:25 AM] Aroroaoroa: (only \$4? man, it does not pay to be a Medi Tanooki...)

[3:42:25 AM] KV: And I'm fairly certain that Fulgur and perhaps Graupel have earned another Weapon Level.

[3:42:33 AM] Ringtail Randl: I might have as well. o:

[3:42:33 AM] Aroroaoroa: "Guraarrrrgh"

[3:42:52 AM] Lewot: Guess it doesn't matter until we get a higher-leveled weapon.

[3:43:04 AM] Ringtail Randl: ^ That

[3:43:13 AM] Aroroaoroa: ((at least we can get a higher-leveled weapon))

[3:43:28 AM] Lewot: "I believe my funds have risen to \$20."

[3:44:07 AM] Ringtail Randl: Ringtail quickly jams the other remaining Mushroom into his mouth and doesn't even bother chewing it. An audible gulp is heard again.

[3:44:17 AM] Aroroaoroa: (...whoa man)

[3:44:19 AM] Aroroaoroa: (take it easy)

[3:44:23 AM] Aroroaoroa: "Gurarrgh..."

[3:44:35 AM] Lëvîty: Parian falls to the floor.

[3:45:02 AM] Lëvîty: (can the umberlallalr be an item)

[3:45:14 AM] Lewot: (I added it as a typito, at least <3 )

[3:45:23 AM] KV: (If you can think of a potential use for it =P)

[3:45:32 AM] KV: Ringtail heals 5 HP!

[3:46:08 AM] Ringtail Randl: Ringtail feels slightly better, still battered and bothered that a major annoyance had occurred so early already.

[3:46:23 AM] Aroroaoroa: (...what?)

[3:46:38 AM] Aroroaoroa: (not my fault the guy couldn't control a stick)

[3:46:41 AM] Aroroaoroa: (...or a temper)

[3:46:46 AM] Aroroaoroa: "Gurarrgh..."

[3:47:03 AM] KV: Looking around, you still don't see a familiar-looking Tanooki, besides the three you just beat to the ground.

[3:47:16 AM] KV: You do, however, spot a Save Block in the corner of the room by the restroom door.

[3:47:30 AM] Aroroaoroa: ((scuse me a moment, gotta go drop a save XD))

[3:47:45 AM] KV: (Knew you at least would catch that =P)

[3:48:02 AM] Aroroaoroa: ((it helps since I was playing it earlier :P ))

[3:48:18 AM] KV: (It's one of my favorite euphemisms for poopin')

[3:48:30 AM] Aroroaoroa: ((hehe, poop))

[3:48:56 AM] Aroroaoroa: (take five, you guys, I'm gonna go smack a save)

[3:49:02 AM] Aroroaoroa: "Grarrgh."

[3:49:08 AM] Aroroaoroa: (HAI-YAH!!)

[3:49:10 AM] Lëvîty: (i'm tired)

[3:49:17 AM] KV: Fulgur punched the crap out of the Save Block.

[3:49:21 AM] Ringtail Randl: ((I have a strong feeling that we're gonna sto--))

[3:49:21 AM] KV: Save Block "Saving..."

[3:49:26 AM] Ringtail Randl: ((Called it.))

[3:49:29 AM] KV: Save Block "Save complete!"

[3:49:37 AM] KV: Save Block "Would you like to continue your adventure?"

[3:49:38 AM] Lewot: I teeter in place.

[3:49:45 AM] Aroroaoroa: ((I imagined it as more of a bitch-slapping motion, but eh XD))

[3:49:57 AM] Lëvîty: Parian is still on the floor.

[3:49:58 AM] Aroroaoroa: (uhhh, nahh, call it quits for now))

[3:50:05 AM] Aroroaoroa: "Urroooooo..."

[3:50:19 AM] Ringtail Randl: ((Lucky I was off today, I would've had to go to work otherwise, we seriously need to start these things earlier or I'll be shadowing or leaving right as things get good. 3:))

[3:50:35 AM] Lëvîty: well
